78 ...Maya Banks is a hit or miss author for me; I either love or hate her work. I'm ambivalent about this book. I forwarded through much of this book as I felt like the main characters went on and on about everything and I was bored. I don't believe in the "I've only known you 2 days and I love you". It wasn't realistic at all to me.After the Storm by Maya Banks | Audiobook |
