RICE RHYS

Littérature haitienne d'expression creole, 1750-2000 iUniverse

Winner of the Haitian Studies Association Excellence in

Scholarship Award (2015) Mainstream news coverage of the

catastrophic earthquake of January 12, 2010, reproduced

longstanding narratives of Haiti and stereotypes of Haitians.

Cognizant that this Haiti, as it exists in the public sphere, is a

rhetorically and graphically incarcerated one, the feminist

anthropologist and performance artist Gina Athena Ulysse

embarked on a writing spree that lasted over two years. As an

ethnographer and a member of the diaspora, Ulysse delivers

critical cultural analysis of geopolitics and daily life in a series of

dispatches, op-eds and articles on post-quake Haiti. Her complex

yet singular aim is to make sense of how the nation and its

subjects continue to negotiate sovereignty and being in a world

where, according to a Haitian saying, tout moun se moun, men

tout moun pa menm (All people are human, but all humans are

not the same). This collection contains thirty pieces, most of which were previously published in and on Haitian Times, Huffington Post, Ms Magazine, Ms Blog, NACLA, and other print and online venues. The book is trilingual (English, Kreyòl, and French) and includes a foreword by award-winning author and historian Robin D.G. Kelley.

Dessalines Resisite LSU Press

Volumes in the Trends in Linguistics. Documentation series focus on the presentation of linguistic data. The series addresses the sustained interest in linguistic descriptions, dictionaries, grammars and editions of under-described and hitherto undocumented languages. All world-regions and time periods are represented.

Gérard Dupervil, ou, La voix d'une génération Walter de Gruyter

Alain Picard Parent ekri pou ede chanje lavi epi transfòme

lasosyete an griyen dan. Anprè a leve vivan, l'ap poze kesyon sou Ayiti li te kite a, yo di l: Anprè Dessalines, kòm ou pat là, mwen konn gen anpil bagay ou pa konnen de peyi sa a ou te kite a! Ebyen, fòk mwen di w: Peyi sa a tèlman dwòl e pouri: ou ta ka ap mache, ou wè yon wòch à-dan oubyen gwo pikan atè nan lari a, pou l ka pa pike moun, ou bese pou ou wetire l: ou ka sezi se yon mechan ou yon magouyè tou-pwisan ki te mete l pou te ka fè pasan blese pye yo, yon fason pou ka fè yo vin pran tretman nan men l e fè yon kòb sou yo. Oumenm ki panse se yon bon zèv ou tap fè, poutan magouyè sa a vin pran w pou ènmi, kòm sila a ki ap anpeche l manje. - Ou ka tandè l di w: «Mwen, si yon moun anpeche m manje, m'ap anpeche l pou pou.» E se pa pou pou non li di: se gwo mo vilgè a. (k.k, kòm si l tap site non foutbolè brezilyen an.) Papa Dessalines, se pa yon ti peyi piti non! Yo rele l, Tè Glise! - Lè m'ap gade peyi sa a, tèlman li konwonpi, plen magouy'e ladan l, mwen vin konprann se pa touye yo ta touye w ase! - Gen ti nèg isi ki tèlman apache e aplim, yo ka vann ou pou on senp kanson defouke, pou menm yon vye pòy sigarèt, yon vye sandal zèl ravèt! (Ah, ti nèg isi chanje, majorite pa wè peyi ankò; se sèl afè pèsònèl yo y'ap chèche. - Tèlman vin gen politisyen magouyè, pèp prèske pa kwè nan yo. - Jodi a yo di w yo se patizan Dessalines, lè se Dessalines ki o pouvwa; men kou yo wè se patizan Petion ki sou ba a, yo gentan pi Petion pase pèsonn, y'ap defann lide Petion yo menm jan yo te konn ap defann lide dessalines yo. - Epi zye yo chèch! Y'ap tann kote dlo a koule pi fre a pou yo gentan janbe pou ka fè bè yo, men se pa peyi yo wè vre.)... Jeneral Dessalines sezi tandè bann ak pakèt lòt lòbèy ki pase nan peyi a, li move e endinye; men li pa manke voye pawòl tribò-babò pou fè ayisyen ak responsab yo pran konsyans, epi li pran responsablite pou ede fè chanjman ki dwe fèt pou bati lòt pi bon Ayiti Toma a.

Contes créoles (1). Contes diaboliques, fabliaux LSU Press
Ainsi que l'exige la fatalité historique, d'innombrables compatriotes vivent loin de leur pays, de leurs traditions, de leur héritage culturel ... Ce qui tissait jadis le quotidien de leur existence, voire le réconfort de leur lieu de naissance ? la quiétude de leur enfance ? la possibilité d'un futur familial ? s'est transformé en une pile de regrets et s'est mêlé avec les tentations de la terre d'accueil pour se confondre lentement mais inévitablement dans les méandres de leur mémoire. Les particularités de la vie en société haïtienne s'effacent graduellement. Et floues deviennent ces distinctions vécues ? flous les mets d'autrefois ? floues les gargotes disparues ? floue la jeunesse à l'école ? flou le madrigal d'antan ? flous les instants romantiques ? Là, finalement, au carrefour de la petite histoire, des souvenirs et des vains espoirs s'installe pour d'aucuns un vide fréquemment démoralisant ? Et bien que la nostalgie ne remplace pas la terre natale, en manière de compensation ? Un pays oublié offre aux lecteurs ... une gerbe de réminiscences, une évocation de pensées communes qui, peut-être, hantent leurs aujourd'hui, errent en quelques coins brumeux de leur esprit ...

Man Lé [Saint-Léonard, Québec] : Ilan-Ilan

This book challenges the notion that humans aren't any more important than, say, ants, and ethics and politics must be adjusted accordingly as not to rank human concerns as primary.
Bibliography of Agriculture Walter de Gruyter

"In this study, Gary M. Ciuba examines how four of the South's most probing writers of twentieth-century fiction - Katherine Anne Porter, Flannery O'Connor, Cormac McCarthy, and Walker Percy - expose the roots of violence in southern culture. Ciuba draws on the paradigm of mimetic violence developed by cultural and literary critic Rene Girard, who maintains that individual human nature is shaped by the desire to imitate a model."--BOOK JACKET.

Bulletin of the American Academy of Medicine Indiana

University Creole Institute

Genèse 1 1.1 Nan konmansman, Bondye kreye syèl la ak latè a.

1.2 Men latè pa t' gen fòm, li pa t' gen anyen sou li. Fènwa te kouvri toupato. Lespri Bondye t'ap plane sou dlo ki te kouvri tout latè. 1.3 Bondye di. Se pou limyè fèt. Epi limyè te fèt. 1.4 Bondye wè limyè a te bon. Bondye mete limyè a yon bò, li mete fènwa a yon lòt bò. 1.5 Bondye rele limyè a lajounen, li rele fènwa a lannwit. Yon lannwit pase, yon maten rive. Se te premye jou a.

Bon nouvèl Rowman & Littlefield

Richly ethnographic and a compelling read, *After the Dance, the Drums Are Heavy* is a study of carnival, politics, and the musical engagement of ordinary citizens and celebrity musicians in contemporary Haiti. The book explores how the self-declared president of konpa Sweet Micky (Michel Martelly) rose to the nation's highest office while methodically crafting a political product inherently entangled with his musical product. It offers deep historical perspective on the characteristics of carnivalesque verbal play-and the performative skillset of the artist (Sweet Micky) who dominated carnival for more than a decade-including vulgarities and polemics. Yet there has been profound resistance to this brand of politics led by many other high-profile artists, including Matyas and J♦j, Brothers Posse, Boukman Eksperyans, and RAM. These groups have each released popular carnival songs that have contributed to the public's discussions on what civic participation and citizenship in Haiti can and should be. Drawing on more than a decade and a half of ethnographic research, Rebecca Dirksen presents an in-depth consideration of politically and socially engaged music and what these expressions mean for the Haitian population in the face of challenging political and economic circumstances. *After the Dance, the Drums Are Heavy* centers the voices of Haitian musicians and regular citizens by extensively sharing interviews and detailed analyses of musical performance in the context of contemporary events well beyond the musical realm.

Johnson's dictionary of the English language, in miniature. Johnson's English dictionary in miniature; with the addition of several thousand words, and the pronunciation, on the basis of Walker. Springer Nature

Out of colonial Natchitoches, in northwestern Louisiana, emerged a sophisticated and affluent community founded by a family of freed slaves. Their plantations eventually encompassed 18,000 fertile acres, which they tilled alongside hundreds of their own bondsmen. Furnishings of quality and taste graced their homes, and private tutors educated their children. Cultured, deeply religious, and highly capable, Cane River's Creoles of color enjoyed economic privileges but led politically constricted lives. Like their white neighbors, they publicly supported the Confederacy and suffered the same depredations of war and political and social uncertainties of Reconstruction. Unlike white Creoles, however, they did not recover amid cycles of Redeemer and Jim Crow politics. First published in 1977, *The Forgotten People* offers a socioeconomic history of this widely publicized but also highly romanticized community -- a minority group that fit no stereotypes, refused all outside labels, and still struggles to explain its identity in a world mystified by Creolism. Now revised and significantly expanded, this time-honored work revisits Cane River's "forgotten people" and incorporates new findings and

insight gleaned across thirty-five years of further research. This new edition provides a nuanced portrayal of the lives of Creole slaves and the roles allowed to freed people of color, tackling issues of race, gender, and slave holding by former slaves. The Forgotten People corrects misassumptions about the origin of key properties in the Cane River National Heritage Area and demonstrates how historians reconstruct the lives of the enslaved, the impoverished, and the disenfranchised.

Essential 25000 Haitian Creole Law Dictionary Alain Picard Parent

Haitian Creole (HC) is spoken by approximately 11,000,000 persons in Haiti and in diaspora communities in the United States and throughout the Caribbean. Thus, it is of great utility to Anglophone professionals engaged in various activities—medical, social, educational, welfare— in these regions. As the most widely spoken and best described creole language, a knowledge of its vocabulary is of interest and utility to scholars in a variety of disciplines. The English-Haitian Creole Bilingual Dictionary (EHCBD) aims to assist anglophone users in constructing written and oral discourse in HC; it also will aid HC speakers to translate from English to their language. As the most elaborate and extensive linguistic tool available, it contains about 30 000 individual entries, many of which have multiple senses and include subentries, multiword phrases or idioms. The distinguishing feature of the EHCBD is the inclusion of translated sentence-length illustrative examples that provide important

information on usage.
