Webnovel & Chereads provide official version of The Demon's Bride with latest chapter *Slow Burn Historical Fantasy Novel* Elise had about to change into the dress that was lying on the corner of her bed when she heard a knock lightly calling from her door. Curious, she turned the door knob only to have a tall man towering in front of her. "Master Ian!" She called. Ian smiled with the usual mischievous smirk that he always used. His crimson eyes trailing a little over her room and spotted the black dress over her bed and shifted his eyes over to the woman in front of him. He stepped forward and spoke. "Where did you acquire that dress?" "Mr. Harland gave it to me." Elise replied and strained her neck to see Ian's brows knitted in its elegance. "Do you know why a man would love to give a woman a dress?" He gave the riddle that she always had to think twice before replying. But this time, she found no answer and instead shook her head. "I don't know." His grin grew bewitching as though something had stirred deep inside the scarlet eyes that he had. He slowly slid his hand over the collar of her dress, sending a cold shiver that startled her for a moment due to its freezing temperature. After unbuttoning the first two buttons on her collar, he tilted his head down, whispering to her ears. "Because they want to be the one to undress the cloth." He paused and kissed her neck, turning the pale skin to red before retracting his move to fix his eyes on her and leisurely replied.

"Unfortunately, you can't wear the dress over there with this." He chuckled and passed a box over to her hand. "And the fortunate news is I prepared a dress for you." Elise was a cursed little girl who could see ghosts. Her family hated her and threw her from one adoptive family to another. However, misfortune didn't act alone. When she was brought up by her aunt, she was sold as a slave. When she had thought she would become nothing but a sacrifice to the sorcerer, she was saved by a man whose identity was far different than a normal mythical being. *** This book is ORIGINAL and it is not Translation Join Author's discord: <https://discord.gg/YPKueb4> *Waterways* Bushra Arshad Living in a "perfect" world without social

Linger Houghton Mifflin Harcourt

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.
