The task is simple: Don a disguise. Survive the labyrinth . . . Best the boys. Every year for the past fifty-four years, the residents of Pinsbury Port have received a mysterious letter inviting all eligible-aged boys to compete for an esteemed scholarship to the all-male Stenwick University. The poorer residents look to see if their names are on the list. The wealthier look to see how likely their sons are to survive. And Rhen Tellur opens it to see if she can derive which substances the ink and parchment are created from, using her father's microscope. In the province of Caldon, where women train in wifely duties and men pursue collegiate education, sixteen-year-old Rhen Tellur wants nothing more than to become a scientist. As the poor of her seaside town fall prey to a deadly disease, she and her father work desperately to find a cure. But when her mum succumbs to it as well? Rhen decides to take the future into her own hands—through the annual all-male scholarship competition. With her cousin, Seleni, by her side, the girls don disguises and enter Mr.

Holm's labyrinth, to best the boys and claim the scholarship prize. Except not everyone is ready for a girl who doesn't know her place. And not everyone survives the deadly maze. Welcome to the labyrinth. Praise for *To Best the Boys*: "Atmospheric, romantic, inspiring." —KRISTEN CICCARELLI, internationally bestselling author of *The Last Namsara* "Smart, determined, and ready to take on the world: Rhen Tellur is an outstanding heroine with every reason to win a competition historically intended for boys." —Jodi Meadows, *New York Times* bestselling author of *The Incarnate Trilogy* and coauthor of *My Lady Jane A "Hunger Games/Handmaid's Tale mash-up."* —BN Teen Blog

Dear Santa, It's hard to be a Jew on Christmas. Nobody brings me presents, like sexy Daddies or Peppermint Mocha Frappes (because, let's be honest, I can totally sell-out if it gets me peppermint in my caffeinated sugar).But do you know what I really want for Christmas? I want to know what's wrong with the app so I don't have to work on the weekend. So maybe you can work on that, Santa, for the Jewiest Jew Boy ever? Love and kisses, LeviSaul shouldn't be attracted to his funny and adorable employee, Levi. He shouldn't be excited about debugging an error in the kinky dating together. And he definitely shouldn't bring him peppermint mocha frappes just to see him smile.

Saul has enough to do with running a company and figuring out his gender transition on the job. But he can't help wondering what it would be like to hear Levi call him Daddy. *Dear Daddy, Please Want Me* is about an exuberant boy, a reluctant Daddy, the age-old Jewish tradition of Chinese food and movies on Christmas day, and a happily ever after. This book is part of the *Naughty or Nice* multi-author series. Each book can be read as a standalone, but there are so many boys hoping that holiday magic will bring them their perfect Daddy, why not grab them all?

Based on the wildly popular Twitter feed *Dear Girls Above Me*, a roman à clef about how thinking like a couple of girls turned one single guy into a better man. When Charlie McDowell began sharing his open letters to his noisy upstairs neighbors—two impossibly ditzzy female roommates in their mid-twenties—on Twitter, his feed quickly went viral. His followers multiplied and he got the attention of everyone from celebrities to production studios to major media outlets such as *Time* and *Glamour*. Now *Dear Girls* breaks out of the 140-character limit as Charlie imagines what would happen if he put the wisdom of the girls to the test. After being unceremoniously dumped by the girl he was certain was “the one,” Charlie realized his neighbors’ conversations were not only

amusing, but also offered him access to a completely uncensored woman’s perspective on the world. From the importance of effectively Facebook-stalking potential girlfriends and effortlessly pulling off pastel, to learning when in the early stages of dating is too presumptuous to bring a condom and how to turn food poisoning into a dieting advantage, the girls get Charlie into trouble, but they also get him out of it—without ever having a clue of their impact on him.

WINNER OF THE NOBEL PRIZE© IN LITERATURE 2013 A New York Times Notable Book A Washington Post Notable Work of Fiction A Best Book of the Year: The Atlantic, NPR, San Francisco Chronicle, Vogue, AV Club In story after story in this brilliant new collection, Alice Munro pinpoints the moment a person is forever altered by a chance encounter, an action not taken, or a simple twist of fate. Her characters are flawed and fully human: a soldier returning from war and avoiding his fiancée, a wealthy woman deciding whether to confront a blackmailer, an adulterous mother and her neglected children, a guilt-ridden father, a young teacher jilted by her employer. Illumined by Munro’s unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an

unprecedented glimpse into Munro’s own childhood. Exalted by her clarity of vision and her unparalleled gift for storytelling, Dear Life shows how strange, perilous, and extraordinary ordinary life can be.

“Like Richard Russo’s Straight Man this book has a lot to say about the humanities in American colleges and universities.... Very funny and also moving.” —Tom Perrotta, New York Post A BEST BOOK OF THE YEAR: NPR and Boston Globe Finally a novel that puts the "pissed" back into "epistolary." Jason Fitger is a beleaguered professor of creative writing and literature at Payne University, a small and not very distinguished liberal arts college in the midwest. His department is facing draconian cuts and squalid quarters, while one floor above them the Economics Department is getting lavishly remodeled offices. His once-promising writing career is in the doldrums, as is his romantic life, in part as the result of his unwise use of his private affairs for his novels. His star (he thinks) student can't catch a break with his brilliant (he thinks) work Accountant in a Bordello, based on Melville's Bartleby. In short, his life is a tale of woe, and the vehicle this droll and inventive novel uses to tell that tale is a series of hilarious letters of recommendation that Fitger is endlessly called upon by his students and colleagues to produce, each one of which is a small masterpiece of high dudgeon, low spirits, and passive-aggressive strategies. We recommend Dear Committee Members to you in the strongest possible terms. Don't miss Julie Schumacher's new novel, *The English Experience*, coming soon.

"With magical, concise and perceptive poems, Newbery-Honor winning author Joyce Sidman captures the life of a tree frog in an intimate and moving way. A master of the science note, her fascinating sidebars help bind the twin poems together and ground our perspective. We learn how treefrogs have sticky toe pads, how they still themselves when in danger, how they can change from green to gray to camouflage themselves - even how they eat their own skins, which is full of nutrients. The narrator's connection with this small creature brings solace, comfort, and a sense of mystery"--

Challenging perceptions of discrimination and prejudice, this emotionally resonant drama for readers of Lisa Wingate and Jodi Picoult explores three different women navigating challenges in a changing school district—and in their lives. WINNER OF THE CHRISTY AWARD® When an impoverished school district loses its accreditation and the affluent community of Crystal Ridge has no choice but to open their school doors, the lives of three very different women converge: Camille Gray--the wife of an executive, mother of three, long-standing PTA chairwoman and champion fundraiser--faced with a shocking discovery that threatens to tear her picture-perfect world apart at the seams. Jen Covington, the career nurse whose long, painful journey to motherhood finally resulted in adoption but she is struggling with a happily-ever-after so much harder than she anticipated. Twenty-two-year-old Anaya Jones--the first woman in her family to graduate college and a brand new teacher at Crystal Ridge's top elementary school, unprepared for the powder-keg situation she's stepped into. Tensions rise within and without, culminating in an unforeseen event

that impacts them all. This story explores the implicit biases impacting American society, and asks the ultimate question: What does it mean to be human? Why are we so quick to put labels on each other and categorize people as "this" or "that", when such complexity exists in each person?

FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE “A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving.” —New York Times Book Review, Editors' Choice “Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable.”

—David Sedaris From “a formidably gifted writer” (The New York Times Book Review), a book that

asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms “the portal,” where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats—from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness—begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. “Are we in hell?” the people of the portal ask themselves. “Are we all just going to keep doing this until we die?” Suddenly, two texts from her mother pierce the fray: “Something has gone wrong,” and “How soon can you get here?” As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.
