**Lost and Found** Dorling Kindersley Ltd Perfect for fans of the NYT bestseller Sold on a Monday, this Southern historical novel based on the true story of a boy's mysterious disappearance examines despair, loyalty, and the nature of truth. In 1913, on a summer's day at Half Moon

Lake, Louisiana, four-year-old Sonny Davenport walks into the woods and never returns. The boy's mysterious disappearance from the family's lake house makes front-page news in their home town of Opelousas. John Henry and Mary Davenport are wealthy and influential, and will do anything to find their son. For two years, the Davenports search across the South, offer increasingly large rewards and struggle not to give in to despair. Then, at the moment when all hope seems lost, the boy is found in the company of a tramp. But is he truly Sonny Davenport? The circumstances of his discovery raise more questions than answers. And when Grace Mill, an unwed farm worker, travels from Alabama to lay claim to the child, newspapers, townsfolk, even the Davenports' own friends, take sides. As the tramp's kidnapping trial begins, and two desperate mothers fight for ownership of the boy, the people of Opelousas discover that truth is more complicated than they'd ever dreamed.

"A wonderful exploration of the past and the future and, most importantly, of what it means to be present in the here and now. Full of the love of words, the love of family, and the love of falling in love, *The Lost and Found Bookshop* is a big-hearted gem of a novel that will satisfy and entertain readers from all walks of life. Lovely!"—Garth Stein, New York Times bestselling author of *The Art of Racing In The Rain* In this thought-provoking, wise and emotionally rich novel, New York Times bestselling author Susan Wiggs explores the meaning of happiness, trust, and faith in oneself as she asks the question, "If you had to start over, what would you do and who would you be?" There is a book for everything . . . Somewhere in the vast Library of the Universe, as Natalie thought of it, there was a book that embodied exactly the things she was worrying about. In the wake of a shocking tragedy, Natalie Harper inherits her mother's charming but financially strapped bookshop in San Francisco. She also becomes caretaker for her ailing grandfather Andrew, her only living relative—not counting her scoundrel father. But the gruff, deeply kind Andrew has begun displaying signs of decline. Natalie thinks it's best to move him to an assisted living facility to ensure the care he needs. To pay for it, she plans to close the bookstore and sell the derelict but valuable building on historic Perdita Street, which is in need of constant fixing. There's only one problem—Grandpa Andrew owns the building and refuses to

sell. Natalie adores her grandfather; she'll do whatever it takes to make his final years happy. Besides, she loves the store and its books provide welcome solace for her overwhelming grief. After she moves into the small studio apartment above the shop, Natalie carries out her grandfather's request and hires contractor Peach Gallagher to do the necessary and ongoing repairs. His young daughter, Dorothy, also becomes a regular at the store, and she and Natalie begin reading together while Peach works. To Natalie's surprise, her sorrow begins to dissipate as her life becomes an unexpected journey of new connections, discoveries and revelations, from unearthing artifacts hidden in the bookshop's walls, to discovering the truth about her family, her future, and her own heart.

Who are the young unchurched, and how can they be reached with the good news of Jesus Christ? In a poll result highlighted by CNN Headline News and USA Today, nearly half of nonchurchgoers between the ages of twenty and twenty-nine agreed with the statement, "Christians get on my

nerves." Now, researchers behind the larger study present *Lost and Found*, a blend of dynamic hard data and modern day parable that tells the real story of an unchurched generation that is actually quite spiritual and yet circumspect, open to Jesus but not the church. As such, *Lost and Found* is written to the church, using often-surprising results from the copious research here to strike another nerve and break some long established assumptions about how to effectively engage the lost. Leading missiologist Ed Stetzer and his associates first offer a detailed investigation of the four younger unchurched types. With a better understanding of their unique experiences, they next clarify the importance each type places on community, depth of content, social responsibility, and making cross-generational connections in relation to spiritual matters. Most valuably, *Lost and Found* finds the churches that have learned to reach unchurched young adults by paying close attention to those key markers vetted by the research. Their exciting stories will make it clear how your church can bring searching souls from this culture to authentic faith in Christ. Those who are lost can indeed be found. Come take a closer look.

Blending elements of Laurie Halse Anderson's *Speak* and Gary Paulsen's *Hatchet*, this gripping story from Kathryn Holmes was deemed "a page turner" by author Richard Peck and "an intense story of survival" by ALA Booklist in its starred review. Sophomore Hallie Calhoun has just endured the most excruciating six months of her life. Once the rumors about her and the preacher's son, Luke, made their way around school, her friends abandoned her, and as a result, Hallie has completely withdrawn. Now on a hiking trip in the Smoky Mountains with the same people who have relentlessly taunted her, Hallie is pushed to her limit. Then Hallie, outgoing newcomer Rachel, and Jonah--Hallie's former friend--get separated from the rest of the group. As days go by without rescue, their struggle for survival turns deadly. Stranded in the wilderness, the three have no choice but to trust one another in order to stay alive...and for Hallie, that means opening up about what really happened that night with Luke. She's asked in for lunch, and decides to stay a week. As the story of their visit unfolds, so does the story of Mary--one of the most complex and powerful female figures of our time--and her changing image in culture, art, history, as well as the thousands of recorded sightings that have placed her everywhere from a privet hedge to the dented bumper of a Camaro. As this Everywoman and Mary become friends, their conversations, both profound and intimate, touch upon Mary's significance and enduring relevance. Told with humor and grace, *Our Lady of the Lost and Found* is an absorbing tour through Mary's history and a thoughtful meditation on spirituality, our need for faith, and our desire to believe in something larger than ourselves.

Times bestselling author of *The Book of Lost Names* The ultimate escapist adventure in Paris, told with wit, style, and a touch of intrigue, by the popular and dynamic author of *The Sweeney Sisters*. Joan Blakely had an unconventional childhood: the daughter of a globe-trotting supermodel and a world-famous artist. Her artist father died on 9/11, and Joan—an art historian by training—has spent more than a decade maintaining his legacy. Life in the art world is beginning to wear on her—and then one fateful afternoon her husband drops a bombshell: he's fathered twins with another woman. Furious but secretly pleased to have a reason to blow up her life, Joan impulsively decides to get out of town, booking a last-minute trip to Paris as an art courier: the person museums hire to fly valuable works of art to potential clients, discreetly stowed in their carry-on luggage. Sipping her champagne in business-class, she chats up her seatmate, Nate, a good-looking tech nerd who invites her to dinner in Paris. He doesn't know she's carrying drawings worth hundreds of thousands of dollars. But after a romantic dinner and an even more romantic night together, Joan wakes up next to her new lover to discover the drawings gone. Even more shocking is what's been left in their place: a sketch from her father's journals, which she thought had been lost when he died on 9/11, and a poem that reads like a treasure hunt. With Nate as a sidekick, Joan will follow the clues all over Paris—from its grand cathedrals to the romantic bistros to the twisty side streets of Montmartre—hoping to recover the lost art, and her own sense of adventure. What she finds is even better than she'd expected.
