Distraught by her son's uncanny revelations, Christian's mother, Cathy, embarked on a sacred journey of discovery that would shake her beliefs to the core and forever change her views on life and death. In this compelling and heartwarming memoir, Cathy Byrd shares her remarkable experiences, the lessons she learned as she searched to find

From an award-winning illustrator comes a tender, magical, and gorgeously rendered wordless picture book about a boy who saves the trees in the lot next door from being cut down. Amongst the hustle and bustle of the city is an overgrown piece of land where trees and wildlife thrive. A boy,

who lives in a house on the lot next to it, loves to visit. He has a friend there: an elephant, an animal that he sees within the shapes of the trees. No matter the weather, the boy visits. And as the seasons change so does the elephant; thick green foliage changes to autumnal colors before the bare branches of harsh winter appear. But one day, builders arrive. The land has been sold, and the trees have been marked for removal. The boy can't lose his elephant, and so he comes up with a plan. Unbearably beautiful and moving, and with a touch of magical realism, here is a wordless picture book about conservation and children's ability to be powerful agents of change.

The Boy Basic Books

A 2016 Coretta Scott King Author Honor Book Just when seventeen-year-old Matt thinks he can't handle one more piece of terrible news, he meets a girl who's dealt with a lot more—and who just might be able to clue him in on how to rise up when life keeps knocking him down—in this “vivid, satisfying, and ultimately upbeat tale of grief, redemption, and grace” (Kirkus Reviews) from the Coretta Scott King – John Steptoe Award-winning author

of *When I Was the Greatest*. Matt wears a black suit every day. No, not because his mom died—although she did, and it sucks. But he wears the suit for his gig at the local funeral home, which pays way better than the Cluck Bucket, and he needs the income since his dad can't handle the bills (or anything, really) on his own. So while Dad's snagging bottles of whiskey, Matt's snagging fifteen bucks an hour. Not bad. But everything else? Not good. Then Matt meets Lovey. Crazy name, and she's been through more crazy stuff than he can imagine. Yet Lovey never cries. She's tough. Really tough. Tough in the way Matt wishes he could be. Which is maybe why he's drawn to her, and definitely why he can't seem to shake her. Because there's nothing more hopeful than finding a person who understands your loneliness—and who can maybe even help take it away.

continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling*

The Astonishing Color of After meets *Eleanor & Park* in this breathtaking and beautifully surreal story about a friendship between two teens that just might shake the earth around them or at the very least make them face some painful truths about the nature of what drives us apart...and what brings us together. Billy Sloat and Lydia Lemon don't have much in common, unless you count growing up on the same (wrong) side of the tracks, the lack of a mother, and a persistent loneliness that has inspired creative coping mechanisms. When the lives of these two loners are thrust together, Lydia's cynicism is met with Billy's sincere optimism, and both begin to question their own outlook on life. On top of that, weird happenings including an impossible tornado and an all-

consuming fog are cropping up around them—maybe even because of them. And as the two grow closer and confront bigger truths about their pasts, they must also deal with such inconveniences as a narcissistic rock star, a war between unicorns and dragons, and eventually, of course, the apocalypse. With a unique mix of raw emotion, humor, and heart, the surreal plotline pulls readers through an epic exploration of how caring for others makes us vulnerable—and how utterly pointless life would be if we didn't.
