CARLA BARTLETT

The Strength You Need Christian Faith Publishing, Inc.
You don't have to understand God to trust him. "Just trust me." Those are the words we often hear in movies just before something bad happens. And yet, we are told to trust God. In a culture where we tend to take control of our own lives, trusting God has become a religious platitude rather than a life-changing attitude. We say it, but do we really mean it? And what does trusting God really look like? Sharon, Mary, and Gwen—the Girlfriends in God ministry team—have been there. They've traveled the tough roads of life to discover the peace and power that comes from grabbing the hand of God and trusting his plan. The life stories they share bring laughter and sometimes tears, but always spiritual growth. Each of the 12-week sections concludes with a Bible study guide and journal page, inviting you to lock arms with Sharon, Mary, and Gwen and share with other women in a small group setting or to use individually in your own quiet time.

The pain is unbearable. I don't know how I will ever get through this. I feel so alone. Maybe you've recently lost a loved one or are going through a divorce or breakup. Perhaps you're a victim of abuse or have been betrayed by a partner, family member or friend. Or, you're struggling with mental health issues, such as anxiety or depression. Whatever your story or life situation, you're not alone. That's where this book comes in. *Reflections* is a book that was born out of pain. During the darkest and most difficult times in my life, I found myself in a similar place to where you may be today. I cried. I prayed. I struggled. Many thoughts raced through my head. I wondered if I had the strength to carry on. Sometimes in the quiet of the night or while walking outside to clear my head, a thought would come to me. So I took these flashes of insight and wrote about them. It was a way to cope with my pain—and now I've turned it into a resource to help you deal with yours. Inside *Reflections*, you'll find important messages,

along with accompanying insight, to help you manage your own struggles. And while I can't promise a magic solution to your troubles, I can offer you this: heartfelt words of encouragement and inspiration from someone who has suffered through adversity and found a way to survive.

Into Thy Word Thomas Nelson Publishers

"For most of my life, I have been thinking I was in control of situations, people, outcomes, and reactions, and that if I just held

on tight enough or forced my way enough, then everything would be okay." Follow Christy Hardin on her spiritual journey in this heart-warming, faith-filled book, as she shares how life's challenges ultimately taught her to submit her control to God in order to grow her faith and her relationship with Him. Blink tells her story of being a teen mom and how she, after a failed relationship with a drug-addicted boyfriend and after having to make a traumatic, life-altering decision, went on to find the true love of her life and create a large, beautiful family. Hardin imparts how being a young, single mother, losing her father, and later accepting the diagnosis of autism for one of her children required releasing control and allowing God to be the center of all of her relationships. Hardin's transparency and vulnerability will not only bring you to tears, but will entice you to have more compassion for those around you and perhaps even investigate your own faith journey.

While researchers around the globe explore the causes of treatments for CFIDS, the men, women and children who suffer with the illness grapple with questions like: -Will I ever be normal again? -Of what value am I now that I can't work or go to school anymore? -How will CFIDS affect my marriage and my family? How will CFIDS affect my ability even to consider marriage or having children? -How do I glorify God in the midst of a debilitating illness and pain? Lynn Vanderzalm and her teenage daughter, Alisa, have battled CFIDS for over seven years. In *Finding Strength in Weakness*,

Vanderzalm shares her family's struggles and questions-along with those of 70 other men, women, and children-while offering direction, encouragement, and hope to the countless families who battle with the 'mystery illness of the nineties.'
