*Devices and Desires*  
Vintage  
When the quiet Little  
Vestry of St. Matthew's  
Church becomes the  
blood-soaked scene of  
a double murder,  
Scotland Yard  
Commander Adam  
Dalgliesh faces an

intriguing conundrum:  
How did an upper-crust  
Minister come to lie,  
slit throat to slit throat,  
next to a neighborhood  
derelict of the lowest  
order? Challenged with  
the investigation of a  
crime that appears to  
have endless motives,  
Dalgliesh explores the  
sinister web spun  
around a half-burnt  
diary and a violet-eyed  
widow who is pregnant  
and full of malice--all

the while hoping to fill the gap of logic that joined these two disparate men in bright red death. . . .

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application.

The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

A Certain Justice Simon and Schuster

Commander Dalgliesh is recuperating from a life-threatening illness when he receives a call for advice from an elderly friend who works as a chaplain in a home for the disabled on the Dorset coast. Dalgliesh arrives to discover that Father Baddeley has recently and mysteriously died, as has one of the patients at Toynton Grange. Evidently the home is not quite the caring community it

purports to be. Dalgliesh is determined to discover the truth of his friend's death, but further fatalities follow and his own life is in danger as he unmasks the evil at the heart of Toynton Grange.

**Cover Her Face** Alfred A. Knopf Canada  
Downtrodden detective Erlendur and his team must once again look into Reykjaviks hidden past to unravel a case of human nastiness. Alive with tension and atmosphere, and disturbingly real, this is an outstanding continuation of the Reykjavik Murder Mysteries.

**I Am the Cheese** Penguin  
On the day she turned seventy-seven, internationally acclaimed mystery writer P. D. James embarked on an

endeavor unlike any other in her distinguished career: she decided to write a personal memoir in the form of a diary. Over the course of a year she set down not only the events and impressions of her extraordinarily active life, but also the memories, joys, discoveries, and crises of a lifetime. This enchantingly original volume is the result. *Time to Be in Earnest* offers an intimate portrait of one of most accomplished women of our time. Here are vivid, revealing accounts of her school days in Cambridge in the 1920s and '30s, her happy marriage and the tragedy of her husband's mental illness, and the thrill of publishing her first novel, *Cover Her Face*,

in 1962. As she recounts the decades of her exceptional life, James holds forth with wit and candor on such diverse subjects as the evolution of the detective novel, her deep love of the English countryside, her views of author tours and television adaptations, and her life-long obsession with Jane Austen. Wise and frank, engaging and graceful, this "fragment of autobiography" will delight and surprise P. D. James's admirers the world over. Seal Books

Hailed as "mystery at its best" by The New York Times, *Shroud for a Nightingale* is the fourth book in bestselling author P.D. James's Adam Dalgliesh mystery series. The young

women of Nightingale House are there to learn to nurse and comfort the suffering. But when one of the students plays patient in a demonstration of nursing skills, she is horribly, brutally killed. Another student dies equally mysteriously, and it is up to Adam Dalgliesh of Scotland Yard to unmask a killer who has decided to prescribe murder as the cure for all ills.

*Time to be in Earnest*  
Simon and Schuster

The second book to feature Scotland Yard investigator Adam Dalgliesh, *A Mind To Murder* is a "superbly satisfying mystery" (Chicago Daily News) from bestselling author P.D. James. On the surface, the Steen Psychiatric Clinic is one of the most reputable institutions in London.

But when the administrative head is found dead with a chisel in her heart, that distinguished facade begins to crumble as the truth emerges. Superintendent Adam Dalgliesh of Scotland Yard is called in to investigate and quickly finds himself caught in a whirlwind of psychiatry, drugs, and deceit. Now he must analyze the deep-seated anxieties and thwarted desires of patients and staff alike to determine which of their unresolved conflicts has resulted in murder and stop a cunning killer before the next blow.

*The Lighthouse* Vintage  
From P.D. James, one of the masters of British crime fiction comes the second novel to feature the famous female

detective Cordelia Gray of the Pryde Detective Agency. Set on the sinister Courcy Island, *An Unsuitable Job for a Woman* is a thrilling murder mystery. Clarissa Lisle hopes to make a spectacular comeback in a production of *The Duchess of Malfi*, to be played in Ambrose Gorringer's sinister castle at Courcy Island. Cordelia is there to ensure her safety following the appearance of a number of poison-pen letters. But it soon becomes clear that all are in danger. Trapped within the walls of the Gothic castle, the treacherous past of the island re-emerges, and everyone seems to have a motive for sending Clarissa 'down, down to hell'. Marking the return of the

private detective Cordelia Gray, *The Skull beneath the Skin* is the sequel to *An Unsuitable Job for a Woman*. P.D. James is Britain's pre-eminent crime writer and the author of many bestselling titles including *Death Comes To Pemberley*, *Children of Men* and *Death in Holy Orders*.

The Lighthouse

Macmillan

Adopted as a child into a privileged family, Philippa Palfrey fantasizes that she is the daughter of an aristocrat and a parlor maid. The terrifying truth about her parents and a long-ago murder is only the first in a series of shocking betrayals. Philippa quickly learns that those who delve into the secrets of the past must be on guard

when long-buried horrors begin to stir. "As a crime novel," wrote the *London Times*, *Innocent Blood* is "the peak of the art." "Flawlessly crafted...profoundly, masterfully moving," *Cosmopolitan* concurred.

Unnatural Causes

Ballantine Books

The setting itself is elemental P. D. James: the bleak coast of East Anglia, where atop a sweep of low cliffs stands the small theological college of St. Anselm's. On the shore not far away, smothered beneath a fall of sand, lies the body of one of the school's young ordinands. He is the son of Sir Alred Treves, a hugely successful and flamboyant businessman who is accustomed to getting

what he wants—and in this case what he wants is Commander Adam Dalgliesh to investigate his son's death. Although there seems to be little to investigate, Dalgliesh agrees, largely out of nostalgia for several happy summers he spent at St. Anselm's as a boy. No sooner does he arrive, however, than the college is torn apart by a sacrilegious and horrifying murder, and Dalgliesh finds himself ineluctably drawn into the labyrinth of an intricate and violent mystery. Here P. D. James once more demonstrates her unrivalled skill in building a classic detective story into a fully realized novel, gripping as much for its psychological and emotional richness as

for the originality and complexity of its plotting—and, of course, for the horror and suspense at its heart. Filled with unforgettable characters, brilliant in its evocation of the East Anglian scene and the religious background against which the action takes place, *Death in Holy Orders* again offers proof, if proof were needed, that P. D. James is not only the reigning master of the crime novel but also, simply, one of the finest novelists writing today.

**The Black Cat** Soho Press

Dr. Lorrimer appeared to be the picture of a bloodless, coldly efficient scientist. Only when his brutally slain body is discovered and his secret past

dissected does the image begin to change. Once again, Chief Inspector Adam Dalgliesh learns that there is more to human beings than meets the eye -- and more to solving a murder than the obvious clues.

An Unsuitable Job for a Woman Vintage Canada

The year is 2021. No child has been born for twenty-five years. The human race faces extinction. Under the despotic rule of Xan Lyppiat, the Warden of England, the old are despairing and the young cruel. Theo Faren, a cousin of the Warden, lives a solitary life in this ominous atmosphere. That is, until a chance encounter with a young woman leads him into contact with a group of dissenters.

Suddenly his life is changed irrevocably as he faces agonising choices which could affect the future of mankind. NOW A MAJOR MOTION PICTURE

The Children of Men  
Ballantine Books

Before there was Lois Lowry's *The Giver* or M. T. Anderson's *Feed*, there was Robert Cormier's *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy's search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion.

“An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do.”—The New York Times Book Review “A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific.”—School Library Journal, starred review An ALA Notable Children’s Book A School Library Journal Best Book of the Year A Horn Book Fanfare A Library of Congress Children’s Book of the

Year A Colorado Blue Spruce Young Adult Book Award Nominee Devices & Desires Simon and Schuster Adam Dalgliesh in pursuit of the murderer of a celebrated and widely detested criminal lawyer. Death in Holy Orders Simon and Schuster Devices and DesiresVintage The Hacked World Order Vintage The third installment in the classic Adam Dalgliesh mystery series, Unnatural Causes is another must-read page-turner from bestselling author P.D. James, “the reigning mistress of murder” (Time). Maurice Seton was a famous mystery writer—but no murder he ever invented was more grisly than his own death. When his

corpse is found in a drifting dinghy with both hands chopped off at the wrists, ripples of horror spread among his bizarre circle of friends. Now it's up to brilliant Scotland Yard inspector, Adam Dalgliesh, and his extraordinary aunt to uncover the shocking truth behind the writer's death sentence, before the plot takes another murderous turn. Unnatural Causes inspired Cosmopolitan to fervently hope, "if we're lucky, there will always be an England and there will always be a P.D. James."

**Innocent House** A.A. Knopf Canada  
NATIONAL BESTSELLER

• A secure and secluded retreat for the rich and powerful becomes the setting for an unsettling series

of murders • Part of the bestselling mystery series that inspired Dalgliesh on Acorn TV Combe Island off the Cornish coast is a restful haven for the elite. But when one of its distinguished visitors is found hanging from the island's famous lighthouse in what appears to have been a murder, the peace is shattered. Commander Adam Dalgliesh is called in to handle the sensitive case, but at a difficult time for him and his depleted team. He is uncertain about his future with his girlfriend Emma Lavenham; his principle detective Kate Miskin is going through an emotional crisis; and the ambitious Sergeant Francis Benton-Smith is not happy about

having a female boss. After a second brutal killing, the whole investigation is jeopardized, and Dalgliesh is faced with a danger even more insidious than murder.

**Death of an Expert Witness** Macmillan

Dr Siri Paiboun, reluctant national coroner of the People's Democratic Republic of Laos, is summoned to a remote location in the mountains of Huaphan Province, where for years the leaders of the current government had hidden out in caves, waiting to assume power. Now, as a major celebration of the new regime is scheduled to take place, an arm is found protruding from the concrete walk that had been laid from the President's former cave hideout to his

new house beneath the cliffs. Dr Siri is ordered to supervise the disinterment of the body attached to the arm, identify the corpse, and discover how he died.

*Original Sin* Vintage

In this updated edition of *The Hacked World Order*, cybersecurity expert Adam Segal offers unmatched insight into the new, opaque global conflict that is transforming geopolitics. For more than three hundred years, the world wrestled with conflicts between nation-states, which wielded military force, financial pressure, and diplomatic persuasion to create "world order." But in 2012, the involvement of the US and Israeli governments in Operation "Olympic

Games," a mission aimed at disrupting the Iranian nuclear program through cyberattacks, was revealed; Russia and China conducted massive cyber-espionage operations; and the world split over the governance of the Internet. Cyberspace became a battlefield. Cyber warfare demands that the rules of engagement be completely reworked and all the old niceties of diplomacy be recast. Many of the critical resources of statecraft

are now in the hands of the private sector, giant technology companies in particular. In this new world order, Segal reveals, power has been well and truly hacked.
