### *The Law of the Mother Anchor*

This book is a comprehensive study of some ways of treating the subject that demonstrate new and unusual perspectives, and provides a different approach to the popularly-held views of mothers-in-law; and that further address these works as popular culture; and as texts in their own right from within the framework of literary theory; and as works that demonstrate the ability to reach and connect with, and satisfy, both the general reader, the student, and the scholar, from all levels and walks of life.

### **Mothers-in-law and Daughters-in-law** Prhi

Life as a mother-in-law is rarely easy...and until now, it was hard to find an instruction book But help has arrived in the form of this accessible, informative, and eminently useful guide. Written by two psychologists (and mothers-in-law), and brimming with wisdom gleaned from a wide-ranging survey of other mothers-in-law, Life as a Mother-in-law is the essential primer for navigating the often murky waters of in-law relationships. With a look at the mother-in-law role throughout history and the truth behind the stereotypes, the authors separate myth from reality and deconstruct clichés to reveal how in-law families really work. But Olivia Slaughter, Ph.D., and Jean Kubelun, Ph.D., don't just describe the challenges: they provide in-depth solutions, self-assessment tools, and solid advice based on psychological insights to help you bring harmony and balance to your in-law relationships and your life. Olivia Slaughter, Ph.D., is a Licensed Educational Psychologist and career counselor. Her experience includes teaching, secondary school counseling, administration, school psychology, and national and international educational consulting. She offers guidance in life planning, parenting, learning, and interpersonal relationships. Dr. Slaughter has been active in providing workshop/in-service training events, including UNICEF in Alexandria, Egypt, where she was a school consultant under USAID sponsorship. She lives with her husband in California. Jean Kubelun, Ph.D., is a Marriage, Family Therapist and a Licensed Educational Psychologist who studied psychoanalytic psychotherapy at the Institute of Contemporary Psychoanalysis. Dr. Kubelun's experience includes over twenty-three years as a school psychologist. She taught both graduate and undergraduate classes at California Lutheran University and California State University, Northridge. Dr. Kubelun has worked as a Conflict Resolution Specialist, an At-Risk Counselor, and an Active Parenting workshop leader and trainer.

### **Eat Your Peas for My Daughter in Law** St. Martin's Press

From the daily notes written to a beloved mother-in-law who could no longer hear comes a hilarious and warm portrait of daily life Phyllida Law's mother-in-law Annie lived with her family for 17 years and was picture-book perfect. It took a while before the family realized that Annie was increasingly deaf. So Phyllida began to write out the day's gossip at the kitchen table, putting her notes by Annie's bed before going to hers. One night her husband muttered that she spent so much time each evening writing to Annie she could have written a book. Here it is—a book full of the delights of

a warm and loving household. Of the cat being sick after overindulging in spiders, the hunt for cleaning products from the dawn of time, mysteriously malfunctioning hearing aids, an unusual and potentially hilarious use for garlic, and the sad disappearance of coconut logs from the local candy shop. It's about the special place at the heart of a home held by a woman born in another age, a woman who polished the brass when it was "looking red at her;" who still bore a scar on her hands from being hit by her employer; and who held the beloved homemaking skills of a bygone age.

### **The Mother-In-Law Trap** St. Martin's Press

The award-winning author of Femmes Fatal and The Thin Woman serves up the ubiquitous mother-in-law joke family style—with death for the punch line. . . . Nothing like a live-in mother-in-law to reduce a woman to the role of junior housemaid. That's what Ellie Haskell discovers when her husband's parents have a row in the midst of their anniversary dinner, and mother Magdalene seeks refuge in Ellie's guest bedroom. Suddenly Ellie is being driven round the bend by the woman's constant demands. Thank goodness for the other wives who also suffer the age-old mother-in-law curse. A chance meeting down at the Dark Horse pub finds them trading horror stories, and soon they're mixing gin and tonics with homicidal fantasies—a soupçon of poison here, a broken brake line there. All very therapeutic and no harm intended. At least, that's what Ellie thinks. . . . Praise for How to Murder Your Mother-in-Law "Vintage Cannell. . . . Dorothy Cannell is a master at creating wildly ludicrous characters and hilarious plots. . . . Her latest Ellie Haskell adventure only enhances her reputation."—Booklist "Side-splitting!"—Rendezvous "Toxic and hilarious."—Publishers Weekly [Social Q's](http://SocialQ.com) Rowman & Littlefield

Mollie couldn't believe how her luck had changed when she met the wonderful Rueben. Their romance was an unexpected whirlwind and together they were preparing for their exciting future ahead. That was until Mollie's new Mother-in-Law Joy, begun showing a side of herself which Rueben had been desperately trying to ignore since his difficult childhood. As things take a turn for the worst and Joy becomes worryingly unpredictable. Rueben must face the truth he has been trying to run from and Mollie finds herself fighting to take back the life she has been working so hard for. But just how far is Joy willing to go? And can Mollie and Rueben's relationship survive through every bombshell headed their way?

Julia is a lonely, middle aged widow who, confronted with a spoilt brat of a daughter and her gorgeous neglected husband, finds herself in a position where she has to choose between decorum and happiness...

### *Notes to My Mother-in-Law* AuthorHouse

In this witty, acute and often painfully funny book Veena Venugopal follows eleven women through their marriages and explores why the mother-in-law is the dreaded figure she is. Meet Deepa, whose bikini-wearing mother-in-law won't let her even wear jeans; Carla whose mother-in-law insists that her son keep all his stuff in his family home although he can spend the night at his wife's; Rachna who fell in love with her mother-in-law even before she met her fiancé only to find both her romances sour; and Lalitha who finds that despite having had a hard-nut mother-in-law herself, she

is turning out to be an equally unlikeable Mummyji. Full of incisive observations and deliciously wicked storytelling, *The Mother-in-Law* is a book that will make you laugh and cry and understand better the most important relationship in a married woman's life.

#### *The Mother-in-Law Alibi*

From Carol Dawson, "a master of the light, suspenseful touch" (Chicago Tribune), comes a bittersweet novel about the "other woman" in every marriage.... the *Mother-in-Law Diaries* Lulu Penfield has had more mothers-in-law than most people could have in three lifetimes. From the maven of household hints to the glacially polite New Zealander to a reputed witch who practices voodoo on an old Raggedy Ann doll, each one of her husbands' mothers has been a singularly memorable participant in Lulu's colorful marital misadventures. Now Lulu herself has become a mother-in-law...and as the torch is passed, Lulu cracks away at the ageless mystery of bonding with her own son's wife -- and makes some surprising discoveries as she goes. "Alternately hilarious and gut-wrenching" (The Austin Chronicle), the *Mother-in-Law Diaries* rings true for anyone who has ever said "I do" -- and who didn't realize that she was marrying not one person, but two.

From the moment Lucy met her husband's mother, she knew she wasn't the wife Diana had envisioned for her perfect son. Exquisitely polite, friendly, and always generous, Diana nonetheless kept Lucy at arm's length despite her desperate attempts to win her over. And as a pillar in the community, an advocate for female refugees, and a woman happily married for decades, no one had a bad word to say about Diana...except Lucy. That was five years ago. Now, Diana is dead, a suicide note found near her body claiming that she longer wanted to live because of the cancer wreaking havoc inside her body. But the autopsy finds no cancer. It does find traces of poison, and evidence of suffocation. Who could possibly want Diana dead? Why was her will changed at the eleventh hour to disinherit both of her children, and their spouses? And what does it mean that Lucy isn't exactly sad she's gone? Fractured relationships and deep family secrets grow more compelling with every page in this twisty, captivating new novel from Sally Hepworth. Praise for Sally Hepworth: "With jaw-dropping discoveries, and realistic consequences, this novel is not to be missed. Perfect for lovers of *Big Little Lies*." —Library Journal, starred review "Hepworth deftly keeps the reader turning pages and looking for clues, all the while building multilayered characters and carefully doling out bits of their motivations." —Booklist

#### *The Family Next Door* Anova Books

Just about everyone has heard a terrible joke or a horror story about someone else's mother-in-law. Blending two families together often creates new and uncomfortable dynamics that will take some time to get used to, and sometimes mothers-in-law behave badly during these transitions. But these don't need to be wildly uncomfortable transitions, and you don't need to become the butt of everyone's jokes. With *What's a Mother (In Law) to Do?*, author Jane Angelich (a mother-in-law

herself) teaches readers how to become the mother-in-law they've always wished they had. Rich with sidebars, practical suggestions, and stories of love and encouragement, this is the perfect book for anyone facing this new role or for those seasoned mother-in-laws who are simply seeking tips for improvement. Welcoming your child's spouse into your life doesn't have to be difficult, as long as you're excited about building and nurturing respectful family relationships.

#### *The Mother-in-Law* Hachette UK

With huge heart, humor, and a compassionate understanding of human nature, Sally Hepworth delivers a page-turning novel about the power of love to grow and endure even when faced with the most devastating of obstacles. You won't forget *The Things We Keep*. Anna Forster is only thirty-eight years old, but her mind is slowly slipping away from her. Armed only with her keen wit and sharp-eyed determination, she knows that her family is doing what they believe to be best when they take her to Rosalind House, an assisted living facility. But Anna has a secret: she does not plan on staying. She also knows there's just one another resident who is her age, Luke. What she does not expect is the love that blossoms between her and Luke even as she resists her new life. As her disease steals more and more of her memory, Anna fights to hold on to what she knows, including her relationship with Luke. Eve Bennett, suddenly thrust into the role of single mother to her bright and vivacious seven-year-old daughter, finds herself putting her culinary training to use at Rosalind house. When she meets Anna and Luke, she is moved by the bond the pair has forged. But when a tragic incident leads Anna's and Luke's families to separate them, Eve finds herself questioning what she is willing to risk to help them. Eve has her own secrets, and her own desperate circumstances that raise the stakes even higher.

#### *How to Deal with Your Mother-in-law* The Mother-in-Law

The law of the mother is made up of words charged with pleasure and suffering that leave their mark on us in early childhood. In this groundbreaking book, Geneviève Morel explores whether it is possible for the child to escape subjection from this maternal law and develop their own sexual identity. Through clinical examples and critical commentary, the book illustrates the range and power of maternal influence on the child, and how this can generate different forms of sexual ambiguity. Using a Lacanian framework which revises the classical idea of the Oedipus complex, the book is not only a major contribution to gender studies but also an invaluable aid to the clinician dealing with questions of sexual identity. The book avoids many of the moral and political prejudices that paralyse twenty-first century society, be they related to legislation on marriage, parentage or

adoption, the status of "mental health", or the limits to the supposed ownership of the human body. Insightful and revealing, *The Law of the Mother* will be of great interest to Lacanian psychoanalysts, as well as to researchers in the fields of gender studies and sexuality.

**Maribel Broomstick** Trapeze

Based on diaries and email correspondence that she kept from 1981-2004, here Suad Amiry evokes daily life in the West Bank town of Ramallah. Capturing the frustrations, cabin fever, and downright misery of her experiences, Amiry writes with elegance and humor about the enormous difficulty of moving from one place to another, the torture of falling in love with someone from another town, the absurdity of her dog receiving a Jerusalem identity card when thousands of Palestinians could not, and the trials of having her ninety-two-year-old mother-in-law living in her house during a forty-two-day curfew. With a wickedly sharp ear for dialogue and a keen eye for detail, Amiry gives us an original, ironic, and firsthand glimpse into the absurdity—and agony—of life in the Occupied Territories.

Does your mother-in-law drive you crazy? Who is to blame? It can be difficult to tell when you are stuck on the inside. Managing MIL offers new perspective on this infamously tricky relationship. Katy Rink's irreverent, humorous and essentially warm-hearted reflections are based upon her own experience and secret 'DIL Clubs' held for daughters-in-law. Written as a series of short sketches, with accompanying cartoons, it is a perfect gift for anyone getting hitched, or struggling with a difficult MIL, or perhaps for a MIL seeking insight into her daughter-in-law's behaviour. There are hilarious anecdotes and one-liners, amusing and recognisable caricatures, strange habits, odd gifts and top tips for Managing MIL, along with interviews with relationship experts, to help you get back on track. There is even a delicious new cocktail *The Mother-in-Law*, complete with bitters and sours.

In-laws are the inescapable consequence of marriage. Whether they're kindly or malevolent, helpful or crazy, they're unavoidable. The relationship can be traumatic, rewarding, maddening, and hilarious—sometimes all at once. In *I Married My Mother-in-Law and Other Tales of In-Laws We Can't Live With—and Can't Live Without*, Ilena Silverman brings together a collection of talented, successful writers who plumb their own experiences for extraordinary and unexpected wisdom about this prickly and often misunderstood relationship. We hear from some of today's best authors, including Michael Chabon, who writes movingly about the lessons he learned from his first father-in-

law; Kathryn Harrison, whose relationship with her father-in-law was far more rewarding and less complicated than the one she had with her own father; Matt Bai, who struggled across cultural barriers to learn more about the lives of his reserved Japanese-American in-laws; Martha McPhee, who explores the difficulty in fully knowing her husband without ever having known his parents; Susan Straight, who recounts her experience as the first white woman to marry into her African-American husband's extended family; and Ayelet Waldman, who ponders the competition between wives and their mothers-in-law for the attention of their husbands/sons. By turns blunt and poignant, horrifying and touching, the essays reflect the rich complexities of these bewildering and life-changing relationships. Remarkable for both the quality of its prose and the scope of its emotional insight, *I Married My Mother-in-Law* is an unforgettable anthology about the struggles and rewards of life with our other families.

Same great book with a whole new look! **RELUCTANTLY RELATED: SECRETS TO GETTING ALONG WITH YOUR MOTHER-IN-LAW OR DAUGHTER-IN-LAW** is the definitive work on the all too common family dilemma of stressful relationships between mothers-in-law (MILs) and daughters-in-law (DILs). Leading in-law relationship authority Dr. Deanna Brann delivers an insightful, stimulating guide for determining the root causes of mother-in-law/daughter-in-law difficulties and more importantly, provides the situation-specific, practical tools to change things for the better. While dealing with this often difficult or even painful subject, **RELUCTANTLY RELATED** is engaging and wonderfully readable with its extensive use of real world conversation examples and lighthearted cartoons. Dr. Brann introduces you to her witty collection of mother-in-law, daughter-in-law and husband/son personality types - from Off-the Wall Wanda to Doubting Donna to Struggling Steven - and goes on to show you how to identify the types in your own family. She then explains in everyday language how combinations of these personality types present relationship challenges, but goes on to give practical, hands-on tools for mothers-in-law and daughters-in-law to improve their relationship. There has never been such an entertaining yet helpful resource on the specific problems between mothers-in-law and daughters-in-law. Revised and updated to include a new look and additional cartoons this third edition of **RELUCTANTLY RELATED** provides unique, straightforward help to any MIL/DIL challenged family, and should be required reading for newlyweds and their mothers!
