 Eric, Keith and
 John Wilson,

Alan, and nephew Luke shared a trade - assassination. Working for Ireland's criminal gangs they brought bloodshed and chaos to the streets. The Wilsons were not choosy about their targets. Hitmen is the shocking story of how a family cornered the market in intimidation and vengeance. It details the terrible cost in human suffering, particularly the death of an innocent teenage girl, Mariaora Rostas, when she randomly crossed their path. And it reveals how, one by one, each of the Wilsons was put out of business. The Hitmen draws on exclusive access to wire taps, case

files and interviews with sources close to the gang who have never spoken before. No 1 bestselling authors Stephen Breen and Owen Conlon have written an extraordinary account of a family business like no other. Conservancy presents the best of the West. With 70 rural, suburban, and urban trails threading through 1,050 miles, Rail-Trails West covers 60 trails in California, eight in Arizona, and two in Nevada. Many rail-trails offer escapes from city life, like the Mount Lowe Railway Trail, high above the buzzing Los Angeles basin on a rail line vacationers once took to a mountaintop resort. Others

offer the pure sensory thrill of sweeping terrain, like Arizona's 7-mile Prescott Peavine Trail. Still more juxtapose the natural world with the railroad's industrial past, like Nevada's Historic Railroad Hiking Trail, which passes through five massive tunnels to reach Hoover Dam. Every trip has a detailed map, directions to the trailhead, and information about parking, restroom

facilities, and other amenities. Many of the level rail-trails are suitable for walking, jogging, bicycling, inline skating, wheelchairs, and horses. Since his divorce from his unfaithful ex-wife, Cooper Lawson has focused on

what really matters: his family and the boardwalk pub they've owned for generations. But the first time Jessica steps into his bar, Cooper is beyond tempted to risk his heart on her.  Laguna is an Choke, where She has to

find ways to survive so much neglect. She must hang on to friendship when it comes, she must hide when she has to, and ultimately she must fight back. The Choke is a brilliant, haunting novel about a child navigating an often dark and uncaring world of male power and violence, in which grown-ups can't be trusted and comfort can only be found in nature. This compassionat

e and claustrophobic vision of a child in danger and a society in trouble celebrates above all the indomitable nature of the human spirit. Sofie Laguna, winner of the 2015 Miles Franklin Literary Award for The Eye of the Sheep, once again shows she is a writer of rare empathy, originality and blazing talent. **Lloyd's Register of Shipping 1893 Steamers** Wilderness Press

A woman used to taking charge is about to meet a man who'll make her lose control in this novel from the New York Times bestselling author of On Dublin Street. It has always been up to Johanna to care for her family, particularly her younger brother, Cole. With an absent father and a useless mother, she's been making decisions based on what's best for Cole for as long as she can

remember. She even determines what men to date by how much they can provide for her brother and her, not on whatever sparks may—or may not—fly. But with Cameron MacCabe, the attraction is undeniable. The sexy new bartender at work gives her butterflies every time she looks at him. And for once, Jo is tempted to put her needs first. Cam is just as obsessed with getting to know Jo, but

her walls are too solid to let him get close enough to even try. Then Cam moves into the flat below Jo's, and their blistering connection becomes impossible to ignore. Especially since Cam is determined to uncover all of Jo's secrets...even if it means taking apart her defenses piece by piece.
