BRAXTON COCHRAN

Conditioning for Skating Simon and Schuster

To be the best on the rink, skaters must spend endless hours strengthening and conditioning their bodies off the ice to build strength for the rigors of their performances. Illustrative and technical, yet user-friendly, *Conditioning for Figure Skating* provides detailed coverage of the physical preparation necessary for Preliminary through Senior-Elite skaters while concentrating on all disciplines of figure skating, including singles, pairs, and ice dance. More than 300 photos illustrate proper warm-up drills, flexibility stretches, cooldown routines, strength training exercises, jump and plyometric training programs, and endurance conditioning exercises for on-ice injury prevention. A periodization plan also helps skaters maximize their training potential.

Violated Bold Type Books

Figure skating icon and U.S. National Champion Karen Chen tells the amazing story of her rise to the top, featuring never-before-seen photos and behind-the-scenes details from her journey on and off the ice! At seventeen years old, Karen Chen has already achieved what some girls only dream of—and yet it's only the beginning for this incredibly talented athlete. The daughter of Taiwanese immigrants, Karen began to figure skate at just five years old. Ten years and many grueling training sessions later, she broke out at the 2015 US Championships with a bronze medal. This was after sustaining a nearly career-ending ankle fracture a year earlier. In 2017, Karen became the US National

Champion, winning gold in two programs and receiving the highest score ever recorded for the short program at the US National level. Now for the first time, Karen shares the story of how she got where she is today—and where she's going next. Karen has already overcome astounding obstacles, and her grit, determination, and positive attitude have made her future truly limitless. In *Finding the Edge*, she shares, in her own words, what it's like to be Karen Chen—and what it takes to achieve the impossible. Features a foreword from Kristi Yamaguchi, the Olympic champion, two-time World champion, and U.S. champion.

Profiles in Corruption Bloomsbury Publishing USA

Every 3rd issue is a quarterly cumulation.

A Colossal Wreck Good Press

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of *Utopia* are reminiscent of life in monasteries.

Busted Cumberland House

A gruesome suicide, a likely murder, a tragic plane crash, wrongful imprisonment, and gripping courtroom scenes draw readers into this compelling story giving them a frightening perspective on justice and who should be accountable when evidence is withheld. This is the true story of the strong-arm, illegal, and unethical tactics used by headline-grabbing federal prosecutors in their narcissistic pursuit of power. Its scope reaches from the US Department of Justice to the US Senate to the White House and is a scathing attack on prosecutors, judges, and all

those who turned a blind eye to egregious injustices in the aftermath of the Enron collapse. The ramifications continue today as this corrupt cabal of former prosecutors now populates powerful political positions.

The Last Twelve Verses of Mark
HarperCollins

Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told—and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative, organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests.

Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books.

Government Anti-Corruption Strategies
Vintage

A hard-hitting exposé of SEAL Team 6, the US military's best-known brand, that reveals how the Navy SEALs were formed, then sacrificed, in service of American empire. The Navy SEALs are,

in the eyes of many Americans, the ultimate heroes. When they killed Osama Bin Laden in 2011, it was celebrated as a massive victory. Former SEALs rake in cash as leadership consultants for corporations, and young military-bound men dream of serving in their ranks. But the SEALs have lost their bearings. Investigative journalist Matthew Cole tells the story of the most lauded unit, SEAL Team 6, revealing a troubling pattern of war crimes and the deep moral rot beneath authorized narratives. From their origins in World War II, the SEALs have trained to be specialized killers with short missions. As the wars in Iraq and Afghanistan became the endless War on Terror, their violence spiraled out of control. *Code Over Country* details the high-level decisions that unleashed the SEALs' carnage and the coverups that prevented their crimes from coming to light. It is a necessary and rigorous investigation of the unchecked power of the military—and the harms enacted by and upon soldiers in America's name.

Red Roulette Createspace Independent Publishing Platform

This book examines women's participation in the Olympic Games since they were allowed to be included in that global arena. Using a holistic, social scientific approach, and emphasizing the rhetoric of sport mediatization, *Female Olympians* reviews the literature relative to sexism, racism, and ageism before providing historical, political, economic, and socio-cultural perspectives such as the gendered language of Olympic reportage, religious considerations, women's bodies relative to their training for the Games, drugs and doping, and female Paralympians. With numerous critical case studies, never-before assembled data, and personal interviews

with athletes, this volume offers insights that both investigate and celebrate female Olympians' successes.

Political Corruption in Transition

New York : Simon & Schuster

"THE BOOK CHINA DOESN'T WANT YOU TO READ."--CNN A riveting insider's story of how the Party and big money work in China today, by a man who, with his wife, Whitney Duan, rose to the zenith of power and wealth--and then fell out of favor. She was disappeared four years ago. News of this book led to a phone call from Whitney, proof that she's alive. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This is both Desmond's story and Whitney's, because she has not

been able to tell it herself.

The Games: A Global History of the Olympics Simon and Schuster

In the glamorous, ultra-competitive world of figure skating, Katarina Witt is a living legend. She has won more titles than anyone else before her — including two Olympic gold medals, four world championships, and eight national championships. She is also renowned for independence and self-possession in a world where many stars are in thrall to management companies, and for her ability to stay true to skating while developing new careers in business, movies and television. Witt has always done whatever she's done with all her heart — with passion, intelligence, and a love of perfection. Now, in *Only with Passion*, she offers advice to a new generation of women athletes making their way in the world on how to live full out, compete with edge, and navigate life with grace. When a young skater consults her for advice on whether to train abroad — and leave a boyfriend behind — Witt finds occasion to recall the major turning points of her own journey, from her East German childhood to the international spotlight. She shares her inside perspective and frank opinions on the insular world of skating and offers her views about what it takes to be a champion, and to create a fulfilling life. Whether she's talking about life on or off the ice (or on the cover of *Playboy!*), Witt is always candid, fresh, and down-to-earth. Written with E.M. Swift, author of *My Sergei*, one of the best-selling skating books of all time, *Only with Passion* is the perfect gift for young women, young athletes — particularly skaters — and skating fans of all ages.

The Marketing of Evil Gegensatz Press

This meticulously researched book reveals how much of what Americans

once almost universally abhorred has been packaged, perfumed, gift-wrapped and sold back to them by highly skilled marketers.

Finding the Edge: My Life on the Ice The Second Mark

This book tells a remarkable true story of bureaucratic assassination during the Trump presidency, revealing in vivid detail how career federal employees thwarted President Trump's efforts to drain the swamp. Mark Moyer, a senior political appointee at the US Agency for International Development, discovered evidence of corruption involving five career bureaucrats and reported it to agency officials in 2018. Senior bureaucrats orchestrated a sophisticated retaliatory plot, which began when a Special Operations general fraudulently accused Moyer of divulging classified information, and ended with the termination of Moyer's employment. The bureau that Moyer had been on track to lead, with an annual budget exceeding \$300 million, fell into the hands of one of his bureaucratic assassins. The leading perpetrator of the corruption exposed by Moyer subsequently escaped punishment by transferring to another federal agency. A multi-agency cover-up followed. Moyer sought help from three Offices of the Inspector General—the government's main bulwarks against whistleblower retaliation—but all three conducted flimsy investigations that absolved the bureaucracy. When Senator Charles Grassley demanded that agency officials fill the gaps in the government's story, he was met with lies and evasions. This suspense-filled drama provides an insider's view of the federal bureaucracy's corruption, its weaponization of bureaucratic procedures, and its failures to protect employees from retaliation. In telling his

story, Moyer reveals how future administrations can drain the swamp and draws a roadmap for the restoration of integrity to the United States government.

Culture of Corruption Encounter Books

NEW YORK TIMES BESTSELLER!

Washington insiders operate by a proven credo: When a Peter Schweizer book drops, duck and brace for impact. For over a decade, the work of six-time New York Times bestselling investigative reporter Peter Schweizer has sent shockwaves through the political universe. Clinton Cash revealed the Clintons' international money flow, exposed global corruption, and sparked an FBI investigation. Secret Empires exposed bipartisan corruption and launched congressional investigations. And Throw Them All Out and Extortion prompted passage of the STOCK Act. Indeed, Schweizer's "follow the money" bombshell revelations have been featured on the front pages of the New York Times and the Wall Street Journal, and regularly appear on national news programs, including 60 Minutes. Now Schweizer and his team of seasoned investigators turn their focus to the nation's top progressives—politicians who strive to acquire more government power to achieve their political ends. Can they be trusted with more power? In Profiles in Corruption, Schweizer offers a deep-dive investigation into the private finances, and secrets deals of some of America's top political leaders. And, as usual, he doesn't disappoint, with never-before-reported revelations that uncover corruption and abuse of power—all backed up by a mountain of corporate documents and legal filings from around the globe. Learn about how they are making sweetheart deals, generating

side income, bending the law to their own benefits, using legislation to advance their own interests, and much more. Profiles in Corruption contains tomorrow's headlines.

Five Came Back Rowman & Littlefield Caught Out exposes a staggering catalogue of revelations about the way international cricket is being contaminated by crooked players, ruthless gamblers and bent officials. It brings together appalling scandals involving the biggest names in the sport who have deliberately cheated, often under enormous pressure from gambling gangs who threaten serious physical harm and even abduction if their orders are not carried out. These riveting revelations will shock and disgust all those who play cricket honestly at every level whether it is at school, a local club, county level, or at the top in the international arena. Icons are named and shamed in a series of disclosures that zoom in on match-fixing, spot-fixing, cocaine smuggling, chilling death threats, kidnapping, ferocious betting, and high-class prostitutes paraded as additional rewards for players who cheat for illegal bookmakers. A string of amazing exposes will grip and alarm anyone, whether close to cricket or not; even if only having a modicum of interest in the integrity of those who compete and officiate in sport. Full of revelatory details this book sheds light on the scandals in cricket that seem to capture the headlines whenever there's a key international fixture.

Utopia Springer Science & Business Media

Barack Obama's approval ratings are at an all-time low. A recent Gallup poll found that half of the Americans polled said Obama did not deserve a second term. Weary of the corruption that

gushes from the White House faster than a Gulf Coast oil spill, voters are ready to put a cap on smear campaigns, pay-to-play schemes, recess appointments, and Chicago politics. In the updated paperback edition of her #1 New York Times bestselling book *Culture of Corruption: Obama and His Team of Tax Cheats, Crooks, and Cronies*, Michelle Malkin says, "I told you so," citing a new host of examples of Obama's broken promises and brass knuckled Chicago way.

Library Journal Old Paths Publications Based on two international conferences at Princeton University and the Central European University, this is a handy guide to the problem of corruption in transition countries, with an important comparative content. *Political Corruption in Transition* is distinguished from similar publications by at least two features: by the quality of the carefully selected and edited essays and by its original treatment. Instead of the usual preaching and excommunications, this *Skeptic's Handbook* represents down-to-earth realism. Combines general issues with case studies and original research. The geographic coverage is wide, though it is ideas rather than a geography that drive the volume's organization.

Book Review Index CRC Press

Now a Netflix original documentary series, also written by Mark Harris: the extraordinary wartime experience of five of Hollywood's most important directors, all of whom put their stamp on World War II and were changed by it forever. Here is the remarkable, untold story of how five major Hollywood directors—John Ford, George Stevens, John Huston, William Wyler, and Frank Capra—changed World War II, and how, in turn, the war changed them. In a move unheard of at the time, the U.S.

government farmed out its war propaganda effort to Hollywood, allowing these directors the freedom to film in combat zones as never before. They were on the scene at almost every major moment of America's war, shaping the public's collective consciousness of what we've now come to call the good fight. The product of five years of scrupulous archival research, *Five Came Back* provides a revelatory new understanding of Hollywood's role in the war through the life and work of these five men who chose to go, and who came back. "Five Came Back . . . is one of the great works of film history of the decade." --Slate "A tough-minded, information-packed and irresistibly readable work of movie-minded cultural criticism. Like the best World War II films, it highlights marquee names in a familiar plot to explore some serious issues: the human cost of military service, the hypnotic power of cinema and the tension between artistic integrity and the exigencies of war." --The New York Times

Inside Edge: A Revealing Journey Into the Secret World of Figure Skating Penguin

The Second Mark New York : Simon & Schuster

Code Over Country McGraw-Hill Education

A collection of essays about modern

politics

[Life Stories](#) Springer

Figure skating is the most beautiful and mysterious of all sports. When the skaters are on the ice, every twitch of a muscle and every slip of a skate blade is visible for the world to see. In *Inside Edge*, Christine Brennan chronicles—for the first time—a season on the skating circuit, intimately portraying the lives, on and off the ice, of the sport's current and upcoming stars. Woven into the narrative are stories of figure skating luminaries—including Peggy Fleming, Janet Lynn, Katarina Witt, Brian Boitano, Scott Hamilton, Kristi Yamaguchi, Nancy Kerrigan, Oksana Baiul, Michelle Kwan, Rudy Galindo, and Tara Lipinski. Revealing the backstage conflicts high-profile figure skaters face, and the ambition that drives them, Brennan also tells the stories of their families, of improbable rises to the top, and of wasted talents. If skaters are perfect, they can become international heroes. But if they fall, if they miss a three-revolution jump on a quarter-inch blade of steel, the despair is theirs alone. This is their life on the edge, where decades of training culminate in little more than four crucial minutes on the ice. There is no other sport like it. There is no other story like theirs.
