It's 1948 in Rippling Creek, Louisiana, and Tate P. Ellerbee's new teacher has just given her class an assignment—learning the art of letter-writing.

Luckily, Tate has the perfect pen pal in mind: Hank Williams, a country music singer whose star has just begun to rise.

Tate and her great-aunt and -uncle listen to him on the radio every Saturday night, and Tate just knows that she and Hank are kindred spirits. Told entirely through Tate's hopeful letters, this beautifully drawn novel from National Book Award-winning author Kimberly Willis Holt gradually unfolds a story of family love, overcoming tragedy, and an insightful girl learning to find her voice. Independently Published Colloquial Hungarian is the ideal introduction to the Hungarian Language. Specially written by experienced teachers, the course offers a step-by-step approach to written and spoken Hungarian and covers a variety of modern everyday situations.

Hungarian Henry Holt and Company (BYR) "Jessica Keener has written a gorgeous, lyrical, and sweeping

novel about the tangled web of past and present. Suspenseful, perceptive, fast-paced, and ultimately restorative.” —Susan Henderson, author of *Up from the Blue Budapest*: gorgeous city of secrets, with ties to a shadowy, bloody past. It is to this enigmatic European capital that a young American couple, Annie and Will, move from Boston with their infant son shortly after the fall of the Communist regime. For Annie, it is an effort to escape the ghosts that haunt her past, and Will wants simply to seize the chance to build a new future for his family. Eight months after their move, their efforts to assimilate are thrown into turmoil when they receive a message from friends in the US asking that they check up on an elderly man, a fiercely independent Jewish American WWII veteran who helped free Hungarian Jews from a Nazi prison camp. They soon learn that the man, Edward Weiss, has come to Hungary to exact revenge on someone he is convinced seduced, married, and then murdered his daughter. Annie, unable to resist anyone’s call for help, recklessly joins in the old

man’s plan to track down his former son-in-law and confront him, while Will, pragmatic and cautious by nature, insists they have nothing to do with Weiss and his vendetta. What Annie does not anticipate is that in helping Edward she will become enmeshed in a dark and deadly conflict that will end in tragedy and a stunning loss of innocence. Atmospheric and surprising, *Strangers in Budapest* is, as bestselling novelist Caroline Leavitt says, a “dazzlingly original tale about home, loss, and the persistence of love.”

A New York Times Book Review Notable Book • Finalist for the Pulitzer Prize for Fiction • Longlisted for the Women's Prize for Fiction

“Easily the funniest book I’ve read this year.” —GQ
 “Masterly funny debut novel . . . Erudite but never pretentious, *The Idiot* will make you crave more books by Batuman.” —Sloane Crosley, *Vanity Fair*
 A portrait of the artist as a young woman. A novel about not just discovering but inventing oneself. The year is 1995, and email is new. Selin, the daughter of Turkish immigrants, arrives for her freshman year at Harvard. She signs up for classes in subjects she has never heard of, befriends her charismatic and worldly Serbian classmate, Svetlana, and, almost by accident, begins corresponding with Ivan, an older mathematics student from Hungary. Selin may have barely spoken to Ivan, but with each email they exchange, the act of writing seems to take on new and increasingly mysterious meanings. At the end of the school year, Ivan goes to Budapest for the summer, and Selin heads to the Hungarian countryside, to teach English in a program run by one of Ivan's friends. On the way, she spends two weeks visiting Paris with Svetlana. Selin's summer in Europe does not

resonate with anything she has previously heard about the typical experiences of American college students, or indeed of any other kinds of people. For Selin, this is a journey further inside herself: a coming to grips with the ineffable and exhilarating confusion of first love, and with the growing consciousness that she is doomed to become a writer. With superlative emotional and intellectual sensitivity, mordant wit, and pitch-perfect style, Batuman dramatizes the uncertainty of life on the cusp of adulthood. Her prose is a rare and inimitable combination of tenderness and wisdom; its logic as natural and inscrutable as that of memory itself. *The Idiot* is a heroic yet self-effacing reckoning with the terror and joy of becoming a person in a world that is as intoxicating as it is disquieting. Batuman's fiction is unguarded against both life's affronts and its beauty--and has at its command the complete range of thinking and feeling which they entail. Immediately before each sentence is spoken, you will hear the translation, so you will always understand what is being said. Unit 2 focuses solely on increasing your listening ability, which will improve your abilities to engage in dialogue with a native Hungarian speaker. This chapter requires you to listen very carefully to nuances in the language. By Unit 3 you will already notice progress in your abilities to speak and understand Hungarian. The spoken translation is followed by two repetitions in Hungarian at a completely natural speed. While you are learning to process naturally spoken Hungarian, Units 3 and 4 will help you memorise new vocabulary and full sentences. In Unit 5 you can test yourself on how much you have learned. If you are having difficulties, we suggest you revisit the listening, speaking, or memorisation section of Units 1, 2 3 or 4, according to what you need more help with. We developed our audiobooks
