Capture the Castle tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great

changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle" - and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series

Regency Fiction Sophie Dupont, daughter of a portrait painter, assists her father in his studio, keeping her own artwork out of sight. She often walks the cliffside path along the north Devon coast, popular with artists and poets. It's where she met the handsome Wesley Overtree, the first man to tell her she's beautiful. Captain Stephen Overtree is accustomed to taking on his brother's neglected duties. Home on leave, he's sent to find Wesley. Knowing his brother

rented a cottage from a fellow painter, he travels to Devonshire and meets Miss Dupont, the painter's daughter. He's startled to recognize her from a miniature portrait he carries with him--one of Wesley's discarded works. But his happiness plummets when he realizes Wesley has left her with child and sailed away to Italy in search of a new muse. Wanting to do something worthwhile with his life, Stephen proposes to Sophie. He does not offer love, or even a future together,

but he can save her from scandal. If he dies in battle, as he believes he will, she'll be a respectable widow with the protection of his family. Desperate for a way to escape her predicament, Sophie agrees to marry a stranger and travel to his family's estate. But at Overtree Hall, her problems are just beginning. Will she regret marrying Captain Overtree when a repentant Wesley returns? Or will she find herself torn between the father of

her child and her growing affection for the husband she barely knows?

Agatha Christie meets Jane Austen in this atmospheric Regency tale brimming with mystery, intrigue, and romance. When Miss Rebecca Lane returns to her home village after a few years away, her brother begs for a favor: go to nearby Swanford Abbey and deliver his manuscript to an author staying there who could help him get published. Feeling

responsible for her brother's desperate state, she reluctantly agrees. The medieval monastery turned grand hotel is rumored to be haunted. Once there, Rebecca begins noticing strange things, including a figure in a hooded black gown gliding silently through the abbey's cloisters. For all its renovations and veneer of luxury, the ancient foundations seem to echo with whispers of the past--including her own. For there she encounters Sir Frederick--magistrate, widower, and

former neighbor--who long ago broke her heart. When the famous author is found murdered in the abbey, Sir Frederick begins questioning staff and guests and quickly discovers that several people held grudges against the man, including Miss Lane and her brother. Haunted by a painful betrayal in his past, Sir Frederick searches for answers but is torn between his growing feelings for Rebecca and his pursuit of the truth. For Miss Lane is clearly hiding something. .

Richard Brockwell, the younger son of Ivy Hill's most prominent family, hasn't been home for Christmas in years. But then his mother threatens to stop funding his carefree life--unless he comes home for Christmas. Out of options, he sets out for

Ivy Hill, planning to be back on a coach bound for London and his unencumbered bachelor life as soon as the festivities are over. But Christmas in the country presents unforeseen surprises, including encounters with an orphaned apprentice, the first love he disappointed years ago, and Arabella Awdry, a young lady who is far more appealing than he recalled . . . and determined to have nothing to do with him.
