The pleasure of creating a cartoon character is immeasurable. The act of building and developing a character is not just linked to the construction of the figure: each character has its own shape, personality and attributes. The artist

must take into consideration these qualities in order to build a character that is plausible in the eye of the audience. To get some inspiration, have a look at the lessons to draw hundreds of Characters from Blossom Art Studio. This book contains step by step instructions of how to draw your favorite Cartoon Characters from Peter Pan in a picture book format. Art grids are used to help improve your work by breaking down intimidating imagery into more manageable portions. The grid basically divides the original image into smaller blocks so that you can more easily see what belongs where. This can help you create more natural, effortless artwork, and increase your understanding of shapes, composition and color. The grid method has been used by artists for centuries as a tool to creating correct proportions. In this book you will learn to draw following characters: Learn To Draw Captain Hook, George Darling, John Darling, Mary Darling, Michael Darling, Mr. Smee, Nana, Peter Pan, The Crocodile, Tiger Lily, TinkerBell and Wendy
