Sing-along Christmas Carols Benjamin Bloomfield

(Instrumental). Everyone's favorite folio for caroling and virtually any holiday gathering! The flexible instrumentation of these arrangements has made them the top choice of school and community ensembles since their first printing in 1941. Though titled "for band or brass choir," the arrangements can be played by any combination of wind and percussion instruments. A full set is still economical with parts priced at \$3.95 (\$5.95 for conductor) - or if you need replacement copies for the well-worn set in your library.

Ding Dong! Merrily on High Hal

Leonard Corporation

From Andrew Gant, Oxford professor and renowned British composer, *The Carols of Christmas* is a joyous account of the history behind our favorite carols--from Advent through Epiphany. Everyone loves a carol--in the end, even Ebenezer Scrooge had a soft spot for them! They have the power to evoke a special type of mid-winter joy, like the aroma of gingerbread or the twinkle of lights on a tree. It's a kind of magic. But how did they get that magic? Gant--a choirmaster, church musician, university professor, and writer--tells the story of twenty carols, each accompanied by lyrics and music, unraveling a captivating, and often surprising, tale of great musicians and thinkers, saints and pagans, shepherds and choirboys. Along the way, Gant answers some of the biggest questions he's received about

these beloved carols over the years, including: How did the most beloved carols come to be? Why do we sing the versions of carols that we do? How did these carols stand the test of time? Readers get to delve into the history of favorites like "Good King Wenceslas," "Away in a Manger," and "O, Tannenbaum," discovering along the way how "Hark, the Herald Angels Sing" came to replace "Hark, how all the welkin' ring" and how Ralph Vaughan Williams applied the tune of an English folk song about a dead ox to a poem by a nineteenth-century American pilgrim to make "O Little Town of Bethlehem." A charming book that brims with anecdote, expert knowledge, and Christmas spirit, *The Carols of Christmas* is a fittingly joyous account of one of the best-loved musical traditions.

A Christmas Carol and Other Christmas Tales: (Barnes and Noble Collectible Editions: Omnibus Edition) Simon and Schuster

Collected here are words and music to our most treasured Christmas songs and hymns, with background notes on each carol.

The Little Book of Christmas Carols
Sterling Publishing Company, Inc.

Edited by early music experts Hugh Keyte and Andrew Parrott, this anthology of Christmas carols is the most comprehensive collection ever made, spanning seven centuries of caroling in Britain, continental Europe, and North America. Containing music and text of 201 carols, many in more than one setting, the book is organized in two sections: composed carols, ranging from medieval Gregorian chants to modern compositions, and folk carols, including not only traditional Anglo-American songs but Irish, Welsh, German, Czech, Polish, French, Basque, Catalan, Sicilian,

and West Indian songs as well. Each carol is set in four-part harmony, with lyrics in both the original language and English. Accompanying each song are detailed scholarly notes on the history of the carol and on performance of the setting presented. The introduction to the volume offers a general history of carols and caroling, and appendices provide scholarly essays on such topics as fifteenth-century pronunciation, English country and United States primitive traditions, and the revival of the English folk carol. *The Oxford Book of Carols*, published in 1928, is still one of Oxford's best-loved books among scholars, church choristers, and the vast number of people who enjoy singing carols. This volume is not intended to replace this classic but to supplement it. Reflecting significant developments in musicology over the past sixty years, it embodies a radical reappraisal of the repertory and a fresh approach to it. The wealth of information it contains will make it essential for musicologists and other scholars, while the beauty of the carols themselves will enchant general readers and amateur songsters alike. *The Carols of Christmas* Running Press Book Publishers

Everyone loves a Christmas carol - in the end, even Scrooge. They have the power to summon up a special kind of midwinter mood, like the aroma of mince pies and mulled wine and the twinkle of lights on a tree. It's a kind of magic. But how did they get that magic? In *Christmas Carols* Andrew Gant tells the story of some twenty carols, each accompanied by lyrics and music, unravelling a captivating - and often surprising - tale of great musicians and thinkers, saints and pagans, shepherd boys, choirboys, monks and drunks. We delve into the history of such favourites

as 'Good King Wenceslas', 'Away in a Manger' and 'The Twelve Days of Christmas', discovering along the way how 'Hark, the Herald angels sing' came to replace 'Hark, how all the welkin ring' and how Ralph Vaughan Williams bolted the tune of an English folk song about a dead ox to a poem by a nineteenth-century American pilgrim to make 'O little town of Bethlehem'. Christmas Carols brims with anecdote, expert knowledge and Christmas spirit. It is a fittingly joyous account of one of our best-loved musical traditions.

A book of Christmas carols Moody Publishers

Here, beautifully presented in 3-D pop-ups, are five familiar and much-loved carols: O Christmas Tree, Silent Night, We Three Kings, Hark the Herald Angels Sing and Ding Dong Merrily on High. Complemented by the melody line and guitar chords, these carols evoke the traditional spirit of Christmas. Angels climb up to decorate a swirling Christmas tree; a seraphic sphere mysteriously appears in the silent night above a miniature, glowing, Nativity; the Three King's star slowly turns into a rose-window kaleidoscope; hosts of angels wing in flight across the sky; and, in a rousing finale, ranks of small choirboys watch as two choristers take turns to ring the great cathedral bell. This beautiful and ingenious pop-up treasury makes a perfect Christmas gift.

Christmas Carols Hal Leonard Corporation

Behind the Christmas songs we love to sing lie fascinating stories that will enrich your holiday celebration. Taking you inside the nativity of over thirty favorite songs and carols, Ace Collins introduces you to people you've never met, stories you've never heard, and meanings you'd never have imagined.

The next time you and your family sing "God Rest Ye Merry Gentlemen," you'll have a new understanding of its message and popular roots. You'll discover how "Angels from the Realms of Glory," with its sublime lyrics and profound theology, helped usher in a quiet revolution in worship. You'll learn the strange history of the haunting and powerful "O Holy Night," including the song's surprising place in the history of modern communications. And you'll step inside the life of Mark Lowry and find out how he came to pen the words to the contemporary classic "Mary, Did You Know?" Still other songs such as "O Come, O Come, Emmanuel" trace back to mysterious origins--to ninth-century monks, nameless clergy, and unknown commoners of ages past. Joining hands with such modern favorites as "White Christmas" and "The Christmas Song," they are part of the legacy of inspiration, faith, tears, love, and spiritual joy that is Christmas. From the rollicking appeal of "Jingle Bells" to the tranquil beauty of "Silent Night," the great songs of Christmas contain messages of peace, hope, and truth. Each in its own way expresses a facet of God's heart and celebrates the birth of his greatest gift to the world--Jesus, the most wonderful Christmas Song of all.

Christmas Carols and a Cornish Cream Tea (The Cornish Cream Tea series, Book 5) Amsco Music

Let the songs of the first Christmas turn your heart toward God's glory. During the holidays the musical tunes of the season are everywhere. Their nostalgic melodies warm our hearts. But the original Christmas songs are different; they lift our hearts to a holy God. They reveal the greatness, glory, and goodness of our Savior. Taking us beyond quaint imagery and feel-good

lyrics, the Advent songs of the Bible unfold God's redemptive plan for the world and His eternal purpose for the ages. Reflecting her own love for the season, Nancy DeMoss Wolgemuth offers meditations on the first two chapters of Luke's gospel in *The First Songs of Christmas*. This 31-day Advent devotional shines new light on the ancient yet inspiring songs of Elizabeth, Mary, Zechariah, the angels, and Simeon. These readings will lead you to contemplate the loveliness and essence of Christmas. Let this book be your companion as you spend the days surrounding Christmas the way these men, women, and angels did, your gaze fixed on our great God and Savior. *Spirit of Christmas* Peter Pauper Press, Inc.
