The nationwide lockdown in 2020 to curb the spread of Covid-19 left millions of migrant labourers without jobs, food and shelter. Desperate and helpless, most took to the road, embarking on the long, often fatal, journey home. Ritesh, Ashish, Ram Babu, Sonu, Krishna, Sandeep and Mukesh-migrants from Bihar-undertook a similar journey on their bicycles that lasted for seven days and seven nights. Their harrowing trip from Ghaziabad, Uttar Pradesh, to their hometown of Saharsa as they braved police lathis and insults, and battled hunger, exhaustion and fear, was documented by National Award-winning filmmaker Vinod Kapri. 1232 km is a story of the extraordinary courage of seven men in the face of tremendous odds.

Reverse Your Diabetes Cornell University Press

"Intention is a force in the universe, and everything and everyone is connected to this invisible force." Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This beautiful edition of Wayne's international bestseller explores intention—not as something we do—but as an energy we're a part of. We're all intended here through the invisible power of intention—a magnificent field of energy we can access to begin co-creating our lives! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Wayne identifies the attributes of the all-creating universal mind of intention as kind, loving, beautiful, expanding, endlessly abundant, and receptive, emphasizing the importance of emulating this source of creativity. In Part II, he offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Wayne's vision of an individual connected at all times to the universal mind of intention.

Reverse Your Diabetes provides all the information and support you need to take control of type 2 diabetes and, potentially, to reverse it. Based on the latest research and proven results, this clear and effective programme outlines the key steps you need to take to turn around your health: watch what you eat, get more active, monitor your progress and commit to change. Written by diabetes expert Dr David Cavan and in association with diabetes.co.uk, the UK's largest online diabetes community, Reverse Your Diabetes also tackles the myths and misinformation about type 2 diabetes. This is an essential book that will empower you to take control of your diabetes and maximise your health for good.

Voice and Agency Macmillan

Kyokutei Bakin's Nansō Satomi hakkenden is one of the monuments of Japanese literature. This multigenerational samurai saga was one of the most popular and influential books of the nineteenth century and has been adapted many times into film, television, fiction, and comics. An Ill-Considered Jest, the first part of Hakkenden, tells the story of the Satomi clan patriarch Yoshizane and his daughter Princess Fuse. An ill-advised comment forces Yoshizane to betroth his daughter to the family dog, creating a supernatural union that ultimately produces the Eight Dog Warriors. Princess Fuse's heroic and tragic sacrifice, and her strength, intelligence, and self-determination throughout, render her an immortal character within Japanese fiction. Eight Dogs is the culmination of centuries of premodern Japanese tale-telling, combining aspects of historical romance, fantasy, Tokugawa-era popular fiction, and Chinese vernacular stories. Glynn Walley's lively translation conveys the witty and colorful prose of the original, producing a faithful and entertaining edition of this important literary classic.

The Dud Bud Sriшти Publishers & Distributors

With all the catastrophic things that could take place should she bloom, Rosie is certain the only place she wants to be is safely inside her little red bud. But as her floral friends bravely blossom around her in the garden, Rosie must face an uncomfortable truth: the world can indeed be a scary place, but our inner fears are often harder to face. A terrifically tall tale filled with disasters, drama and self-doubt, *The Dud Bud* beautifully illustrates the power of letting go and the magic to be found in embracing the unknown. www.michaelaskilney.com

व्यक्तिगत जीवन का रहस्य V&S Publishers

Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

"Everything Men Know About Women is my go to present for every birthday and anniversary, it's terrific." --Barbara Corcoran, "Shark Tank" star and author of Shark Tales "Fully reveals the shocking truth " --Daily News A landmark book completely revised and updated to reveal everything men really know about the opposite sex. In a little more than 100 pages, Dr. Alan Francis and collaborator Cindy Cashman distill years of research and thousands of interviews to reveal the most comprehensive understanding of men's knowledge and understanding of the opposite sex in Everything Men Know About Women. Fiercely frank and brilliantly insightful, this book spells out everything men know about such topics as: Making friends with women Romancing women Achieving emotional intimacy with women Making commitments to women Satisfying women in bed ***That's right, this book is completely BLANK A great gag gift for your boyfriend or husband, for a birthday or anniversary, or just to give to your girlfriends when you want a laugh **Eight Dogs, or "Hakkenden"** CHAZ ALEXANDER Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing

something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition—how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

CHAZ ALEXANDER

Mansarovar - Part I HarperCollins

In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Yaha jo anivārya Raghuvamṣa Hemkunt Press

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes

dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

The Brahma-vaivarta Purana Phoemixx Classics Ebooks

While the nation was celebrating Independence from British Rule and singing all praises for the 'Father of The Nation' - Mahatma Gandhi, the news of his assassination came as a shock. He was shot in the chest three times while he was walking towards the prayer grounds at the Birla House, New Delhi. The man behind the assassination - Nathuram Godse was a well known nationalist. He was arrested at the crime scene and sentenced to death after a year long trial. The book contains the final speech given by Godse in the court, mentioning the reason behind the drastic step he took.

The Free Voice Bloomsbury Publishing

'This brave and timely book should be required reading for every Indian.'--Nayantara Sahgal In this revised paperback edition of his best-selling book, Ravish Kumar, one of our bravest and most mature public voices, examines why debate and dialogue have given way to hate and intolerance in India, how elected representatives, the media and other institutions are failing us, and looks at ways to repair the damage to our democracy. A new introduction and two additional essays examine developments since the election results of May 2019.

Strategies for Success "An action contemplated shouldn't ever be advertised; But kept a secret like a mantra, and revealed in time."

We all feel stuck at times. There could be many reasons for this—issues at work, unhappy family life, financial troubles or embarrassing social situations. Most of us could use a little advice in these circumstances. Chanakya Neeti provides precisely that guidance to face life's many daunting challenges. Chanakya, the great thinker and teacher, is wellknown for his insights into the needs of both the privileged and the masses. The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. In this volume, Radhakrishnan Pillai offers a modern interpretation of Chanakya's crisp and practical maxims in his characteristic easytofollow and elegant prose. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. Radhakrishnan Pillai is the bestselling author of *Corporate Chanakya*, *Chanakya's 7 Secrets of Leadership*, *Chanakya in You*, *Katha Chanakya* and *Thus Spoke Chanakya*. He has a Master's degree in Sanskrit and has done his PhD in Kautilya's Arthashastra. A renowned management consultant and speaker, he is the Deputy Director of the Chanakya International Institute of Leadership Studies (CIILS) at the University of Mumbai. He tweets using the handle @rchanakyapillai and is also active on other major social media platforms.

Penguin UK

India is a vast country of continental size. Despite increasing

literacy, English continues to be the link language for want of acceptable language within the country. However, Hindi still remains the language of the masses, spoken by more than half the population and understood by nearly three-fourths. Although Hindi is taught in school syllabi, its purpose is purely academic that hardly serves to promote national unity through ease in conversation. Understanding this need in filling this disjointed gap, V&S Publishers has taken the first fledging step by deciding to bring out a conversational Indian Language series, beginning with Telugu-to-Hindi module, in the name of "e;sampurna vyakaran sahit....."e;After years of research and hard work and supported by knowledgeable persons of literary taste, we have come out with this unique volume that is significantly different from all the other language learning courses out there. The major difference: this module format also provides the basics of grammar which are absent from all the other titles in the market. These basics of grammar not only provide knowledge base of the language, but also enable an individual to learn the language while speaking it. #v&sPublishers

Fully reveals the shocking truth! --Daily News * A landmark book completely revised and updated to reveal what men really know about the opposite sex. In a little more than 100 pages, Dr. Alan Francis distills years of research and thousands of interviews to reveal the most comprehensive understanding of men's knowledge and understanding of the opposite sex in Everything Men Know About Women. * Fiercely frank and insightfully funny, Dr. Francis literally spells out everything men know on topics ranging from making friends with women to satisfying women in bed. To quote directly from famed Dr. Francis, men already know, about women and this book will teach them. * That's right, between the pages of this telling tome, readers will find 128 blank pages. Because in reality, what do men really know about women?

Chanakya Neeti CreateSpace

As a story-writer Premchand had become a legend in his own lifetime. The firmament of Premchand's stories is vast. In view of variety of topics, he, as though, had encompassed the entire sky of humane world into his fold. Each of Premchandji's stories unravels many sides of human mind, many streaks of man's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. All this is done with complete artistry. His stories stir the readers' mind even today by means of their variegated layers of thoughts and feelings. They are all the heralds of human glories coming from the pen of a time-tested author. The very intrinsic nature of his stories, their external formats unfold their entire uniqueness and appeal to the reader's mind. Owing to such special features Premchandji's stories arc still relevant today, as much as they were five decades ago. The chief themes of his stories arc rooted to the rural life with city social life appearing as the contrast to illustrate the complete picture of contemporary Indian life. The stories of Munshi Premchand, fighting on behalf of the downtrodden of the society, who arc suffering from the social and economic agonies, are the strongest assets of our Literature.
