Mercure de France

*Sonate, pour clarinette, flûte, et piano* Alfred Music Publishing

"This reference classic has approximately doubled in size since its last publication 20 years ago, and the expansion involves more than the thorough revision and addition of articles about music of the past. More articles about 20th-century composers and composer-performers have been added, as well as topical articles about the gender-related, multicultural, and interdisciplinary ways that music is now being studied. Add to these changes that New Grove is also available online, making it a source that would have made its many-faceted creator Sir George Grove proud"--  
 Outstanding reference sources, American Libraries, May 2002.

"The Premier Oboist of Europe": A Portrait of Gustave Vogt describes the life and achievements of the most prolific composer of oboe music in the nineteenth century. This book attempts to stimulate appreciation of Gustave Vogt (1781-1870) as musician and historical personality. It brings together portraiture, personal correspondence, concert reviews, autographs, and countless other documents including Vogt's Conservatoire exam reports, a detailed work list of Vogt's compositions, and the first complete transcription and translation of his unpublished oboe method. Despite his exceptional career and the seminal position in the history of the oboe, Vogt's long and active career have been largely passed over. He is remembered primarily for being the teacher of oboists who took up posts in France and England. In truth, however, during his long life Vogt witnessed huge transformations, affecting not only musical fashion but the social fabric of the world about him. After being trained at the Paris Conservatoire, he earned considerable repute from his appearances in concert hall and salon. Like most artists of his day, Vogt performed his own compositions but was also praised for his skill as a chamber musician, most notably in the wind quintet that premiered the works of Anton Reicha. As well as reawakening appreciation of a musician, known in his day as Europe's greatest oboist, this book posits an alternative viewpoint by writing history from the perspective of a musician caught up in the flow of his times--an extraordinary personality who was representative of the place and time in which he lived, rather than an exception to them.

*Le Guide Musical* Alfred Music Publishing

The charming recorder repertoire in the Suzuki Recorder School has been carefully selected by Katherine White, in accordance with the principles and guidelines of Dr. Suzuki's philosophy.

**Mercure de France au dix-neuvième siècle** Alfred Music Publishing

Attention, ce livre court n'est pas une méthode pour apprendre à jouer de la flûte traversière mais des méthodes pour apprendre à travailler la flûte traversière ! (que vous travailliez tout seul ou que vous preniez des cours). C'est un livre complémentaire aux méthodes d'apprentissage de la flûte traversière, et qui présente des techniques qui permettent de progresser plus vite. Toutes les méthodes d'apprentissage de la flûte traversière sont globalement pertinentes et il n'y a pas vraiment de mauvais choix. Le problème ne vient donc pas de la méthode d'apprentissage. Le problème est qu'on ne vous a jamais expliqué COMMENT il faut travailler, car ces techniques sont connues essentiellement par les musiciens de musique classique qui ont suivi le conservatoire régional ou national de musique. Or, ces méthodes sont rarement partagées avec des musiciens qui ne côtoient pas les conservatoires. Ce livre, dans lequel vous ne trouverez pas de partition sur lesquelles vous entraîner, vous vous entraînerez sur les vôtres, a pour objectif de vous montrer comment travailler vos morceaux, avec quelles techniques, pour être efficace et progresser au plus vite. Dans ce livre, vous trouverez : Conseils et motivation pour jouer de la flûte traversière. Dissociez travailler et jouer de la flûte traversière. Loi du moindre effort. Le choix des partitions. Combien de fois jouer de la flûte traversière par semaine et pour quelle durée ? Échauffez-vous et travaillez la sonorité de la flûte traversière. Variez de style musical Faut-il maîtriser le solfège pour apprendre à jouer de la flûte traversière ? Techniques de travail des morceaux à la flûte traversière. Écoutez et imitez les grands flûtistes Décalez le début du morceau à chaque séance Les altérations accidentelles ratées Gribouillage Comment aborder une difficulté dans un morceau Éviter la dégradation d'un morceau dans le temps Le travail des nuances. Dopez votre progression : lancez-vous de nouveaux défis Apprendre par cœur, comment? Préparation à jouer de la flûte traversière en public, ou passer des concours. La technique du marathon Technique des zones d'inconfort. Le travail de virtuosité à la flûte traversière. La virtuosité, c'est la maîtrise. Le travail de maîtrise et de stabilité au métronome. Le travail de maîtrise et de stabilité par le travail des liaisons. Travail d'apprentissage de passages où les notes sont très rapides. Technique de grignotage par l'arrière : pour l'ultra

difficile. Travail de régularité dans les traits difficiles. Travail d'un passage difficile : la répétition x3 x5 x8. Apprendre un passage difficile et long, mais aux rythmes très variés grâce au métronome Déroulement d'une séance de travail. Récapitulatif des techniques. Fiches de travail

*Mercure de France* Boston Music Company

The complete instruction tutor for the flute. Takes you through the basic techniques and allows you to progress to an advanced stage of playing.
