"Witches are

gathering."
When most
people hear
the word
"witches,"
they think of
horror films
and
Halloween,
but to the

nearly one
million
Americans
who practice
Paganism
today, it's a
nature-
worshipping,
polytheistic,
and very real

religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day witchcraft. Witches of America follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of

more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley,

whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing "mystery cult" whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible-or hopes might be. With keen intelligence

and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying all faiths: Why do we choose to believe in anything at all? Whether evangelical, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.

The Restless Soul of the World's Most

Notorious Atheist Twelve Bestselling author of *Geography of Bliss* returns with this funny, illuminating chronicle of a globe-spanning spiritual quest to find a faith that fits. When a health scare puts him in the hospital, Eric Weiner—an agnostic by default—finds himself tangling with an unexpected question, posed to him by a well-meaning nurse. "Have you found your God

yet?" The thought of it nags him, and prods him—and ultimately launches him on a far-flung journey to do just that. Weiner, a longtime "spiritual voyeur" and inveterate traveler, realizes that while he has been privy to a wide range of religious practices, he's never seriously considered these concepts in his own life. Face to face with his own mortality, and spurred on by the question

of what spiritual principles to impart to his young daughter, he decides to correct this omission, undertaking a worldwide exploration of religions and hoping to come, if he can, to a personal understanding of the divine. The journey that results is rich in insight, humor, and heart. Willing to do anything to better understand faith, and to find the god or gods that speak to him, he travels to

Nepal, where he meditates with Tibetan lamas and a guy named Wayne. He sojourns to Turkey, where he whirls (not so well, as it turns out) with Sufi dervishes. He heads to China, where he attempts to unblock his chi; to Israel, where he studies Kabbalah, sans Madonna; and to Las Vegas, where he has a close encounter with Raelians (followers of the world's largest UFO-based religion). At

each stop along the way, Weiner tackles our most pressing spiritual questions: Where do we come from? What happens when we die? How should we live our lives? Where do all the missing socks go? With his trademark wit and warmth, he leaves no stone unturned. At a time when more Americans than ever are choosing a new faith, and when spiritual questions loom large in the modern

age, Man Seeks God presents a perspective on religion that is sure to delight, inspire, and entertain. Nine Wicked Tales Penguin 2016 Winner of the Gospel Coalition Book Awards At the time of his death, Christopher Hitchens was the most notorious atheist in the world. And yet, all was not as it seemed. “Nobody is not a divided self, of course,” he once told an interviewer, “but I think

it’s rather strong in my case.” Hitchens was a man of many contradictions: a Marxist in youth who longed for acceptance among the social elites; a peacenik who revered the military; a champion of the Left who was nonetheless pro-life, pro-war-on-terror, and after 9/11 something of a neocon; and while he railed against God on stage, he maintained meaningful—though largely hidden from

public view—friendships with evangelical Christians like Francis Collins, Douglas Wilson, and the author Larry Alex Taunton. In The Faith of Christopher Hitchens, Taunton offers a very personal perspective of one of our most interesting and most misunderstood public figures. Writing with genuine compassion and without compromise, Taunton

traces Hitchens's spiritual and intellectual development from his decision as a teenager to reject belief in God to his rise to prominence as one of the so-called "Four Horsemen" of the New Atheism. While Hitchens was, in the minds of many Christians, Public Enemy Number One, away from the lights and the cameras a warm friendship flourished between Hitchens and

the author; a friendship that culminated in not one, but two lengthy road trips where, after Hitchens's diagnosis of esophageal cancer, they studied the Bible together. The Faith of Christopher Hitchens gives us a candid glimpse into the inner life of this intriguing, sometimes maddening, and unexpectedly vulnerable man. "If everyone in the United States had the same qualities of loyalty and

care and concern for others that Larry Taunton had, we'd be living in a much better society than we do." ~ Christopher Hitchens *One Grump's Search for the Happiest Places in the World* Prabhat Prakashan As a thirty-seven-year-old, highly skeptical, deeply rational woman, Joan had it all: loving family, extravagant home, a high-profile career, even personal contentment. So Joan was

more surprised than anyone when she was relieved in an instant from the luxury of spiritual doubt and compelled to realign her life around practices of faith--about which she was a novice. With an unexplainable desire to pursue whatever God had for her at whatever cost was called for, Joan left her high-salary profession, sold her home and all her furniture (with her husband's support), and started life

from a blank slate. Finally realizing that she had been flirting with faith since she was a young teen, Joan fell in love with the God who had been pursuing her. Joan candidly shares the story of her radical life change as she moved from atheist, to agnostic in addiction recovery, to the unexpected moment when she was "struck" Christian. As Joan lets go of control and convention, her skepticism

is gradually replaced with a realization that embracing her new faith with radical abandon led to a far more mysterious and countercultural lifestyle than she'd ever imagined. [The Socrates Express](#) Simon and Schuster Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's

purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you “the one,” but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you

different than the one you would write for yourself, but that’s because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life. Eating God Harvest House Publishers This fabulous volume, containing compositions of mystic poets across India, from Kabir, Annamachary a and

From popular Christian voices Lisa

Jacobson and Phylicia Masonheimer, The Flirtation Experiment inspires you to strengthen your marriage with a fun, unexpected approach that leads to the depth, richness, and closeness you desire. Romance novels, Hallmark movies . . . the immense demand for romantic stories reveals a deep, unsatisfied longing that can be found in many marriages, but does it have to be that

way? Is it possible that the best marriage has to offer can grow, rather than fade after you say "I do"? Lisa and Phylicia say, "Absolutely yes!" So what is the secret to a happy, thriving, loving marriage, where the fire of romance and close friendship do not fade? While The Flirtation Experiment includes the frisky side of marriage, it's far more than a good romp. By degrees,

each chapter takes you to a deeper place, covering themes every beautiful marriage has in common, such as covenant, healing, and hope. After reading The Flirtation Experiment, wives will be filled with hope and encouragement for how they can make a powerful, positive change in their marriages, become empowered to pursue their husbands romantically, understand

the Bible invites women to be proactive in their marriages, be motivated to consistently love in creative ways, and forge closeness and intimacy in their marriages. “Intentional flirting keeps a positive lightness in the atmosphere and improves our overall communication,” says Jacobson. “My light flirtations bring us closer in meaningful ways and lead to connection on a deeper

level. It helps us discover true romance waiting for us in everyday situations.” Perfect for the wife who wants romance, passion, and the closeness that only comes from a deep heart connection but isn’t sure where to start, *The Flirtation Experiment* is a candid, real-life record of two Christian women from different seasons of life who discovered they could make a significant impact on

grotesque, delightfully wicked facets of humanity. "Alphinland," the first of three loosely linked tales, introduces us to a fantasy writer who is guided through a stormy winter evening by the voice of her late husband. In "Lusus Naturae," a young woman, monstrously transformed by a genetic defect, is mistaken for a vampire. And in the title story, a woman who has killed four husbands

discovers an opportunity to exact vengeance on the first man who ever wronged her. By turns thrilling, funny, and thought-provoking, Stone Mattress affirms Atwood as our greatest creator of worlds—and as an incisive chronicler of our darkest impulses. **My Spiritual Journey from Atheism to a Faith-Filled Life** Farrar, Straus and Giroux (Byr) Italo Calvino's beloved,

intricately crafted novel about an Emperor's travels??—??a brilliant journey across far-off places and distant memory. In a garden sit the aged Kublai Khan and the young Marco Polo??—??Mon gol emperor

and Venetian traveler. Kublai Khan has sensed the end of his empire coming soon. Marco Polo diverts his host with stories of the cities he has seen in his travels around the empire: cities and memory, cities and desire, cities and designs, cities and the dead, cities and the sky, trading cities, hidden cities.
