DANIELLE BLACKBURN

It's Good We Talked about That Rowman & Littlefield
Jakob Augsteins Kult-Kolumnen – jetzt endlich als Buch! Jakob Augstein gehört zu den meistgelesenen und einflussreichsten Journalisten der Gegenwart. Unter dem Motto »Im Zweifel links« hat er in seinen Kolumnen auf SPIEGEL ONLINE beinahe ein Jahrzehnt lang eine Chronik unserer Zeit verfasst. Es war eine Epoche, in der sich unsere Gesellschaft drastisch verändert hat: Der Westen und seine Werte sind kompromittiert und geschwächt. Der Sozialstaat steckt in seiner tiefsten Krise. Die dramatische Ungerechtigkeit, mit der Reichtum und Chancen

verteilt sind, nimmt immer weiter zu. Die Lüge und das Vorurteil triumphieren über die Vernunft. Jakob Augstein hat für diese Ausgabe seine streitbaren Texte thematisch zusammengestellt und neu kommentiert.

Oben und unten SAGE

Universities once believed themselves to be sacred enclaves, where students and professors could debate the issues of the day and arrive at a better understanding of the human condition. Today, sadly, this ideal of the university is being quietly betrayed from within. Universities still set themselves apart from American society, but now they do so by enforcing their own politically correct worldview through censorship, double standards, and a judicial system without due process. Faculty and students who threaten the prevailing norms may be forced to undergo "thought

reform." In a surreptitious aboutface, universities have become the enemy of a free society, and the time has come to hold these institutions to account. The Shadow University is a stinging indictment of the covert system of justice on college campuses, exposing the widespread reliance on kangaroo courts and arbitrary punishment to coerce students and faculty into conformity. Alan Charles Kors and Harvey A. Silverglate, staunch civil libertarians and active defenders of free inquiry on campus, lay bare the totalitarian mindset that undergirds speech codes, conduct codes, and "campus life" bureaucracies, through which a cadre of deans and counselors indoctrinate students and faculty in an ideology that favors group rights over individual rights, sacrificing free speech and academic freedom to spare the sensitivities of currently favored groups. From Maine to California, at public and private universities alike, liberty and fairness are the first casualties as teachers and students find themselves in the dock, presumed guilty until proven innocent and often forbidden to cross-examine their accusers. Kors and Silverglate introduce us to many of those who have firsthand experience of the shadow university, including: The student at the center of the 1993 "Water Buffalo" case at the University of Pennsylvania, who was brought up on charges of racial harassment after calling a group of rowdy students "water buffalo" -- even though the term has no racial connotations. The Catholic residence adviser who was fired for refusing, on grounds of religious conscience, to wear a symbol of gay and lesbian causes. The professor who was investigated for sexual harassment when he disagreed with campus feminists about curriculum issues. The student who was punished for laughing at a statement deemed offensive to others

and who was ordered to undergo "sensitivity training" as a result. The Shadow University unmasks a chilling reality for parents who entrust their sons and daughters to the authority of such institutions, for thinking people who recognize that vigorous debate is the only sure path to truth, and for all Americans who realize that when even one citizen is deprived of liberty, we are all diminished.

Neue Berliner Illustrierte Random House

A rich, sultry, ambitious novel about a young American writer/curator, fleeing a crumbling marriage in New York who travels with her nine-year old daughter to one of the remote islands in the north of Scotland, birthplace of her grandfather. Commissioned to set up a museum there and to write the biography of the island's celebrated poet and chronicler, Mhairi McPhail is slowly drawn in by the complicated life she is uncovering and writing about--the Bard of Fascaray--as she finds herself being transformed, awakened by the ferocity and power of the island. Who was the celebrated poet, Grigor McWatt, The Bard of Fascaray? What was his past? Details of his life are elusive. As Mhairi struggles to adapt to her island life and put her disappointment and troubles behind her, she begins to unearth the astonishing secret history of the poet, regarded by many as the custodian of Fascaray's--and Scotland's--soul. In McAfee's rich novel of invented island life, she interweaves extracts from Mhairi's journal entries, her discoveries and writings of McWatt, and tales of Fascaray itself into a resonant, compelling, dimensional narrative that at its heart explores identity, love, belonging and the universal quest for home.

Georg Forster's sämtliche Schriften Vintage

Augstein und Blome in Bestform: provokant, kontrovers und immer unterhaltsam. Zum ersten Mal seit Jahrzehnten machen sich die Abgehängten und die Vergessenen ernsthaft bemerkbar: die, die sich nur so fühlen, und die, die es tatsächlich sind. Ihre Ängste und ihre Wünsche handeln von sozialer Gerechtigkeit, aber, und das ist neu, auch von nationaler Identität. Oben und Unten ist heute mehr als der Streit um Hartz IV, Niedriglohn oder Vermögensteuer. Die neue Frage »Wer gehört dazu?« ist inzwischen genauso wichtig wie die alte Frage »Wer hat was?«. Damit ist in diesem Buch eine Debatte eröffnet, die sich nicht mehr klar mit den Positionen »links« oder »rechts« verhandeln lässt.

Bücherei und Bildung DVA

Der wachsende Wald verschlingt das Land. Weder Feuer noch Axt gebieten ihm Einhalt. Unaufhaltsam überwuchert er das Königreich von Faar. Niemand kehrte je aus seinen schwülen Tiefen zurück. Menschenopfer werden ihm dargebracht, doch der Herr der Wälder lässt sich nicht besänftigen. Fermalis, ein verstoßener Paladin der heiligen Bruderschaft vom Goldenen See, und der junge Gresa, der einer Opferung nur knapp entgangen ist, werden zum ungleichen Gespann. Tief im Inneren des Waldes entscheidet sich, ob sie ihn als Freunde oder Feinde wieder verlassen. Oder in seinem Schoß die letzte Ruhe finden.

Briefwechsel Berg Publishers

He's young, he's broke, his landlord's knocking at the door, and he's just found out his wife is going to have a baby. To make matters even more desperate, Casey is fired from his gig as an Elvis impersonator in a run-down, small-town Florida bar. When

the bar owner brings in a B-level drag show to replace his act, Casey finds that he has a whole lot to learn about show business—and himself.

A family holiday creates unexpected drama when Liv, Ellen and Håkon's elderly parents announce their decision to divorce. The Norwegian Anne Tyler makes her English debut in a beautiful, insightful and perceptive novel. ***Winner of the Norwegian Booksellers' Prize*** _____ 'The most beautiful, elegant writing I've read in a long time. If you love Anne Tyler, you will ADORE this' Joanna Cannon 'A thoughtful and reflective novel about parents, siblings and the complex - and often challenging - ties that bind them' Hannah Beckerman, Observer 'I absolutely loved its quiet, insightful generosity' Claire King

_____ When Liv, Ellen and Håkon, along with their partners and children, arrive in Rome to celebrate their father's seventieth birthday, a quiet earthquake occurs: their parents have decided to divorce. Shocked and disbelieving, the siblings try to come to terms with their parents' decision as it echoes through the homes they have built for themselves, and forces them to reconstruct the shared narrative of their childhood and family history. A bittersweet novel of regret, relationships and rare insights, A Modern Family encourages us to look at the

people closest to us a little more carefully, and ultimately reveals that it's never too late for change... _____ 'The author has been dubbed the Norwegian Anne Tyler and for good reason. Three generations of a family head on a holiday to Italy to celebrate patriarch Sverre's 70th birthday – but he and his wife have life-changing news to share. If you love books about dysfunctional families, you'll love this' Good Housekeeping 'As they rebuild their childhood memories, it's telling that their perceptions of themselves and their family relationships are so dramatically different. In quiet prose, Helga Flatland writes with elegance and subtle humour to produce a shrewd and insightful examination of the psychology of family and of loss' Daily Express 'I love the sophistication, directness and tenderness of this book' Claire Dyer 'So perceptive and clever' Rónán Hession 'This is a super exploration of families that I'd urge you to read for the subtle prose, with well defined characters and a strong storyline' Sheila O'Reilly 'It is the most satisfying book that I've read in a long time, and the most clear-eyed, honest, yet sympathetic examination of relationships that I have ever read. The subtlety with which she portrays the inconsistencies between how the characters see each other versus how they see themselves is masterful' Sara Taylor 'Reading Helga Flatland's *A Modern Family* is like watching the sun rise on a cloudy horizon; light whispers and dances and breaks over the clouds. Layers of deliciously cumulative insight – a moving and exquisite read' Shelan Rodger 'A beautifully written novel, bittersweet, moving and poignant ... a wise novel of great insight' New Books Magazine 'Flatland has the gift that I most often covet in the work of other writers: the ability to make everyday events

compelling ... an utterly compelling and satisfying read. It reminds us how full and rich life is, how the quietest existence can brim with urgency and drama' Ann Morgan 'A novel that prods and provokes ... fascinating, incredibly profound, yet somehow tender, this really does encourage an exploration of a modern family' LoveReading

Marzahn, Mon Amour Hesperus Press

In the second edition of the book, the diversity of established and modern endoscopic therapeutic interventions is systematically, comprehensively, and practically presented by experts in visceral surgery and gastroenterology. Numerous endoscopic images and schematic drawings illustrate the descriptions of therapeutic procedures. For each endoscopic procedure, the following is described: Indications Personnel, instrumental, and technical requirements Implementation Results Limitations, complications, and their management All contributions have been updated; a new chapter on hygiene measures has been added. Practical tips and references to alternative approaches appeal to both the young specialist and the experienced endoscopist, as well as endoscopy professionals from other fields.

Social Policy in the Third Reich BoD – Books on Demand

DIV Chastity Riley and her friends are held hostage in a hotel bar by twelve armed men set on revenge, in a searing, breathtakingly original new thriller from the 'Queen of Krimi'. 'Simone Buchholz writes with real authority and a pungent, noir-is sense of time and space ... a palpable hit' Independent 'Reading Buchholz is like walking on firecrackers ... a truly unique voice in crime fiction' Graeme Macrae Burnet 'If Philip Marlowe and Bernie Gunther had a literary love child, it might just explain Chastity

Riley – Simone Buchholz's tough, acerbic, utterly engaging central character' William Ryan _____ Twenty floors above the shimmering lights of the Hamburg docks, Public Prosecutor Chastity Riley is celebrating a birthday with friends in a hotel bar when twelve heavily armed men pull out guns, and take everyone hostage. Among the hostages is Konrad Hoogsmart, the hotel owner, who is being targeted by a young man whose life – and family – have been destroyed by Hoogsmart's actions. With the police looking on from outside – their colleagues' lives at stake – and Chastity on the inside, increasingly ill from an unexpected case of sepsis, the stage is set for a dramatic confrontation ... and a devastating outcome for the team ... all live streamed in a terrifying bid for revenge. Crackling with energy and populated by a cast of unforgettable characters, Hotel Cartagena is a searing, relevant thriller that will leave you breathless. _____ Praise for the Chastity Riley series 'Caustic, incisive prose. A street-smart, gutsy heroine. A timely and staggeringly stylish thriller' Will Carver 'With plenty of dry humour and a good old dash of despair, Simone Buchholz is an unconventional, refreshing new voice' Crime Fiction Lover 'Lyrical and pithy' Sunday Times 'With brief, pacy chapters and fizzling dialogue, this almost feels like American procedural noir and not a translation' Maxim Jakubowski, Crime Time 'There is a fantastic pace to the story which keeps you hooked from the first sentence all the way to the end ... a unique voice that delivers a stylish story' New Books Magazine 'A smart and witty book that shines a probing spotlight on society' CultureFly 'Fans of Brookmyre could do worse than checking out Simone Buchholz, a star of the German crime lit scene who has been deftly translated

into English by Rachel Ward' Goethe Institute 'Stripped back in style and deadpan in voice ... a scintillating romp around the German criminal underworld and back' Doug Johnstone, Big Issue 'By turns lyrical and pithy, this adventure set in the melting pot of contemporary Hamburg has a plot and a sensibility that both owe something to mind-altering substances. Lots of fun' Sunday Times 'Disgraced state prosecutor Chastity Riley chases round the dive bars of the port city pursuing and being pursued by a beguiling cast of cops, criminals and chums, delivering scalding one-liners as she goes' The Times 'Great sparkling energy, humour and stylistic verve ... and the story itself is gripping and pacy' Rosie Goldsmith, European Literature Network 'A must-read, stylish and highly original take on the detective novel, written with great skill and popping with great characters' Judith O'Reilly, author of Killing State 'Constantly surprising ... an original, firecracker of a read' LoveReading /div

Therapeutic Endoscopy in the Gastrointestinal Tract

Orenda Books

On a business trip to Tunisia, Preising, a leading Swiss industrialist, is invited to spend the week with the daughter of a local gangster. He accompanies her to the wedding of two London city traders at a desert luxury resort that was once the site of an old Berber oasis. With the wedding party in full swing and the bride riding up the aisle on a camel, no one is aware that the global financial system stands on the brink of collapse. As the wedding guests nurse their hangovers, they learn that the British pound has depreciated tenfold, and their world begins to crumble around them. So begins Barbarian Spring, the debut novel from Jonas Lüscher, a major emerging voice in European fiction. The

timely and unusual novel centers on a culture clash between high finance and the value system of the Maghreb. Provocative and entertaining, Barbarian Spring is a refreshingly original and all-too-believable satire for our times.

I Put a Spell on You Springer

Deutsches Sprachschaffen in Lehre und Leben.

The Legend of Georgia McBride Simon and Schuster

This book analyzes the attitudes and policies of the Nazi leadership towards the German working class. The author argues that the regime did not securely integrate the working class and was thus less successful in imposing mass economic sacrifices in the interests of forced rearmament. With a growing labour shortage in the late 1930s, industrial conflict re emerged. These two factors slowed down military preparations for war and may well, it is argued, have influenced Hitler's foreign policy in 1938/39. The author has added a substantial epilogue to this edition in which he responds to the main criticisms, aroused by the German original, and assesses the relevance of more recent research to the arguments put forward.

Wirkendes Wort Dramatists Play Service, Inc.

A woman approaching the 'invisible years' of middle age abandons her failing writing career to retrain as a chiropractor in the East Berlin suburb of Marzahn, once the GDR's largest prefabricated housing estate. From her intimate vantage point at the foot of the clinic chair, she observes her clients and co-workers, listening to their stories with empathy and curiosity. Part memoir, part collective history, Katja Oskamp's love letter to the inhabitants of Marzahn is a tender reflection on life's progression and our ability to forge connections in the unlikeliest of places.

Each person's story stands alone as a beautifully crafted vignette, but together they form a portrait of a community.

The Waldorf School Orenda Books

A distinct and original post-structuralist approach to Marx, allowing him to be read in a new light.

Marx Through Post-Structuralism The Experiment, LLC

Bruce Springsteen – Like a Killer in the Sun, originally published in Italian, is the definitive book on the work of Bruce Springsteen, showing his unique narrative talent and offering an accurate critical examination of his poetics. It presents 117 among his best lyrics, expounded and annotated with the philological care used for the classics of literature. In his introduction, Leonardo Colombati draws the attention to the fact that Springsteen is an author grafted on the line that goes from Whitman to Steinbeck, from Flannery O'Connor to Raymond Carver. The book also contains Springsteen's biography and discography, plus an exclusive interview with Bruce Springsteen. With forewords by Academy Award-winner Ennio Morricone and music critic Dave Marsh, a committee member of the Rock and Roll Hall of Fame and Springsteen's biographer. Like a Killer in the Sun is a book for anyone who wants to listen to a powerful and inspired voice coming from the heart of America.

Bruce Springsteen: Like a Killer in the Sun DVA

Collective Creativity combines complex and ambivalent concepts. While 'creativity' is currently experiencing an inflationary boom in popularity, the term 'collective' appeared, until recently, rather controversial due to its ideological implications in twentieth-century politics. In a world defined by global cultural practice, the notion of collectivity has gained new relevance. This publication discusses a number of concepts of creativity and shows that, in opposition to the traditional ideal of the individual as creative genius, cultural theorists today emphasize the collaborative nature of creativity; they show that 'creativity makes alterity, discontinuity and difference attractive'. Not the Romantic Originalgenie, but rather the agents of the 'creative economy' appear as the new avant-garde of aesthetic innovation: teams, groups and collectives in business and science, in art and digital media who work together in networking clusters to develop innovative products and processes. In this book, scholars in the social sciences and in cultural and media studies, in literature, theatre and visual arts present for the first time a comprehensive, inter- and transdisciplinary account of collective creativity in its multifaceted applications. They investigate the intersections of artistic, scientific and cultural practice where the individual and the collective merge, come together or confront each other.

Barbarian Spring

"Arriving at the family manor, the major scarcely recognises his tall and elegant niece as she rushes to greet him. Surprise soon turns to satisfaction as he learns that she has confessed to being in love with him--and he a fifty-year-old man! ...Before he can enjoy his new found joie de vivre, he must first make his confession to his son, for whom his niece was originally promised. So begins Goethe's wicked comedy of family obligations, misplaced affections, and the inexorable advancement of time..."Jacket.
