Years ago when most Jews lived in fairly close communities and were more observant of religious rituals, couples having a baby found it easy to get information about having a bris if the baby was a boy. Now with many young Jewish couples living far from their parents and home communities and having less knowledge about and observance of Jewish customs, such

information is not as readily available. That is why this book has been written. Its goal is to provide clear, accurate information about all aspects of the modern bris ceremony. The information in this book will help couples 1) make decisions about having a bris, 2) choose a mohel, and 3) understand the medical and religious aspects of this significant family event.

“Brenda Janowitz writes with extraordinary humor and heart.” —JANE GREEN, New York Times bestselling author *Three siblings*. A priceless family ring. One legendary love story. In 1978, Lizzie Morgan and Ritchie Schneider embark on a whirlwind romance on the bright beaches and glamorous yachts of Long Island. Over the years, their

relationship has its share of ups and downs, including a nine-month hiatus that ends with a stunning eleven-carat ring—one that looks just like the diamond Richard Burton gifted Liz Taylor after their own separation. Like the famous couple, despite the drama that would unfold throughout the Schneiders' marriage, the ring would be there as a symbol of their love...until it wasn't. Decades later, when the lost ring unexpectedly resurfaces, the Schneiders' three children gather under one roof for the first time in years, eager to get their hands on this beloved, expensive reminder of their departed parents. But determining the fate of the heirloom is no simple task, unearthing old wounds and heartaches the siblings can't ignore. And when the ring reveals a

secret that challenges everything they thought they knew about their parents' epic love story, they'll have to decide whether to move forward as a family or let the ring break them once and for all. *Don't miss *The Audrey Hepburn Estate*, Brenda Janowitz's next novel. On sale in April 2023 and available now to preorder! Look for these other multigenerational family dramas from author Brenda Janowitz: *The Grace Kelly Dress*

In this pathbreaking book, Matthias B. Lehmann explores Ottoman Sephardic culture in an era of change through a close study of popularized rabbinic texts written in Ladino, the vernacular language of the Ottoman Jews. This vernacular literature, standing at the

crossroads of rabbinic elite and popular cultures and of Hebrew and Ladino discourses, sheds valuable light on the modernization of Sephardic Jewry in the Eastern Mediterranean in the 19th century. By helping to form a Ladino reading public and imparting shape to its values, the authors of this literature negotiated between perpetuating rabbinic tradition and addressing the challenges of modernity. The book offers close readings of works that examine issues such as social inequality, exile and diaspora, gender, secularization, and the clash between scientific and rabbinic knowledge. *Ladino Rabbinic Literature and Ottoman Sephardic Culture* will be welcomed by scholars of Sephardic as well as European Jewish history, culture, and religion.
