happens when America's
First Son falls in love with
the Prince of Wales?
When his mother became
President, Alex
Claremont-Diaz was
promptly cast as the
American equivalent of a
young royal. Handsome,
charismatic, genius—his
image is pure millennial-
marketing gold for the
White House. There's only
one problem: Alex has a
beef with the actual
prince, Henry, across the
pond. And when the

tabloids get hold of a
photo involving an Alex-
Henry altercation,
U.S./British relations take
a turn for the worse.
Heads of family, state,
and other handlers devise
a plan for damage control:
staging a truce between
the two rivals. What at
first begins as a fake,
Instagramable friendship
grows deeper, and more
dangerous, than either
Alex or Henry could have
imagined. Soon Alex finds
himself hurtling into a

secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing,

hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, *New York Times* bestselling author of *The Unhoneymooners* "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, *New York Times* bestselling author of *Daisy Jones & The Six* [Love is a Horror Story](#)

A profound truth of the wild, and the world at large, is that we are a part of it, not owners of it. Is there any animal we love and hate as much as the Royal Bengal Tiger? Tigers are feared and poached, but they also endure, becoming pin-ups for candlelight marches. Indian elephants are trapped by railway lines and fences, but are reclaiming their bodies and colonizing new areas in central India. And in our dirty cities, the sparkling Plain Tiger Butterfly

flourishes as one of our last links to wildlife. Wild animals exist beyond our control. They are harmless, only occasionally dangerous. They live with us, or in spite of us. Those who know them understand that wild animals require acceptance for what they are, not enslavement for what we want them to be. In this book, we meet fifteen iconic Indian species in need of conservation and heart. The author explores what these creatures need, and how they exert agency

and decision-making. With an equal emphasis on human and animal, science and skilled prose, *Wild and Wilful* reveals the magic of the wild in our daily lives. It will take you from fear to wonder. The Parsi Kitchen is a

warm and whimsical memoir about how she embraced the cuisine that she grew up with. From her grandmother's Ravo to a Bombay duck inspired by her travels through Gujarat, the quirky tales behind her beloved dishes make for a delicious read. A treasure trove of recipes and memories, *The Parsi Kitchen* is a book to be savoured.

Masala Lab Simon and Schuster #1 New York Times Bestseller "Go Set a Watchman is such an

important book, perhaps the most important novel on race to come out of the white South in decades." — New York Times A landmark novel by Harper Lee, set two decades after her beloved Pulitzer Prize-winning masterpiece, *To Kill a Mockingbird*. Twenty-six-year-old Jean Louise Finch—"Scout"—returns home to Maycomb, Alabama from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that

were transforming the South, Jean Louise's homecoming turns bittersweet when she learns disturbing truths about her close-knit family, the town, and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from *To Kill a Mockingbird*, *Go Set a Watchman* perfectly captures a young woman, and a world, in painful yet necessary transition out

of the illusions of the past—a journey that can only be guided by one's own conscience. Written in the mid-1950s, *Go Set a Watchman* imparts a fuller, richer understanding and appreciation of the late Harper Lee. Here is an unforgettable novel of wisdom, humanity, passion, humor, and effortless precision—a profoundly affecting work of art that is both wonderfully evocative of another era and relevant to our own times. It not only confirms the

enduring brilliance of *To Kill a Mockingbird*, but also serves as its essential companion, adding depth, context, and new meaning to an American classic.

The production and distribution of film and audiovisual works is one of the most dynamic growth sectors in the world. Thanks to digital technologies, production has been growing rapidly in Africa in recent years. For the first time, a

complete mapping of the film and audiovisual industry in 54 States of the African continent is available, including quantitative and qualitative data and an analysis of their strengths and weaknesses at the continental and regional levels. The report proposes strategic recommendations for the development of the film and audiovisual sectors in Africa and invites policymakers, professional organizations, firms, filmmakers and artists to

implement them in a concerted manner.

Sandya Hewamanne's *Stitching Identities in a Free Trade Zone* analyzed how female factory workers in Sri Lanka's free

trade zones challenged conventional notions about marginalized women at the bottom of the global economy. In *Restitching Identities in Rural Sri Lanka* Hewamanne now follows many of these same women to explore the ways in which they negotiate their social and economic lives once back in their home villages. Drawing on ethnographic fieldwork conducted over fifteen years, the book explores how the former free-trade-zone workers manipulate varied forms

of capital—social, cultural, and monetary— to become local entrepreneurs and community leaders, while simultaneously initiating gradual changes in rural social hierarchies and gender norms. Free trade zones introduce Sri Lankan women to neoliberal ways of fashioning selves, Hewamanne contends. Her book illustrates how varied manifestations of neoliberal attitudes within local contexts result in new articulations of what it is to be an entrepreneur

as well as a good woman. By focusing on how former workers decenter neoliberal market relations while using their entrepreneurial and civic activities to reimagine social life in ways more satisfying to them and their loved ones—what the author calls a politics of contentment—the book sheds light on new political possibilities in contexts where both reproduction of neoliberal economic relations and implementation of alternatives co-exist.

 The fairy tale has become one of the dominant cultural forms and genres internationally, thanks in large part to its many

manifestations on screen. Yet the history and relevance of the fairy-tale film have largely been neglected. In this follow-up to Jack Zipes's award-winning book *The Enchanted Screen* (2011), *Fairy-Tale Films Beyond Disney* offers the first book-length multinational, multidisciplinary exploration of fairy-tale cinema. Bringing together twenty-three of the world's top fairy-tale scholars to analyze the enormous scope of these films, Zipes and colleagues Pauline

Greenhill and Kendra Magnus-Johnston present perspectives on film from every part of the globe, from Hayao Miyazaki's *Spirited Away*, to Jan Švankmajer's *Alice*, to the transnational adaptations of *1001 Nights* and Hans Christian Andersen. Contributors explore filmic traditions in each area not only from their different cultural backgrounds, but from a range of academic fields, including criminal justice studies, education, film studies, folkloristics, gender studies, and literary studies. *Fairy-Tale*

Films Beyond Disney offers readers an opportunity to explore the intersections, disparities, historical and national contexts of its subject, and to further appreciate what has become an undeniably global phenomenon.

 The 1962 blockbuster that took on “one of the most absurd (if universal) myths of our time: that every girl must be married” (The New York Times). Helen Gurley Brown, the iconic editor in chief of Cosmopolitan for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life.

Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

A pioneering, dazzling satire about a biracial black girl from Philadelphia searching for her Jewish father in New York City *Oreo* is raised by her maternal grandparents in Philadelphia. Her black mother tours with a theatrical troupe, and her Jewish deadbeat dad disappeared when she was an infant, leaving behind a mysterious note that triggers her quest to find him. What ensues is a playful, modernized

parody of the classical odyssey of Theseus with a feminist twist, immersed in seventies pop culture, and mixing standard English, black vernacular, and Yiddish with wisecracking aplomb. Oreo, our young hero, navigates the labyrinth of sound studios and brothels and subway tunnels in Manhattan, seeking to claim her birthright while unwittingly experiencing and triggering a mythic journey of self-discovery like no other.

Blue St. Martin's Griffin Winner, 2023 Choice Outstanding Academic Title Chinese Film Classics, 1922–1949 is an essential guide to the first golden age of Chinese cinema. Offering detailed introductions to fourteen films, this study highlights the creative achievements of Chinese filmmakers in the decades leading up to 1949, when the Communists won the civil war and began nationalizing cultural industries. Christopher Rea reveals the uniqueness and

complexity of Republican China's cinematic masterworks, from the comedies and melodramas of the silent era to the talkies and musicals of the 1930s and 1940s. Each chapter appraises the artistry of a single film, highlighting its outstanding formal elements, from cinematography to editing to sound design. Examples include the slapstick gags of Laborer's Love (1922), Ruan Lingyu's star turn in Goddess (1934), Zhou Xuan's mesmerizing

performance in Street Angels (1937), Eileen Chang's urbane comedy of manners Long Live the Missus! (1947), the wartime epic Spring River Flows East (1947), and Fei Mu's acclaimed work of cinematic lyricism, Spring

in a Small Town (1948). Rea shares new insights and archival discoveries about famous films, while explaining their significance in relation to politics, society, and global cinema. Lavishly

illustrated and featuring extensive guides to further viewings and readings, Chinese Film Classics, 1922–1949 offers an accessible tour of China's early contributions to the cinematic arts.
