Acts is the
sequel to
Luke's gospel
and tells the
story of
Jesus's
followers
during the 30

years after his
death. It
describes how
the 12
apostles,
formerly
Jesus's
disciples,
spread the
message of
Christianity
throughout
the
Mediterranean
against a
background of
persecution.

With an
introduction
by P.D. James

"In the heart
of this world,
the Lord of
life, who loves
us so much, is
always
present. He
does not
abandon us,
he does not
leave us

alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!" – Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si'*: *On the Care of Our Common Home*, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern

for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for "the ethical and spiritual itinerary that follows." *Laudato Si'* outlines: The current state of our "common home" The Gospel message as

seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching. The mysterious presence of Jesus haunts the whole story of Acts. Jesus is announced as King and Lord, not as an increasingly distant memory but as a living and powerful reality, a person who can be known and loved, obeyed and followed, a person who continues to act within the real world. We call the book "The Acts of the Apostles," but we should think of it as "The Acts of Jesus (II)."

These studies from Tom Wright help us to do so, and to see how Jesus' acts through the apostles inform our acts today. [ESV Study Bible](#) USCCB Publishing The MacArthur Study Bible is perfect for serious study. No other study Bible does such a thorough job of explaining the historical context, unfolding the meaning of the text, and making it practical for your life. **On Modesty** Harperchristia

n Resources For before her doors it stands, and by the example of its own stigma admonishes all others, and calls at the same time to its own aid the brethren's tears, and returns with an even richer merchandise--their compassion, namely--than their communion. And if it reaps not the harvest of peace here, yet it sows the seed of it with the Lord; nor does it lose, but prepares, its fruit. It will

not fail of emolument if it do not fail in duty. Thus, neither is such repentance vain, nor such discipline harsh. Both honour God. The former, by laying no flattering unction to itself, will more readily win success; the latter, by assuming nothing to itself, will more fully aid. ESV Economy Bible B&H Publishing Group

 Answers to the usual introductory questions do not yield sufficient harvest to enable an intelligent reading of Acts. The approach of Reading Acts

is to ask how ancient Mediterranean auditors would have heard Acts when it was read in their presence. To be successful Talbert divides this approach into two parts-how Acts would have been heard in its precanonical context and in its canonical context. *World Medical Association Declaration of Helsinki* Fig Too Heavy a Yoke Wipf and Stock
