Will Henryis
an assistant to a doctor
with a most unusual

speciality: monster
hunting! In the short
time he has lived with
the doctor, Will has
grown used to late
night callers and
dangerous business.
But when one visitor
comes with the body of
a young girl and the
monster that was
feeding on her, Will's
world changes forever.

The doctor has discovered a baby Anthropophagi- a headless monster that feeds through the mouthfuls of teeth in its chest - and it signals a growing number of Anthropophagi. Now, Will and the doctor must face the horror threatening to consume our world and find the rest of the monsters before it is too late...

Rich and diverse narratives of Indigenous Toronto, past and present Beneath many major North American cities rests a deep foundation of Indigenous history that has been colonized, paved over, and, too often, silenced. Few of

its current inhabitants know that Toronto has seen twelve thousand years of uninterrupted Indigenous presence and nationhood in this region, along with a vibrant culture and history that thrives to this day. With contributions by Indigenous Elders, scholars, journalists, artists, and historians, this unique anthology explores the poles of cultural continuity and settler colonialism that have come to define Toronto as a significant cultural hub and intersection that was also known as a Meeting Place long before European settlers arrived. "This book is a reflection of endurance and a helpful corrective to settler fantasies. It tells a more balanced account of our

communities, then and now. It offers the space for us to reclaim our ancestors' language and legacy, rewriting ourselves back into a landscape from which non Indigenous historians have worked hard to erase us. But we are there in the skyline and throughout the GTA, along the coast and in all directions." -- from the introduction by Hayden King

If You Ever Meet A Weasel Simon and Schuster

A notable contribution to our understanding of ourselves. This book explores the realm of human behavior in social situations and the way that we appear to others. Dr. Goffman uses the metaphor of theatrical performance as a framework. Each

person in everyday social intercourse presents himself and his activity to others, attempts to guide and control the impressions they form of him, and employs certain techniques in order to sustain his performance, just as an actor presents a character to an audience. The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions.

Modern Native Feasts
McGill-Queen's Press - MQUP

In the 1800s, the lives of persons in the entertaining industry, specifically theater, were often as dramatic as the characters' lives in some plays by Samuel Beckett, Anton

Chekhov, Henrik Ibsen, William Inge, Arthur Miller, Thornton Wilder and Tennessee Williams. *If You Ever Meet a Weasel* by Belinda MacGruder is one such dramatic story. Historical fiction, this novel details the lives of theatre people who travel from Europe to the New World. This novel's main character must tolerate her father's traditional attitudes toward marriage. She must accept the separation from her European friends when she moves to the New World. Of course, New World customs are different from European customs. As such, this novel's female, main character must learn New World customs while retaining the Old World ones. Natural and

manmade tragedies afflict most, if not all, of the characters in *If You Ever Meet a Weasel*. Highly unusual events occur. Personality conflicts vie with conflicts of interests. A famous American war disrupts the lives of some of the characters. Travel to and from the European continent stresses relationships and relatives. However, this novel contains more than tragedies, conflicts and turmoil. Tender moments occur between spouses. Understanding develops among friends. Between employers and employees, friendships emerge to last lifetimes. In dialogs and expositions, the author references historical dates and events. For the

readers, these historical events emphasize characters' personalities, create empathy, explain difficulties and inspire imagination. This novel's timeline ends in the 21st century. From beginning to end, readers will read about various transportation methods: horse-drawn carriages; steam-powered, ocean liners; taxis and train travel. *If You Ever Meet a Weasel* is an insightful, but fictional, literary experience into theatrical lives.

Indigenous Toronto

Cross Infinite World
The extraordinary life of a captivating American artist, beautifully illustrated with his dreamlike drawings. Much of Joseph Elmer Yoakum's story comes from the artist himself--and is

almost too fantastic to believe. At a young age, Yoakum (1891-1972) traveled the globe with numerous circuses; he later served in a segregated noncombat regiment during World War I before settling in Chicago. There, inspired by a dream, he began his artistic career at age seventy-one, producing some two thousand drawings over a decade. How did Yoakum gain representation in major museum collections in Chicago and New York? What fueled his process, which he described as a "spiritual unfoldment"? This volume delves into the friendships Yoakum forged with the Chicago Imagists that secured his place in art history, explores the religious outlook that

may have helped him cope with a racially fractured city, and examines his complicated relationship to African American and Native American identities. With hundreds of beautiful color reproductions of his dreamlike drawings, it offers the most comprehensive study of the artist's work, illuminating his vivid and imaginative creativity and giving definition and dimension to his remarkable biography. The Unplugging Univ. of Manitoba Press
A celebration of intensely local foods on a spectrum spanning traditional American Indian treatments and creative contemporary fusion.
Gather Anchor
Daphna Rabinovitch

has been an enthusiastic baker from her childhood right through to a distinguished career as a pastry chef. In *The Baker in Me* she brings years of experience and a keen eye for details to a comprehensive guide that lets home bakers take charge of their kitchen. Science-based and technically sound, Daphna provides a nonetheless warm and approachable guide to baking better than ever.
Expedition Cooking with the Enoch Royal Knights, Vol. 1 Peter Lang
When Ernie Louttit joined the Saskatoon Police Service, he was only the third Native officer in a city with a significant Aboriginal population. In his much-lauded first

book, Indian Ernie, Louttit shared stories of his years as a beat cop on the streets of Saskatoon. More Indian Ernie brings readers back to the street, where Louttit discusses post-traumatic stress, missing and murdered Aboriginal women, and the difficulties he has faced both as a Native man and a police officer. Demonstrating passion and support for his community as well as society's less fortunate, he candidly offers insight into topics of substance abuse, prostitution, murder, Indigenous peoples, and police leadership with empathy and intellect. *The Presentation of Self in Everyday Life* U of Minnesota Press

In the twenty-first century, food is media – it is not just on

plates, but in literature and on screens, displayed in galleries, studios, and public places. Canadian Culinary Imaginations provokes new conversations about the food-related concepts, memories, emotions, cultures, practices, and tastes that make Canada unique. This collection brings together academics, writers, artists, journalists, and curators to discuss how food mediates our experiences of the nation and the world. Together, the contributors reveal that culinary imaginations reflect and produce the diverse bodies, contexts, places, communities, traditions, and environments that Canadians inhabit, as well as their personal

and artistic sensibilities. Arranged in four thematic sections – Indigeneity and foodways; urban, suburban, and rural environments; cultural and national lineages; and subversions of categories – the essays in this collection indulge a growing appetite for conversations about creative engagements with food and the world at large. As the essays and images in *Canadian Culinary Imaginations* demonstrate, food is more than sustenance – as language and as visual and material culture, it holds the power to represent and remake the world in unexpected ways. *Aboriginal Voices* D & M Publishers
Selected papers presented at the

International Council for Canadian Studies biennial conference held May 25-27, 2005. **The Baker in Me** Pyr Canadian Television: Text and Context explores the creation and circulation of entertainment television in Canada from the interdisciplinary perspective of television studies. Each chapter connects arguments about particular texts of Canadian television to critical analysis of the wider cultural, social, and economic contexts in which they are created. The book surveys the commercial and technological imperatives of the Canadian television industry, the shifting role of the CBC as Canada’s public

broadcaster, the dynamics of Canada's multicultural and multiracial audiences, and the function of television's "star system." Foreword by The Globe and Mail's television critic, John Doyle.

Indigenous Screen Cultures in Canada U of Minnesota Press
Communicates information about the histories, contemporary presence, and various other facts of the Native peoples of the United States. From publisher description.

The Comeback House of Anansi
"The Tragedy of Titus Andronicus" by William Shakespeare is a gripping and intense drama that explores themes of revenge, betrayal, and the destructive

consequences of violence. Set in ancient Rome, the play follows the tragic downfall of the noble general Titus Andronicus and his family as they become embroiled in a cycle of vengeance and bloodshed. At the heart of the story is the brutal conflict between Titus Andronicus and Tamora, Queen of the Goths, whose sons are executed by Titus as retribution for their crimes. In retaliation, Tamora and her lover, Aaron the Moor, orchestrate a series of heinous acts of revenge against Titus and his family, plunging them into a spiral of madness and despair. As the body count rises and the atrocities escalate, Titus is consumed by grief and rage, leading to a climactic

showdown that culminates in a shocking and tragic conclusion. Along the way, Shakespeare explores themes of honor, justice, and the nature of humanity, offering a searing indictment of the cycle of violence and the capacity for cruelty that lies within us all.

Seven Stories Press
Native American cuisine comes of age in this elegant, contemporary collection that reinterprets and updates traditional Native recipes with modern, healthy twists. Andrew George Jr. was head chef for aboriginal foods at the 2010 Winter Olympics in Vancouver; his imaginative menus reflect the diverse new culinary landscape

while being mindful of an ages-old reverence for the land and sea, reflecting the growing interest in a niche cuisine that is rapidly moving into the mainstream to become the "next big thing" among food trends. Andrew also works actively at making Native foods healthier and more nutritious, given that Native peoples suffer from diabetes at twice the rates of non-Natives; his recipes are lighter, less caloric, and include Asian touches, such as bison ribs with Thai spices, and a sushi roll with various cooked fish wrapped in nori. Other dishes include venison barley soup, wild berry crumble, seas asparagus salad, and buffalo tourtière. Full of healthy, delicious, and

thoroughly North American fare, *Modern Native Feasts* is the first Native American foods cookbook to go beyond the traditional and take a step into the twenty-first century. Andrew George Jr. is a member of the Wet'suwet'en Nation in British Columbia. He participated on the first all-Native team at the Culinary Olympics in Frankfurt, Germany, and in 2012 was part of a group of chefs from twenty-five countries on a US State Department initiative called "Culinary Diplomacy: Promoting Cultural Understanding Through Food." His first book, *A Feast for All Seasons*, was published in 2010. This publication meets the EPUB Accessibility requirements and it

also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A book with many images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

Producing Sovereignty

Scholastic UK
Once again, John Ralston Saul presents the story of Canada's past so that we may better understand its present - and imagine a better future. Historic moments are always uncomfortable, Saul writes in this

impassioned argument, calling on all of us to embrace and support the comeback of Aboriginal peoples. This, he says, is the great issue of our time – the most important missing piece in the building of Canada. The events that began late in 2012 with the Idle No More movement were not just a rough patch in Aboriginal relations with the rest of Canada. What is happening today between Aboriginals and non-Aboriginals is not about guilt or sympathy or failure or romanticization of the past. It is about citizens' rights. It is about rebuilding relationships that were central to the creation of Canada. These relationships are just as important to its

continued existence. The centrality of Aboriginal issues and peoples has the potential to open up a more creative way of imagining ourselves and a more honest narrative for Canada. Wide in scope but piercing in detail, *The Comeback* presents a powerful portrait of modern Aboriginal life in Canada, in contrast with the perceived failings so often portrayed in politics and in media. Saul illustrates his arguments by compiling a remarkable selection of letters, speeches and writings by Aboriginal leaders and thinkers, showcasing the extraordinarily rich, moving and stable indigenous point of view across the centuries.

The Vikings are laying siege to Paris. They want the Count's sister, in return they will spare the rest of the city. As houses on the banks of the Seine burn, a debate rages in the Cathedral on the walled island of the city proper. Can the Count really have ambitions to be Emperor of the

Franks if he doesn't do everything he can to save his people? Can he call himself a man if he doesn't do everything he can to save his sister? His conscience demands one thing, the state demands another. The Count and the church are relying on the living saint, the blind and crippled Jehan of St. Germain, to enlist the aid of God and resolve the situation for them. But the Vikings have their own gods, and outside their camp, a terrifying brother and sister, priests of Odin, have their own agenda--an agenda of darkness and madness. And in the shadows a wolfman lurks. M. D. Lachlan's stunning epic of mad Gods, Vikings, and the myth of Fenrir, the wolf destined to kill Odin at

Ragnarok, is a compelling mix of bloody horror, unlikely heroism, dangerous religion, and breathtaking action. From the Trade Paperback edition.

Encyclopedia of Television Arsenal
Pulp Press

In this landmark book, Seven Stories Press presents a powerful collection of literary, philosophical, and political writings of the masked Zapatista spokesperson, Subcomandante Insurgente Marcos. Introduced by Nobel Prize winner José Saramago, and illustrated with beautiful black and white photographs, *Our Word Is Our Weapon* crystallizes "the passion of a rebel, the poetry of a movement, and the literary genius

of indigenous Mexico." Marcos first captured world attention on January 1, 1994, when he and an indigenous guerrilla group calling themselves "Zapatistas" revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas. In the six years that have passed since their uprising, Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement-building, rebellion, and democracy. The prolific stream of poetic political writings, tales, and traditional myths that Marcos has penned since January 1, 1994 fill more than four volumes. *Our Word Is Our Weapon* presents the best of

these writings, many of which have never been published before in English. Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance, expressing through manifestos and myths the universal human urge for dignity, democracy, and liberation. It is the voice of a people refusing to be forgotten the voice of Mexico in transition, the voice of a people struggling for democracy by using their word as their only weapon.
