What happens when a pigeon who looks after all the visitors in the park finds himself in need? Help comes from a surprising source in a touching story of unexpected connection.  
Hugo the pigeon has a very important job. He is a park warden: he tends to his small Parisian park and all the people who live around it. Hugo helps

the park neighbors all year long: keeping Madame Grande company as she sits in the sun, discussing the news with Monsieur Occupé, entertaining little Bébé and Coquine so their mothers can take a rest, and flying from one apartment to the next during the winter to remind everyone that spring is coming. But one set of windows never opens

for Hugo's visits. Hugo knows that Somebody is there behind the curtains, but whoever they are, they hide whenever he knocks. What will it take for the mysterious Somebody to be coaxed out to enjoy the park—and perhaps make a few friends? Award-winning author Atinuke teams up with acclaimed illustrator Birgitta Sif for a charming, joyful story of friendship, bravery, and community. **Ghost Fire** National

Geographic Books Press kit includes 1 booklet and 1 photograph. **Pinocchio** Dragonfly Books A prequel comic from Netflix' award-winning series, delving into the mysterious workings of Project MKUltra and the weird science that opened the door to the Upside Down. Francine, a teenage girl with precognition, has struggled through a lifetime of exploitation:

first by her parents, then by Dr. Brenner of Hawkins Laboratory. Dr. Brenner wants to harness her powers as well as those of the other gifted children that they hold captive at the lab. Wracked by increasingly disturbing visions, she sees an opportunity for her and all the children to escape. But at what cost? From the pen of Jody Houser (Faith, CMYK: Magenta, Max Ride: Ultimate Flight) and featuring art

from Edgar Salazar and Keith Champagne (Black Panther), Stranger Things comics is essential reading for fans of the hit Netflix series as well as fans of the urban fantasy and horror genres in general. Collects Stranger Things II issues #1-4. The Bears' Famous Invasion of Sicily Houghton Mifflin Harcourt Dino Buzzati's classic tale chronicles the terrible winter

that sent the starving bears down into the valley in search of food, as well as their struggles with an army of wild boars, a wily professor who may or may not be a magician, snarling Marmoset the Cat, and, worse still, treachery within their own ranks. Over all this, the bears triumph with bravery, ingenuity, humility, and high spirits. **Maurizio Cattelan** Usborne Publishing

I Love You Always is an ode to motherly love that approaches a timeless topic with elegant simplicity and refreshing honesty. With a simple question, "Mom, will you love me my whole life?" Archibald sparks the most honest and relatable of answers from his mother, who goes on to tell her son about all the moments in life through which she loves him. "I love you when you behave

and when your good behavior doesn't last" and "I love you when you look your best and when you're feeling your worst" are some of the scenes author Astrid Desbordes and illustrator Pauline Martin succeed in depicting with heartwarming candidness. A refreshing take on a timeless subject, I Love You Always beautifully recounts a mother's unconditional love for her child.

**Things: SIX (Graphic Novel)** New York Review of Books  
The delights of Dumas' novels are well known. Less known today are his tales of Robin Hood. With pleasure, we present these two old works to a new century of readers. English versions of "The Prince of Thieves" and "Robin Hood the Outlaw" have virtually disappeared from bookshelves; they are now edited, corrected, and made

accessible to the world in print and e-formats, by the Reginetta Press. In this first volume, "The Prince of Thieves," Alexandre Dumas relates his own unique version of Robin Hood's origins and upbringing, how Robin was robbed of his heritage, how Robin becomes acquainted with Marian, Little John, Friar Tuck, and the Merrie Men, and the events leading up to Robin Hood's life as an outlaw.

Alfred Allinson's translation lends enchantingly antique wording, transporting us to the charm of a Sherwood Forest of former, fanciful days. Pinocchio Collector's Library  
A hilarious picture book featuring the big, bad wolf from the popular Gecko Press book, I am so Strong. " 'Hey, little bacon bits! Tell me, who's the handsomest of all?' demanded the

Rodari's Telephone Tales is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine. Awarded the Hans Christian Anderson Award in 1970, Gianni

Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds. **Giornale della libreria** Dark Horse Comics A Courtney Series novel by bestselling author, Wilbur Smith. 1754. Instead, she uses her beauty to manipulate her way to France, where she is welcomed into high society. But Connie once again finds herself at the mercy of vicious men, whose appetite for war and glory lead her to the frontlines of the French battlefield in North

<p>Wild Hunt have descended upon Avalon. With his homicidal appetite and immortal powers, the Erlking has long been the nightmare of the Fae realm. A fragile treaty with the Faerie Queen, sealed with a</p>	<p>mysterious spell, is the one thing that keeps him from hunting unchecked in Avalon, the only place on Earth where humans and Fae live together. Which means Dana's in trouble, since it's common knowledge that the Faerie</p>	<p>Queen wants her - and her rare Faeriewalker powers - dead. The smoldering, sexy Erlking's got his sights set on Dana, but does he only seek to kill her, or does he have something much darker in mind?</p>
