Alex Rider: Secret Weapon Penguin
Alex Rider is now an IMDb TV/Amazon Original Series! Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time—from #1 New York Times bestselling author! Alex Rider, teen spy, has always been told he is the spitting image of the father he never knew. But when Alex learns that his father may have been an assassin for the most lethal and powerful terrorist organization

in the world, Scorpia, his world shatters. Now Scorpia wants Alex on their side, and Alex no longer has the strength to fight them. That is, until he learns of Scorpia's latest plot: an operation known only as "Invisible Sword" that will result in the death of thousands of people. Can Alex prevent the slaughter, or will Scorpia prove once and for all that the terror will not be stopped? From the author of *Magpie Murders* and *Moriarty*.

A centuries-long peace is shattered in a matriarchal society when a decade passes without a single girl being born in this

sweeping epic fantasy that's perfect for fans of Robin Hobb and Circe. Five hundred years of peace between queendoms shatters when girls inexplicably stop being born. As the Drought of Girls stretches across a generation, it sets off a cascade of political and personal consequences across all five queendoms of the known world, throwing long-standing alliances into disarray as each queendom begins to turn on each other—and new threats to each nation rise from within. Uniting the stories of women from across the queendoms, this propulsive, gripping epic fantasy follows a

warrior queen who must rise from childbirth bed to fight for her life and her throne, a healer in hiding desperate to protect the secret of her daughter's explosive power, a queen whose desperation to retain control leads her to risk using the darkest magic, a near-immortal sorcerer demigod powerful enough to remake the world for her own ends—and the generation of lastborn girls, the ones born just before the Drought, who must bear the hopes and traditions of their nations if the queendoms are to survive.

Fortuna launches a new space opera trilogy that will hook you from the first crash landing. Scorpia Kaiser has always stood in Corvus's shadow until the day her older brother abandons their family to participate in a profitless war. However, becoming the heir to her mother's smuggling operation is not an easy transition for the always rebellious, usually reckless, and occasionally drunk pilot of the Fortuna, an aging cargo ship and the only home Scorpia has ever known. But when a deal turns deadly and Corvus returns from the war, Scorpia's plans to take over the family business are interrupted, and the Kaiser siblings are forced to make a choice: take responsibility for their family's involvement in a devastating massacre or lay low and hope it blows over. Too bad Scorpia was never any good at staying out of a fight. Perfect for fans of Becky Chambers and Catherynne M. Valente, Fortuna introduces a dazzling new voice in science fiction.

The Scorpia Gang Penguin

For the first time ever, the Avon edition of *The Phantom* is back in print! Hermes Press is proud to announce that they will be publishing all fifteen pocket Avon books, starting in August 2016, and every other month thereafter! This exciting installment, Volume 3 offers the classic Lee Falk tale: "The Scorpia Menace!" Famed artist George Wilson (Dr. Solar, Magnus Robot Fighter, *The Phantom*) painted the cover for Volume #3 as he did with all of the covers used for the Avon series, and they are reproduced beautifully to keep all of the details from the original books intact for a new

generation of Phans to enjoy! When her historical research brings her too close to the truth, Diana Palmer finds herself in deadly peril, and The Phantom moves into action to save his sweetheart and rout his ancient enemy. Is it possible that the same notorious pirate band that confronted The Phantom four centuries ago has survived into the present day?

They never give a fair test. We've marketed it, instead of proclaiming it. Geopolitical maneuvering. Is there legitimacy to this? The fact is that the mainstream of humanity will not be affected by this. It is in vain oh people that you seek within yourselves a cure for your miseries. All your insight only leads you to the knowledge that it is not in yourselves that you will discover the true and the good. The philosophers promised them to you and they've not been able to keep their promise. They do not know what your

true good is or what your true state is. How then could they have provided for you a cure for the ills which they have no even understood?"

" Va à Venise. Trouve Scorpio. Tu connaîtras ton destin. " Tels sont les mots qui hantent Alex Rider depuis la fin de sa dernière mission. Mais Scorpio n'est autre que la plus grande organisation criminelle du monde, avec à sa tête la belle et mystérieuse Mme Rothman. Celle-ci semble d'ailleurs très bien connaître le jeune héros. Trop bien, peut-être...

Alex Rider is now an IMDb TV/Amazon Original Series! The world's greatest teen spy is back in action in a thrilling new mission: destroy once and for all the terrorist organization SCORPIA. Americans may have purchased more than 6 million copies of Alex's adventures, but now, more than ever, we all need his heroics. Following the events of *Scorpia Rising*, Alex relocates to San Francisco as he slowly recovers from the tragic death of his best friend and caregiver, Jack Starbright, at the hands of terrorists working for SCORPIA. With Jack gone, Alex feels lost and alone, but then, out of the blue, he receives a cryptic email--just

three words long, but enough to make Alex believe that Jack may be alive. Armed with this shred of hope, Alex boards a flight bound for Egypt and embarks on a dubious quest to track Jack down. Yet SCORPIA knows Alex's weakness. And the question of whether Jack is alive soon takes a backseat to a chilling new terrorist plot--one that will play with Alex's mind as he grasps the magnitude of what is at stake. From Egypt to France to Wales, from luxury yachts to abandoned coal

mines, Alex traverses a minefield of dangers and cryptic clues as he fights to discover the truth.
