The Kingdom of Insignificance Prestel Publishing

1654: Following the death of her young husband, Catrin Barentsdochter takes a job as a housekeeper in Amsterdam. The city is flourishing; and as she assists her mistress with painting lessons, she dreams of developing her own skill as an artist. But when the past catches up with her, Catrin must leave behind the comfortable security of her new home for the smaller city of Delft. There she is introduced to Evert van Nulandt, owner of a pottery factory. Working together, they dream of replicating the prized blue-and-white porcelain arriving from the Far East. And Catrin dreams of a life in which her secret stays safely buried...

365 Sex Moves Transaction Publishers

In *The New Society*, Peter Drucker extended his previous works *The Future of Industrial Man* and *The Concept of the Corporation* into a systematic, organized analysis of the industrial society that emerged out of World War II. He analyzes large business enterprises, governments, labor unions, and the place of the individual within the social context of these institutions. Although written when the industrial society he describes was at its peak of productivity, Drucker's basic conceptual frame has well stood the test of time. Following publication of the first printing of *The New Society*, George G. Higgins wrote in *Commonweal* that "Drucker has analyzed, as brilliantly as any modern writer, the problems of industrial relations in the individual company or 'enterprise.' He is thoroughly at home in economics, political science, industrial psychology, and industrial sociology, and has succeeded admirably in harmonizing the findings of all four disciplines and applying them meaningfully to the practical problems of the 'enterprise.'" This well expresses contemporary critical opinion. Peter Drucker's new introduction places *The New Society* in a contemporary perspective and affirms its continual relevance to industry in the mid-1990s. Economists, political scientists, psychologists, and professionals in management and industry will find this seminal work a useful tool for understanding industry and society at large.

Coco and Igor Macmillan Elt

Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in

passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on "gurus" and "masters," proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

This illustrated survey of pieces from the world's finest and most unusual private and public collections enables the reader to recognize items through seals and trace the influences of other materials.

Today and Tomorrow PONS

THIS IS YOUR REALITY NOW After a horrific battle with the whale creature Cetus, Yota awakens back in the real world, his body horribly mangled. Was he killed? If so, who will pass on the knowledge of Cetus's weakness to Rumi and the girls? Yota has to fight to return from his own world, while in Rumi's world a miracle is about to take place in the tiny seaside town of Reel.

Burning Sunlight Helmut Buske Verlag

Like diving into the mind of a brilliant, infuriating friend, this novel dissects the experience of "the other woman" with tremendous wit and insight. When Ester Nilsson meets the actor Olof Sten, she falls madly in love. Olof makes no secret of being married, but he and Ester nevertheless start to meet regularly and begin a strange dance of courtship. Olof insists he doesn't plan to leave his wife, but he doesn't object to this new situation either...it's far too much fun. Ester, on the other hand, is convinced that things might change. But as their relationship continues over repeated summers apart, and winters full of heated meetings in bars, she is forced to realize the truth: Ester Nilsson has become a mistress. Ester's and Olof's entanglements and arguments are the stuff of relationship nightmares. Cutting, often cruel, and written with piercing humor, *Acts of Infidelity* is clever, painful, maddening, but most of all perfectly, precisely true.

2020 Wildflowers Hachette UK

Zaynab is from Somaliland, a country that doesn't exist because of politics and may soon be no more than a desert. Lucas is from rural Devon, which might as well be a world away. When they meet, they discover a common cause: the climate crisis. Together they overcome their differences to build a Fridays For Future group at their school and fight for their right to protest and make a real impact on the local community. But when Zaynab uncovers a plot which could destroy the environment and people's lives back home in Somaliland, she will stop at nothing to expose it. Lucas must decide if he is with her or against her - even if Zaynab's actions may prove dangerous...

Practice Makes Perfect English Sentence Builder, Second Edition Quiver Books

In one of the first scholarly book in English on Miron Białoszewski (1922–1983), Joanna Niżyńska illuminates the elusive prose of one of the most compelling and challenging postwar Polish writers. Niżyńska's study, exemplary in its use of theoretical concepts, introduces English-language readers to a preeminent voice of Polish literature. Niżyńska explores how a fusion of seemingly irreconcilable qualities, such as the traumatic and the everyday, imbues Białoszewski's writing with its idiosyncratic appeal. Białoszewski's *A Memoir of the Warsaw Uprising* (1977, revised 1991) describes the Poles' heroic struggle to liberate Warsaw from Nazi occupation in 1944 as harrowing yet ordinary. His later prose represents everyday life permeated by traces of the traumatic. Niżyńska closely examines the topic of autobiography and homosexuality, showing how Białoszewski discloses his homosexuality but, paradoxically, renders it inconspicuous by hiding it in plain sight.

Dieses Wörterbuch umfasst diejenigen Wörter aus allen lebenden und toten Sprachen der indoeuropäischen Sprachfamilie, die einen vermeintlich gleichen Ursprung haben, und führt sie auf eine prototypische Form zurück. Der Lexikograph Stuart E. Mann rekonstruiert damit den Zustand, den eine mögliche indoeuropäische Ursprungssprache gehabt haben könnte, bevor sie im Laufe der Geschichte zu dem heute vorhandenen Sprachenkomplex ausdifferenziert wurde.

A Game of Fate Macmillan

The career of the greatest painter of the twentieth century was played out in the shadow of Eros -- and of Thanatos. At the age of eight Picasso's first drawings already displayed a precocious interest in the female form, and in the days leading up to his death he was still working obsessively on sketches of the female sex. At the turn of the century the young Picasso created drawings and watercolors inspired by the bordellos of Barcelona which he frequented. These works mix desire, fascination, but also comedy and the grotesque alongside the ever-present fear of disease. They would result, seven years later, in his masterpiece, *Les Femmes d'Alger*. The works in this ground-breaking book include erotic drawings formal and informal, sketches in notebooks hidden in

drawers and private collections, and occasionally paintings and sculptures. Through all these works the essays by an international team of scholars, analyse the primeval notion of desire in Picasso's work, as well as his relation to voyeurism and exhibitionism, to artist and model. Whether through playful or hallucinatory forms, Picasso's representation of the desiring and desired body has become a pivotal moment in the history of twentieth-century art. Produced to accompany a major exhibition in Paris, Montreal and Barcelona, *Picasso Erotique* is a unique examination of the central theme in Picasso's work.

The Janus Chamber National Geographic Books

This second edition of *Finnish: An Essential Grammar* has undergone profound revisions. The chapter on basic sentence structure has been rewritten and syntax has been given more space. Sections have been added on phrase types, simple clause types, and types of complex sentences. A section on discourse particles has been added. The vocabulary of the copious example sentences has been updated to give it a touch of the twenty-first century. The section on modern colloquial Finnish has been considerably expanded. Internet addresses helpful for any learner of Finnish are provided which make it possible to automatically analyse the grammatical structure of any Finnish words and sentences. It gives not only a systematic account of the structures of the written language, but also features the characteristics of colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features include: pronunciation guide, including the tendencies in present-day colloquial Finnish thorough descriptions of morphology (word structure) and syntax (sentence structure) clear rules and an abundance of concrete examples inflection tables subject index internet addresses to online software for grammatical analysis of Finnish. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

The Art of Rhinoceros Horn Carving in China Langenscheidt Pub Incorporated

A few years have passed since Catherine's time in the The Juliette Society, but things haven't been going the way she planned. Her life with her fiancé Jack has become predictable and boring, especially in the bedroom. Now working as a journalist, she struggles to find inspiration in her work or at home - until she starts writing about the death of a publicly beloved model, Inana Luna, whose experiences reflect Catherine's own blossoming sexuality and independence. What started as a routine story quickly becomes Catherine's obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets: a fascination with kink, lustful men, and some very sexy intrigue. Like the Roman god Janus, Catherine is simultaneously looking to the past and the future. Can her experiences with The Juliette Society, along with Inana's diary, help her figure out what she really wants in life, love, and sex? Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time?
