JAZMINE LEWIS

Las Vegas, 1905-1965

Harper Collins

The bestselling novel from America's premier cowboy poet. Cowboys Lick and Cody are on a quest to qualify for the rodeo national finals—and their widely entertaining, often hilarious adventure includes a smattering of sex, violence, intrigue,

and the occasional philosophical rumination. These modern-day cowpokes—two chivalrous knights of the rope and range with a hankering for bucking broncos and for the female of the two-legged species—find much more than they bargained for in Oklahoma City. Against the colorful, flamboyant backdrop of the hard-ridin', hard-playin' rodeo circuit, they encounter a city woman named Lilac,

with whom Cody falls in love; a bull named Kamikaze; and two corrupt Texas billionaires who bet against Lick. In the vein of a latter-day Will Rogers, Baxter Black combines a colorful yarn with occasional bits of his unique cowboy philosophy and poetry. "It could make a dead man sit up and laugh"—The Washington Post Book World

The Lucky Cowboy
Trafford Publishing

This hilarious new novel by America's best-selling cowboy poet, Baxter Black, offers a funny, fast-paced inside look at the lives of rodeo cowboys and the women they love-or that they want to love. Cooney Bedlam is a saddle bronc rider and bull rider who has just fallen in love with the indefatigable Pica DeTroIT, but every time he tries to win her affections, he makes a fool of himself. When she's accused of illegal trafficking in endangered species, after being set up

by the diabolical Oui Oui Reese, Cooney and his traveling partner, Straight Line, pull out all the stops to try to prove her innocence and to compete at the National Finals Rodeo.

Houghton Mifflin Harcourt The Montana Cowboy brings together true stories of real cowboys and cowgirls from across the Treasure State. Cowboys who have chased wild horses in the Missouri River badlands, ridden through freezing blizzards, and followed the roundup wagons while branding calves in the spring and gathering in the fall. Many of these stories come from early day settlers and exhibit the fortitude and toughness needed to survive when Montana

was little more than a land of wolf tracks and unfenced grass. Others relate more modern experiences, some dangerous, others unpredictable, as so often happens when working with livestock. Through them all, a thread of humor and respect for fellow man runs like an invisible strand, just as the cowboy's heart is never far from a jest or a practical joke.

For nearly a half-century, Las Vegas, New Mexico,

held "Wild West" adventures rivaling Cheyenne's Frontier Days, the Calgary Stampede, and Oregon's Pendleton Round Up. The San Miguel County seat annually hosted full-dress cowpunchers, Native Americans, ranchers, dance bands, artists and writers, moviemakers, and rodeo performers. The Las Vegas Cowboys' Reunion became legendary in western lore, drawing such ten-gallon names as Tom Mix, Jim Shoulders, Montana Belle, Prairie Rose Henderson,

and Roosevelt's Rough Riders. Dick Bills and his nephew, Glen Campbell, played at the "Big Balls," and the reunions drew famous western artists, such as Randall Davey. Join author Pat Romero for these reunion tales based on *Git Fer Vegas, Cowboy*, the exhibit she curated at the City of Las Vegas Museum and Rough Rider Memorial Collection. *One Lucky Cowboy* Sourcebooks, Inc.  Everyone thinks they know the story of Las Vegas: the showgirls, the gambling, the mob. But Las Vegas has always been much more. Families have lived here since its founding in 1905. After

1931, legalized gaming became the big tourist draw, and following World War II, the town began to market itself as "America's Playground." That is when the famed Las Vegas Strip came into its own and downtown was dubbed "Glitter Gulch." These vintage postcards show how Las Vegas evolved from a dusty railroad town into the "Entertainment Capital of the World," while remaining a city filled with families and pioneering souls. Playing the Odds Hal

Leonard Corporation (Applause Books). Based on the novel by Hunter S. Thompson, this is the screenplay of the movie. Includes thoughts by both Tony Grisoni and Terry Gilliam. "Transferred to the screen by Gilliam with a fidelity to the author's imagery ... here it is in all its splendiferous funhouse terror; the closest sensory approximation of an acid trip ever achieved by a mainstream movie." A surprise wedding present Two months ago Kate McDermot had left for Las Vegas a levelheaded virgin—and returned with a marriage certificate and a baby on the way. Experience had taught her Brady Brown would feel trapped by the news that he was going to be a father. So in her baby's best interests, she'd wait to tell him until after they dissolved the union. But the more time she spent with her "temporary" husband, the harder it became not to

reveal the truth hidden safe within her—and the feelings hidden in her heart.

When Elvis crooned "Bright light city . . . gonna set my soul on fire," he voiced and embraced the siren call of a glittering urban utopia that continues to mesmerize millions. Call it Sin City or Lost Wages, Las Vegas definitely deserves its rapturous "Viva!" Larry Gragg, however, invites readers to view Las Vegas in an

entirely new way. While countless other authors have focused on its history or gaming industry or entertainment ties, Gragg considers how popular culture has depicted the city and its powerful allure over its first century. Drawing on hundreds of films, television programs, novels, and articles, Gragg identifies changing trends in the city's portraits. Until the 1940s, boosters promoted it as the "last frontier town," a place where prospectors and cowboys enjoyed

liquor, women, and wide-open gambling. Then in the early 1950s commentators increasingly characterized Las Vegas as a sophisticated resort city in the desert, and ever since then journalists, filmmakers, and novelists have depicted a city largely built by organized crime and featuring non-stop entertainment, gambling, luxury, and, of course, beautiful-and available-women. In Gragg's narrative, these images form a kaleidoscope of lights,

sounds, characters, and ultimately amazement about this neon oasis. In these pages, readers will meet gangsters like Bugsy Siegel, Tony Spilotro, and Lefty Rosenthal, as well as Las Vegas's most popular entertainers: Elvis Presley, Sinatra's Rat Pack, Liberace, and Wayne Newton, not to mention the Folies Bergere showgirls. And Gragg's skillful interweaving of fictional and journalistic accounts of organized crime shows just how mutually reinforcing they have become over the

years. Vegas will always make people's eyes light up as bright as the Strip, witness the new TV show Vegas or the recent film The Hangover. For everyone entranced by its glitter and glamour, Bright Light City is a must read boasting color photos and bursting with insider details: an eclectic blend of stories, people, sights, and sounds that together make up this desert city's extraordinary appeal. *Billboard* U of Nebraska Press
