LAYLAH COLON

Religious Bodies: 1936 David C Cook

"The book's chapters provide background on how and why the CIPP (Context, Input, Process, Product) Model was developed; a detailed presentation of the model; an explanation of the key role of an evaluation-oriented leader, who can decide what and when to evaluate; detailed presentations on evaluation design, budgeting, and contracting; procedures and tools for collecting, analyzing, and reporting evaluation information; and procedures for conducting standards-based meta-evaluations (evaluations of evaluations). These topics are interspersed with illustrative evaluation cases in such areas as education, housing, and military personnel evaluation"--

Guidelines for Leading Your Congregation 2013-2016 (Set of 26) Abingdon Press

Enthusiasm in a church is a by-product of effective small groups, leadership, relationships, spirituality, worship services, evangelism, ministry, and structures. Need-meeting churches are enthusiastic and effective. In simple words with many illustrations and practical applications, *Becoming an Enthusiastic Church* gives church leaders, coaches, and consultants diagnostic tools and blueprints to build God's kingdom more effectively and efficiently.

Religious Bodies, 1936 Positive Action Bible Curriculum

Here are prayers and meditations for parents and others who strive to instill values of faith, integrity, compassion, and service in our children at a time when these ideas are threatened by commercialism and violence. With warmth and conviction, Edleman shares his own prayers as well as inspirational readings from others. Turn in this book for guidelines and support--again and again.

Growing Young Corwin Press

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let *The Accountant Beside You* take one more worry off your crowded to-do

list.

Administering Christian Education Gospel Light Publications

Teaches students about God through the stories and activities centered around the lives of major Bible characters. Designed to challenge the student's heart and his head.

Church Administration and Finance Manual Psychology Press

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. *Smart Church Management: A Quality Approach to Church Administration*, Third Edition is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

The Oxford History of Protestant Dissenting Traditions, Volume V Multnomah

The Action Bible presents more than 230 fast-paced narratives in chronological order, making it easy to follow the Bible's historical flow and building up to the thrilling climax of God's redemptive story. Plus, these spectacular updates take the action to a whole new level: 25 new stories showcase a more extensive exploration of God's work in our lives. 23 expanded stories highlight additional experiences of the people who tell God's story. 128 new pages of illustrations deliver a richer artistic experience with more close-up faces, historical details, and dramatic colors. Every page sparks excitement to explore God's Word and know Him personally. Readers will witness God's active presence in the world through stories from the life of Jesus and great heroes of the faith. Let this blend of powerful imagery and clear storytelling capture your imagination and instill the truth that invites you to discover your own adventure of life with God. Sergio Cariello's illustrations for The Action Bible leap off the page with the same thrilling energy that earned him international recognition for his work with Marvel Comics and DC Comics.

What Every Sunday School Teacher Should Know Harper Collins

The five-volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration ('out-of-England'). It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy, the Book of Common Prayer, the Thirty-Nine Articles, and Royal Supremacy, but then follows those traditions as they spread beyond Britain and Ireland--and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent. Secondly, it does the same for the doctrines, church practices, stances toward state and society, attitudes toward Scripture, and characteristic patterns of organization that also originated in earlier British and Irish dissent, but that have often defined a trajectory of influence independent of ecclesiastical organizations. The Oxford History of Protestant Dissenting Traditions, Volume V follows the spatial, cultural, and intellectual changes in dissenting identity and practice in the twentieth century, as these once European traditions globalized. While in Europe dissent was often against the religious state, dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies. The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization; changing imperial politics; challenges to biblical, denominational, and pastoral authority; local cultures and languages; and some of the century's major themes, such as race and gender, new technologies, and organizational change. In so doing, they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion, and in particular Christianity.

Smart Church Management: A Quality Approach to Church Administration Ballantine Books

Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Youth Ministry Routledge

How do we make grace part of Christian living? Does Sunday School encourage discipleship and teach our children faith? People in the world often reject Christianity simply because they can't distinguish it from mere morality. The world needs morality--oppression thrives when consciences are abandoned--but we need more than that alone. We need the gospel of grace. A gospel that has largely been lost amid the dos and don'ts and preoccupations of religious culture. 12 Essays on the Distinction Between Grace and Morality Includes perspectives on topics such as: Why Do Our Children Leave the Church? Graceless Goodness: The Problem with Moralism The False Gospel of "Just Do It" The Temptations of Christian Publishing The Ugliness of Religious Righteousness The Insidious Danger of "I'd Never Do That" We Read the Bible the Wrong Way Comments from Readers I like what Sam Williamson has to say about how good people--people like us--may be piling burdens on our children they can't possibly bear. Has the good news of the gospel magically morphed into bad news for them? Read Sam's provocative new book to find out. -Ann Spangler, Author, *Praying the Names of God* (and many other books) These days we hear so much and think so little. We consume without digesting and then wonder why our body is acting

strangely. In this book, Sam helps us look carefully, graciously, and wonder-fully at the Gospel and the beliefs of our heart. -Gary Barkalow, founding director of The Noble Heart, and Author, *It's Your Call*. This has got to be one of the best books on raising Godly children (or simply new believers) I've ever read. Thank you. -Brian This is as clearly and as beautifully communicated as I have heard the Gospel for a long time. -Bob This is such an excellent read!!! I wish all Christians could read it. What a great blessing to see this truth presented in a way that it is so easily understood. Thank you for this thoughtful book. - Linda This is a fitting warning that Christian education could fall into moralization (and idolizing "heroes of faith"). The same warning is applicable even to the whole teaching/preaching ministry of many churches. - Ray From the Book People often pit grace against moralism. And they should. Moralism circumvents heart-changed morality. We need moral men and women, but moralism damages the foundation of heart-change. It's okay to pit grace against moralism, but let's not pit grace against morality. Grace is the source of real morality, and grace--thank God!--breaks the bars of moralism that imprison us. Is Sunday School Destroying Our Kids? exposes moralism for its false pretensions--the sham that it is--and it moves our hearts to believe the gospel, for the first, or the hundred-and-first, time. Available in Print and eBook Editions Scroll up and order your copy now.

Becoming an Enthusiastic Church Group Publishing, Inc.

After many "out-of-print" years, this volume has been reissued in response to an increasing demand for copies. This reflects that the fundamental questions that motivated this book thirty years ago are still being asked. But more important, the answers -- or at least their outlines -- now seem to be in sight. In 1968, this book stood as an expression of a paradigm crisis in its critique of the state of personality psychology. The last three decades have been filled with controversy and debate about the dilemmas raised here, and then with renewal and fresh discoveries. It therefore seems especially timely to revisit the pages which posed the challenges. Mischel outlined the need to encompass the situation in the study of personality, but with a focus on the acquired meaning of stimuli and on the situation as perceived, viewing the individual as a cognitive-affective being who construes, interprets, and transforms the stimulus in a dynamic reciprocal interaction with the social world. He focused on the idiographic analysis of personality that had originally motivated the field, and the complexity, discriminative facility, and uniqueness of the individual, and sought to connect the expressions of personality to the individual's behavior -- that is, to what people do and not just what they say. Even the intrinsically contextualized "if...then..." expressions of the personality system -- its essential behavioral signatures -- were foreshadowed in this book that fired the opening salvo in a search for "a truly dynamic personality psychology."

Is Sunday School Destroying Our Kids? Abingdon Press

Reynolds suggests transformational concepts and resources for Sunday School classes in this handbook of 20 creative methods for bringing Bible stories to life. (Ministry & Pastoral Resources)

Improving Your Sunday School Wm. B. Eerdmans Publishing

Emphasis on measurement techniques can interfere with understanding how well particular social programs in their field work. In *Making a Difference: The Practice of Sociology*, Irwin Deutscher links traditional sociological concerns with applied sociology in an effort to overcome this problem. He contributes to the debate over the extent to which health, educational, and social programs initiated by the Roosevelt, Kennedy, and Johnson administrations have been successful in intimate, human terms. Deutscher believes that the introduction of a sociological perspective can provide a positive element to interdisciplinary pursuits. This belief, as well as his fresh perspectives on both the strengths and limitations inherent in applied sociology, offer the field a revitalising lift. As such, this highly informative, thought-provoking volume will be of interest to sociologists and policy makers in health, education, crime, welfare, and housing.

Workshop Rotation Oxford University Press

Sharing God's Word with children can be the most spiritually satisfying experience of your life. But if you've never taught kids before the prospect can be terrifying! Let Elmer Towns put your fears to rest as you read through 24 "bite-sized" topics covering everything from motivation to gifting to teaching methods! This easy-to-read book will inspire Sunday School teachers - new and experienced - to embrace with joy their important role of teaching children of all ages about God's amazing love.

The Action Bible Zondervan

A field-tested guide to the management and finance of church congregations, revised for a new generation. Clergy are generally equipped to preach and provide spiritual care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. The *Church Administration and Finance Manual* is the classic guide to running a church, written to answer key questions for clergy and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. This revised edition offers guidance on many new topics that are of vital importance to churches, including protecting children, information security, approaches to preventing and responding to violence, planned giving, social media, and hybrid work and worship. Whether clergy are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish.

Journal of the ... Annual Convention, Diocese of Central Pennsylvania Herald Press (VA)

Unleashing the Passion of Young People in Your Church Is Possible! Churches are losing both members and vitality as increasing numbers of young people disengage. Based on groundbreaking research with over 250 of the nation's leading congregations, *Growing Young* provides a strategy any church can use to involve and retain teenagers and young adults. It profiles innovative churches that are engaging 15- to 29-year-olds and as a result are growing--spiritually, emotionally, missionally, and numerically. Packed with both research and practical ideas, *Growing Young* shows pastors and ministry leaders how to position their churches to engage younger generations in a way that breathes vitality, life, and energy into the whole church. Visit www.churchesgrowingyoung.org for more information.

Guidelines for Leading Your Congregation 2013-2016 - Mission Tate Publishing

The Guidelines booklets, one for each ministry area, are tools that enable you to help get new lay leaders off to a good start. Each booklet includes

the basic ""job description"" for the leader as well as practical ""how-to"" information important to implementing ministry effectively. Brief and to the point for the busy, but spirit-led leader, these Guidelines take some of the unknown out of leading these ministry areas. One booklet for each title makes up this set of 26 Guidelines, perfect for making them available to all church members. The twenty-six Guidelines, one for each ministry are.

Census of Religious Bodies, 1936 Destiny Image Incorporated

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
