LETICIA SIENA

Vogue on: Coco Chanel Simon and Schuster

In *Chanel: An Intimate Life*, acclaimed biographer Lisa Chaney tells the controversial story of the fashion icon who starred in her tumultuous era. Coco Chanel was many things to many people. Raised in emotional and financial poverty, she became one of the defining figures of the twentieth century. She was mistress to aristocrats, artists and spies. She broke rules of style and decorum, seducing both men and women, yet in her work expected the highest standards. She took a 'plaything' and turned it into a global industry which defined the modern woman. Filled with new insights and thrilling discoveries, Lisa Chaney's *Chanel* provides the most defining and provocative portrait yet. 'Chaney's research is laudable, uncovering fresh details of Chanel's well-trodden rag trade to riches story' *Evening Standard* 'An unflinching examination of the historically inscrutable designer' *Vogue* Lisa Chaney has lectured and tutored in the history of art and literature, made TV and radio broadcasts on the history of culture, and reviewed and written for journals and newspapers, including *The Sunday Times*, *The Spectator* and *The Guardian*. She is the author of two previous biographies: *Elizabeth David* and *Hide-and-Seek With Angels: The Life of J.M. Barrie*.

A Picture Book of Amelia Earhart Simon and Schuster

Inspiring story of a 15th-century farm girl who answered a divine call to drive the English from France. The miraculous story of the Maid of Orleans unfolds from her early childhood and the touching story of the "Voices," to the battles she led and the splendid march to Rheims.

Hello, Little One: A Monarch Butterfly Story Shambhala Publications

A USA Today and Globe and Mail bestseller! A novel of survival, love, loss, triumph—and the sisters who changed fashion forever. Antoinette and Gabrielle “Coco” Chanel know they’re destined for something better. Abandoned by their family at a young age, they’ve grown up under the guidance of nuns preparing them for simple lives as the wives of tradesmen or shopkeepers. At night, their secret stash of romantic novels and magazine cutouts beneath the floorboards are all they have to keep their dreams of the future alive. The walls of the convent can’t shield them forever, and when they’re finally of age, the Chanel sisters set out together with a fierce determination to prove themselves worthy to a society that has never accepted them. Their journey propels them out of poverty and to the stylish cafés of Moulins, the dazzling performance halls of Vichy—and to a small hat shop on the rue Cambon in Paris, where a boutique business takes hold and expands to the glamorous French resort towns. But the sisters’ lives are again thrown into turmoil when World War I breaks out, forcing them to make irrevocable choices, and they’ll have to gather the courage to fashion their own places in the world, even if apart from each other. “The Chanel Sisters explores with care the timeless need for belonging, purpose, and love, and the heart’s relentless pursuit of these despite daunting odds. Beautifully told to the last page.” —Susan Meissner, bestselling author of *The Last Year of the War*

Disney Classic Stories: Coco All Around the World

This book focuses on Molly Pitcher who took part in the Battle of Monmouth and attended to the Revolutionary soldiers and artillerymen by giving them water during heavy fire from the British troops. She then took her husband’s place at the cannon after he was wounded and carried him off the battlefield. Her generosity, courage and strength was insurmountable and inspired her fellow citizens. This book contains original artwork, historical context of the story, recounts the folktales from diverse cultures and defines words unique to her story.

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original

scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death. NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. *The Beautiful Ones* is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world.

Coco Counts White Owl

Highlights the geography, government, cities, currency, people, customs, and culture that make France unique in an increasingly globalized world.

I Had a Favorite Hat Beaming Books

"In *Clothing Then and Now*, leveled text and vibrant, full-color photographs take readers through the cultural and technological advances that affected clothing through time. An infographic highlights a period of fashion and an activity encourages deeper inquiry. *Clothing Then and Now* also features reading tips for teachers and parents, a table of contents, a glossary, and an index"--

Alexis and the Missing Ingredient Cameron

Create your very own cute and crafty party cakes--cake decorating designs from Lyndsay Sung, creator of *Coco Cake Land*. Make the cutest cakes in town with *Coco Cake Land*! With a colorful, vintage-meets-modern aesthetic that is inspired by kawaii cute, the thirty cake decorating projects in this book offer a fun and playful approach to making cakes that even novice decorators will be able to approach. The cakes in *Coco Cake Land* fall into two styles: the super cute and the pretty. You'll find blue bears, pink cats, pandas, and foxes, along with buttercream rosettes, drippy ganache, and rainbow layers. With base recipes for cakes and frostings, tutorials on decorative piping and creating fondant features, as well as instructions for crafty finishes like washi tape flags and paper toppers, this book has everything you need to create colorful, cute, and completely unique cakes.

Edgy Fashion G Editions LLC

Jacques Cartier wondered about the world. Was it flat or round? How large was it? Was there a Northwest Passage--a way to travel from Europe to Asia without having to sail around Africa? Cartier was a French navigator who had been familiar with the sea from a young age, and he wanted to learn the answers to these questions. In 1534, he was given a commission by King Francis I to find

the Northwest Passage from Europe to Asia. Instead, he discovered a new land—Canada and the mighty river that flows through it, the St. Lawrence. Although it has been over four hundred years since Cartier made his discoveries, Canada, and its people, continue to feel the influence of this great explorer.

The Queen of Paris National Geographic Books

2019 Green Earth Book Awards - Long List The art and writing of Gwen Frostic are well known in her home state of Michigan and around the world, but this picture book biography tells the story behind Gwen's famous work. After a debilitating illness as a child, Gwen sought solace in art and nature. She learned to be persistent and independent—never taking no for an answer or letting her disabilities define her. After creating artwork for famous Detroiters and for display at the World's Fair and helping to build WWII bombers, Gwen moved her printmaking business to northern Michigan. She dedicated her work and her life to reminding people of the wonder and beauty in nature.

Nature's Friend Quadrille Publishing Ltd

Sweet and hip at the same time, this board book featuring Sloane Tanen's adorable chick, Coco, is just the thing to introduce numbers to the very youngest children. Playful rhymes and bright imaginative photographs showcase 1 through 10, reinforcing early concepts in a fun and engaging way for toddlers and providing plenty of laughs for parents, too.

Jacques Cartier Abrams

From NBC's TODAY coanchor Savannah Guthrie and educator Allison Oppenheim comes an empowering fairy tale with a twist. In the tradition of Not All Princesses Dress in Pink and Princess in Black, *Princesses Wear Pants* follows the unflappable Princess Penelope Pineapple, who knows how to get the job done while staying true to herself. Princess Penelope lives in a beautiful palace with a closet full of beautiful dresses. But being a princess is much, much more than beauty. In fact, every morning Princess Penelope runs right past her frilly dresses to choose from her beloved collection of pants! What she wears each day depends on which job she has to do. Will she command the royal air force sporting her sequined flight suit? Will she find her zen in her yoga pants and favorite tee? Or, will she work in the kingdom's vegetable garden with pocketed overalls for all of her tools? Unfortunately for Princess Penelope, not everyone in the Pineapple Kingdom thinks pants are always appropriate princess attire. When the grand Lady Busyboots demands that Princess Penelope must wear a gown to the annual Pineapple Ball, the young royal finds a clever way to express herself. Penelope's courage (and style choices) result in her saving the day! In their debut children's picture book, Savannah Guthrie and Allison Oppenheim team up for a savvy and imaginative story that celebrates fashion and girl power. Perfect for fans of Nickelodeon's Nella the Princess Knight, *Princesses Wear Pants* challenges gender stereotypes in the name of individuality, showing girls it's not how they look but what they do that matters.

Coco at the Ritz HarperCollins

A biography of the French fashion icon that unveils the private life behind the public image. Coco Chanel lived her own life as a romantic heroine. Fueled by nineteenth-century literature, she built an image for herself which was partly myth and partly factual. She was the fashion designer everyone admired, the businesswoman whose fortune was impossible to track. She was also a performer, a lover of many high-profile intellectuals, and, as believed by many, a Nazi spy. This biography explores her life from her troubled and poverty-stricken past to the opening of her first hat shop to the creation of her iconic Little Black Dress and Chanel No. 5 perfume. It explores her passions and secrets; the drama behind the scenes of her empire; and the real woman behind the brand name and pop culture image.

Coco Cake Land One World

Lulu takes her doll Pip on a camping trip, where they make friends with an old donkey, build a tent, eat dessert over a campfire, and fall asleep underneath the stars.

Princesses Wear Pants Genius

"I have the right to be bold, and mighty, and LOUD!" In a world where little girls must learn to stand tall, A Girl's Bill of Rights boldly declares the rights of every woman and girl: power, confidence, freedom, and consent. Author Amy B. Mucha and illustrator Addy Rivera Sonda present a diverse cast of characters standing up for themselves and proudly celebrating the joy and power of being a girl.

The Beautiful Ones Dover Publications

Caterpillar crawls from leaf to leaf, eating and waiting, all alone in a big, green world. Then Orange appears—Orange floats, and flits, and flies, graceful and beautiful. In this sweet, moving story of intergenerational friendship, a small caterpillar is befriended by a glorious monarch butterfly, and together they learn to see the world through each other's eyes.

Gospel According to Coco Chanel Mitchell Lane

In this book, readers will learn about the unique and defining features of Haiti. Vibrant, full-color photos and carefully leveled text will engage young readers as they learn more about the key details

of the country including geography, climate, culture, and resources. Compelling questions encourage further inquiry.

Lulu & Pip little bee books

A riveting and prismatic novel of the eternally enigmatic Coco Chanel in the aftermath of World War II. Though her name is synonymous with elegance and chic, the iconic Coco Chanel had a complicated dark side, and in late August 1944, as World War II drew to a close, she was arrested and interrogated on charges of treason to France. Many of the facts are lost to history, partly through Chanel's own obfuscation, but this much is known: the charges grew out of her war-time romance with a German spy, and one morning two soldiers from the French Forces of the Interior—the loose band of Resistance fighters, soldiers and private citizens who took up arms in the wake of the Liberation of Paris—led Chanel from her suite at the Ritz Hotel in Paris to an undisclosed location for questioning. What transpired during her interrogation, who was present, and why she was set free when so many other women who'd been involved with German men (willingly or otherwise) had their heads shaved or were imprisoned, remains a mystery. In this brilliantly insightful and compulsively readable novel from the author of *I am Madame X*, Gioia Diliberto explores the motivations of this complex woman and portrays the gripping battle of wits that could have been her interrogation. Was Chanel truly a collaborator? Though the Occupation of France offered a stark contrast between good and evil, few people are wholly heroes or villains in wartime. Most citizens, as the writer André Gide noted, were like old shoes floating in murky waters: battered and torn, riding the turbulent flow, just trying to survive. By turns raw and vulnerable, steely and flawed, Chanel emerges from these pages as a woman who owns her decisions, no matter the consequences. Rich with history and filled with emotional truths, *Coco at the Ritz* is a story about the choices one woman made when the stakes were the highest. In today's world, it is a cautionary tale about the necessity of standing against evil when it stares you in the face.

The Story of Joan of Arc Lerner Publications

Hailed as 'the most influential female designer of the twentieth century', Coco Chanel pioneered classic easy-to-wear fashion for the modern woman. She arrived on the fashion scene when feathers, lace and ostentatious beads were favourites, and proceeded to re-invent couture using new materials, like jersey, for outfits that were suitable for everyday wear yet still elegant. With original illustrations and images from celebrated photographers, such as Cecil Beaton, Bronwyn Cosgrave traces the story of Coco Chanel's iconic designs and glamorous, racy life. In 1921 Coco opened her Chanel boutique in Paris - still a destination store today - and launched her first perfume, Chanel No.5. Perhaps her most important contribution to the fashion world was the simple, much-imitated 'little black dress' which made its debut in 1926. Other landmark creations include the Chanel suit and the quilted handbag. A testament to her lasting influence, these legendary designs remain as popular today as when they first appeared. Vogue, the international fashion bible, has charted the careers of designers through the decades. Its unique archive of photographs, taken by the leading photographers of the day from Cecil Beaton to Mario Testino, and original illustrations, together with its stable of highly respected fashion writers, make Vogue the most authoritative and prestigious source of reference on fashion. With a circulation of over 160,000 and a readership of over 1,400,000, no brand is better positioned to present a library on the great fashion designers of the modern age.

Along Came Coco Penguin UK

Filled with fresh new research and never-before-seen photos, this updated edition of the definitive biography of Coco Chanel deepens our understanding of the history and legacy of the incredible woman who shaped modern fashion and created an empire of haute couture. Coco Chanel was an extraordinary inventor, conjuring up the little black dress, bobbed hair, trousers for women, contemporary chic, bestselling perfumes, and the most successful fashion brand of all time. But she also invented herself, fashioning the myth of her own life with the same dexterity as her couture; and what lies beneath her own glossy surface is darker, more mysterious, and far more intriguing. Uncovering remarkable new details about Gabrielle Chanel's humble early years, Justine Picardie picks up the legend Chanel where it began—in orphanhood and poverty. Throwing new light on her passionate and, at times, dark relationships and providing profound insights into her connections with Cocteau, Diaghilev, Picasso, and Dali, this beautifully constructed portrait gives a fresh and penetrating look at what made Coco Chanel the strong-spirited and powerful presence she became. An authoritative account, based on personal observations and interviews with Chanel's last surviving friends, employees, and relatives, the book also unravels her coded language and symbols and tracks the influence of her formative years on her legendary style. Feared and revered by the rest of the fashion industry, Coco Chanel died in 1971 at the age of 87, but her legacy lives on. This special new edition has been extensively revised and updated and offers a uniquely authoritative account of the world's greatest designer. Adding fresh new insights and discoveries, it comes complete with a compelling array of previously unseen images from the Chanel archives.
