Gap Year in Ghost Town

Tuttle Publishing

M.J., her partner Gilley, and their client, the wealthy, de-lish Dr. Steven Sable, are at his family's lodge, where his grandfather allegedly jumped to his death from the roof-although Sable says it was foul play. But the patriarch's isn't the only ghost around. The place is lousy with souls, all with something to get off their ghoulish chests. Now M.J. will have to to quell the clamor-and listen for a voice with the answers...

Ghost Hunters Penguin

The author of *Prism of the Night* takes readers into the world of real-life ghost hunters, revealing their high- and low-tech methods for rooting out spirits.

Onibi: Diary of a Yokai

Ghost Hunter Hachette UK

This all-new chapter book is based on Nickelodeon's popular TV series *The Loud House!* Lincoln wants to capture proof of paranormal activity in the Loud house to send in to his favorite TV show, *ARGGH!*, (*The Academy of Really Good Ghost Hunters*)--but it's not easy capturing a skittish spirit in a household of ten rambunctious girls. With his friend Clyde's help, Lincoln schemes to get all his sisters out of the Loud house so the guys can get their ghost--but when the hunters become the haunted, Lincoln learns a lesson about whose house it really is. Fans of Nickelodeon's *The Loud House* and readers ages 6 to 12 will love this laugh-out-loud original chapter-book adventure with full-color insert.

"In *Ghosthunters*, John Kachuba explores some of America's great haunts while he introduces us to the people who actually go searching for ghosts. His writing takes the reader on a haunted journey—it's like riding shotgun with him while he creeps through haunted asylums, abandoned farmhouses, and historic battlefields, and speaks with some of the biggest names in this field of study. If something goes bump in the night, have no fear—John Kachuba won't be far behind."

—Jeff Belanger, founder of *Ghostvillage.com* and author of *The World's Most Haunted Places* Why do ghosts fascinate so many people? To answer that question, writer and paranormal researcher John Kachuba aka "The Ghosthunter" investigates haunted locations throughout the country and interviews scores of people who have had paranormal encounters. The author discovers a growing interest in ghosts

today, which has spurred an American pop culture phenomenon based on the supernatural. Combining his case reports of actual hauntings, discussions with leading figures in the paranormal world, and stories about related subjects—buying ghosts on eBay, buying and selling haunted houses, ghost tourism—Ghosthunters presents an intriguing and witty look at America's paranormal world. Set off down the trail of the paranormal and read about: A ghost hunt in a Connecticut coffee shop with lay religious demonologist David Considine. Spending the night with the ghost of Miss Lily at St. Augustine, Florida's historic St. Francis Inn. Spiritualist minister Rev. Rose Vanden Eynden's abilities to talk with the dead. The search for the headless inmate on a ghost hunt at West Virginia's Moundsville State Penitentiary.

The Ghost Hunter's Survival Guide

Ghost Hunter's Handbook is for kids and families who love to explore the world of the supernatural. It presents a range of ghost and supernatural themed stories and

activities that will keep kids enthralled for hours. *Nightmare in 3-D* Scholastic Paperbacks Silver Master is the fifth novel in Jayne Castle's futuristic Ghost Hunter series. It is a romantic-suspense with a strong paranormal twist set on the planet Harmony. Professional matchmaker Celinda Ingram is a psychically gifted woman with a problem. She is in desperate need of a bodyguard who can double as a date for her sister's wedding. Davis Oakes, a member of the mysterious Ghost Hunter's Guild, is a security expert with a most unusual paranormal talent. But Davis doesn't trust matchmakers and Celinda doesn't trust anyone connected to the Guild. Sparks fly immediately. Danger is closing in fast, however, and this pair has no choice but to work together to survive.

Ghost Hunting for Beginners Simon and Schuster

Listen up, kid. My name is Dr. Cecil H.H. Mills. I'm the author of this book and many other ones that you might not have heard of. This book is about two idiot wannabe detective-types. Their names are J.J. and Valentine Watts, but

I'm not sure if they're actually brothers or not. They make a friend; her name is Trudi de la Rosa. She's a wannabe detective-type too, but honestly, she's less of an idiot than the brothers. The three of them team up to solve a mystery that takes place in a snowy chateau up in the mountains. It gets more complicated around chapter 11, but now you've got the main gist of it. The story's full of intrigue and adventure and puzzles and light violence and some swear words. It's really entertaining. Just buy the book and start reading. You'll understand everything about the Ghost Hunters Adventure Club very soon.

The Return of the Third-grade Ghosthunters Penguin

Star of Kindred Spirits and paranormal investigator Amy Bruni shares stories from her years of experiences with ghosts, organized around thirteen truths that guide her approach to the supernatural. Amy Bruni, co-star of Kindred Spirits and one of the world's leading paranormal investigators, has learned a lot about ghosts over her years of research and first-hand experience.

Now, in *Life with the Afterlife*, she shares the insight she has gleaned and how it has shaped her unique approach to interacting with the spirits of the dead and those who encounter them. From her earliest supernatural encounters as a child, through her years appearing on *Ghost Hunters* and the creation of her company *Strange Escapes*, which offers paranormal excursions to some of America's most notoriously haunted destinations, and into her current work on *The Travel Channel's Kindred Spirits*, this book is full of astonishing and deeply moving stories of Amy's efforts to better understand the dead but not yet departed. With Amy's bright humor and fierce compassion for both those who are haunted and those who are haunting, *Life with the Afterlife* is an eye-opening look at what connects us as people, in life and beyond. The House in the Woods
Ghost Hunters
A spooky stand-alone middle-grade novel from Dan Poblocki, perfect for fans of John Bellairs and Mary Downing Hahn. "They say if you see him, it's already too late." Claire

doesn't believe in ghosts, even though her dad is a ghost hunter on TV. But then her dad disappears. And a strange boy in her class, Lucas, knows something about ghosts. One of them has a message for her: Her dad has been taken, and he's in grave danger. Together, Claire and Lucas set out for the town of Hush Falls, where her dad was last seen. Legend says that a tall man in a dark tattered coat lurks near the local reservoir, and anyone who gets too close to old Lemuel Hush is never heard from again. Claire and Lucas are determined to rescue her father. But how can they save him from the ghost of Hush when everyone knows that seeing the ghost means that you're destined to die...

The Ghost Hunters Univ. Press of Mississippi
Twelve-year-old Alex has lost his ability to play ghostball and gained the ability to see ghosts. Now he must learn to put a malevolent spirit to rest or meet a gruesome fate. Once an athlete and popular kid, Alex is in a terrible car accident that severely injures his hip and leaves him with the powers of the outcast psychic class: he can see and hear ghosts. While he

wants nothing more than to be an ordinary, Alex becomes haunted by an evil spirit—he must accept his new powers and put the ghost to rest or die trying.

Tell No One! Simon and Schuster
Southerners are accustomed to hearing stories of a residence, an old hotel, a mansion, or a battlefield being haunted. In *Ghost Hunters of the South*, Alan Brown shows that ghostlore is no longer enough for some. The forty-four ghost hunting groups he profiles in this book pack cameras, Geiger counters, thermal scanners, oscilloscopes, tape recorders, computers, and dowsing rods to find and record elusive proof of supernatural activity. With candor, the directors and team members reveal the passions and even obsessions that lead them to this expensive, time-consuming, and sometimes dangerous and chilling pursuit of evidence of the spirit realm. Brown interviews enthusiasts from twelve states--Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia. Ghost

Hunters of the South takes the reader along on exciting and fearful investigations of places such as the Myrtles, St. Francis Inn, Chickamauga Battlefield, Bob Mackey's Music World, Old Talbott Tavern, North Carolina State Capitol, Granberry Opera House, and 17Hundred90 Inn and Restaurant. Brown participates in some of the investigations to gain a full and objective understanding of teachers, doctors, accountants, housewives, and law enforcement personnel, who devote much of their free time to a quest that many outsiders view with skepticism if not scorn. In fascinating, frightening, and sometimes humorous accounts, Brown highlights the determination of these individuals to answer the question: What happens to the soul after death?. Alan Brown is a professor of English and director of the Writing Center at the University of West Alabama.

The Ghost Hunter's Field Guide Schiffer Publishing Limited

There has been an upsurge in books, television programmes, films and websites exploring the reality or otherwise of the spirit world. Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular. Television and the internet, in particular, have fueled this new level of interest, creating a modern media phenomenon that spans the globe. But while the demand for information is high, good information

remains scarce. *A Brief Guide to Ghost Hunting* leads us through the process of ghost hunting, from initially weighing the first report, to choosing equipment, and investigating and identifying the phenomena, with an analysis of the best places to go looking, methods of contacting the spirit world, how to explain paranormal activity and, crucially, how to survive the encounter. However, it is also a book about ghost hunting itself, drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories. *A Ghost Hunting Survey* makes use of interviews with those billing themselves as ghost hunters to find out their views, motivations and experiences. New and original research makes use of statistics to map the nebulous world of apparitions while *a Preliminary Survey of Hauntings* offers an analysis of 923 reported phenomena from 263 locations across the UK. This is, as far as possible, an objective presentation of ghosts and ghost hunting. It is no wonder that mainstream science

largely refuses to deal with the subject: it is too complicated. Without trying to convince you of any viewpoint, this book is intended to help you understand more.

Ghost Hunting Penguin

"Ghosts are always hungry," someone once said—and no one knows how ravenous they really are more than Ed & Lorraine Warren, the world's most renowned paranormal investigators. For decades, Ed and Lorraine Warren hunted down the truth behind the most terrifying supernatural occurrences across the nation... and brought back astonishing evidence of their encounters with the unquiet dead. From the notorious house immortalized in *The Amityville Horror* to the bone-chilling events that inspired the hit film *The Conjuring*, the Warrens fearlessly probed the darkness of the world beyond our own, and documented the all-too-real experiences of the haunted and the possessed, the lingering deceased and the vengeful damned. *Graveyard* chronicles a host of their most harrowing, fact-based cases of ghostly visitations, demonic

stalking, heart-wrenching otherworldly encounters, and horrifying comeuppance from the spirit world. If you don't believe, you will. And whether you read it alone in the dead of night or in the middle of a sunny day, you'll be forever haunted by its gallery of specters eager to feed on your darkest dread. Don't miss the Warrens' latest film "Annabelle" in theaters now.

Ghosthunters John Wiley & Sons

Stranger Things meets Point Horror in the first of a brilliant new series for readers aged 11+ from Yvette Fielding, British television's first lady of the paranormal and presenter of *Most Haunted*. When Clovis, Eve and Tom decide to play with a ouija board in an old abandoned house on Halloween, none of them foresees the horrors they're about to unleash. What starts out as a bit of fun, soon transcends into something far more

terrifying when a distressed and determined spirit follows them home. Before long the friends are caught up in a series of events beyond their wildest imaginings and their journey as ghost hunters begins . . . 'When I grow up I wanna be a ghost hunter!' Keith Lemon 'If you're reading this scary book in bed then it might be wise to leave the landing light on' Paul O'Grady 'I'm too scared to read this!' Matt Lucas
