 Book that will help Catholics pray the Liturgy of the Hours completely and correctly
[General Instruction of the Liturgy of the Hours](#) Catholic Book Publishing Corporation
 The third and final volume in a trilogy of prayer manuals compiled by Publishers Weekly religion editor Phyllis Tickle as a contemporary Book of Hours to guide Christians gently yet authoritatively through the daily offices. The Divine Hours is the first major literary and liturgical reworking of the sixth-century Benedictine Rule of fixed-hour prayer. This beautifully conceived and thoroughly modern three-volume guide will appeal to the theological novice as well as to the ecclesiastical sophisticate. Making primary use of the Book of Common Prayer and the writings of the Church Fathers, The Divine Hours is also a companion to the New Jerusalem Bible, from which it draws its Scripture readings. The trilogy blends prayer and praise in a way that, while extraordinarily fresh, respects and builds upon the ancient wisdom of Christianity. The third and final book in the set, Prayers for Springtime, provides prayers, psalms, and readings for this season associated with rebirth. Compact, it is perfect for those seeking greater spiritual depth. As a contemporary Book of Hours, The Divine Hours: Prayers for Springtime heralds a renewal of the tradition of disciplined daily prayer, and gives those already using the first two volumes the completion they are seeking. With this volume, the series culminates with three prayer manuals

encompassing the liturgical and calendar year with the offices for every day.

Phyllis Tickle's inspirational trilogy The Divine Hours™ was the first major literary and liturgical reworking of the sixth-century Benedictine Rule of fixed-hour prayer—an age-old discipline of saying prayers at certain times of the day. This highly regarded trilogy has become one of America's best-loved and most frequently consulted manuals for observing this ancient form of Christian worship. Now, in The Night Offices, Tickle offers the perfect complement to The Divine Hours™, bringing together prayers, psalms, hymn texts, religious poetry and other readings not included in the original trilogy, covering the offices for the hours from late evening (Compline) to early morning (Prime). Fans of the Divine Hours™ will recognize Tickle's simple, elegant format, her use of a modern calendar rather than a liturgical one, and the single ribbon in the binding, to track one's progress through the year. As in the trilogy, Tickle makes primary use of the Book of Common Prayer and the writings of the Church Fathers, and she draws all the scriptural readings from the Revised Standard Version. The book includes a set of Matins, Lauds, and Prime specific to each day of the week and varied only by month. Thus, the Monday reading for January would be used every Monday in January, but Monday in February would have new offices for it. The cumulative total, being 84 Matins, 84 Lauds, and 84 Prime (252 offices), fits neatly into a single, nightstand edition, a small, compact book that can be comfortably held in the hand. Easy to use, poetically rich, with a superb sampling of devotional works, The Night Offices will be welcomed by a broad readership, Christian and non-Christian alike.

The Divine Office—the cycle of daily worship other than the Mass—is the richest source of liturgical texts and music from the Latin Middle Ages. However, its richness, the great diversity of its manuscripts, and its many variations from community to community have made it difficult to study, and it remains largely unexplored terrain. This volume is a practical guide to the Divine Office for students and scholars throughout the field of medieval studies. The book surveys the many questions related to the Office and presents the leading analytical tools and research methods now

used in the field. Beginning with the Office in the early Middle Ages, the book covers manuscript sources and their contents; regional developments and variations; the relationship between the Office, the Mass, and other ceremonies and repertoires; and the deep links between the Office and medieval hagiography. The book concludes with a discussion of recent technical advances for handling the enormous amounts of evidence on the Office and its performance, in particular CANTUS, the vast electronic database developed by Ruth Steiner of Catholic University for the analysis of chant repertoires. The Divine Office in the Latin Middle Ages is an essential resource for anyone studying medieval liturgy. Its accessible style and broad coverage make it an important basic reference for a wide range of students and scholars in art history, religious studies, social history, literature, musicology, and theology.

In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.

Foreword by Archbishop Raymond Burke This volume contains the Office of Compline for every day of the year, in Latin and English, according to the novus ordo of the Roman Catholic Church, with Gregorian Chant settings. On the facing pages for the Latin, the official English text is also arranged for chanting, using simple English tones. New translations have been made for the official hymns of the Office, and all the hymns are given with the Gregorian melodies proper for each season and feast of the liturgical year. This book will find a welcome in parishes, cathedrals, religious communities and seminaries, as well as families, all who wish to pray together at the end of the day. Complete instructions are given for praying Compline. The Foreword by Archbishop Raymond Burke explains the rich spiritual tradition of prayer at the close of day, and provides an inspiring meditation on the texts and meaning of the Office of Compline. The scriptures give only one command concerning the frequency of prayer: pray without ceasing (Lk 18:1; 1 Thess 5:17). This volume will prove to be a welcome companion to all who are seeking to make a full response to the Gospel, and persevere in unceasing prayer.

"Gracefully written and moving ... Things Seen and Unseen starts with Nora Gallagher entering the labyrinth of her life ... and ultimately it leads to the center of her being."--The Boston Globe It started with an occasional Sunday, a "tourist's" visit to a local church. Eventually Nora Gallagher entered into a yearlong journey to discover her faith and a relationship with God, using the Christian calendar as her compass. Whether writing about her brother's battle against cancer, talking to homeless men about the World Series, or questioning the afterlife ("One world at a time"), Gallagher draws us into a world of journeys and mysteries, yet grounded in a gritty reality. She braids together the symbols of the Christian calendar, the events of a year in one church, and her own spiritual journey, each strand combed out with harrowing intimacy. Thought provoking and profoundly perceptive, Things Seen and Unseen is a remarkable demonstration that "the road to the sacred is paved with the ordinary." "Like Kathleen Norris in *Amazing Grace*, Gallagher is renewing the language of ultimate concerns."--San Francisco Chronicle "The deep serenity that suffuses Gallagher's work, the lyrical cadences in which she writes, do not blunt the sharp edges of what she discovered in her quest for meaning."--Los Angeles Times
