## HEATH ALESSANDRA

*Visser (Animorphs)* MIT Press  
 Chonkybois, lowriders, borkers, and floofs -- these are just a few of the many cute characters you'll discover in *Doggos Doing Things*, an irresistible gift book based on the wildly popular Instagram account of the same name. This hilarious book pairs adorable photos of puppos of all shapes (from smol flufferinos to long boys), sizes (from big woofers to lil yippers), and breeds (from puggos to labbers and huskos) with ridiculous captions describing what they're up to -- which is usually looking for snacks or just bestowing love upon their hoomans. With more than 150 pictures of adorable pupperinos and a thicc layer of humor by way of the internet's unique dog speak, it's a celebration of man's best friend and good boys (and girls) everywhere.

*The Complete Idiot's Guide to Memes* iUniverse  
 A tense, psychological thriller for the internet age about the destructive combination of self-important goals and self-serving plans. Cole Weston—former friend, former boyfriend—has become dangerous, erratic. Something needs to be done. Getting rid of Cole is practically a public service. So high school seniors Holly Morse, Grayson Hobbs, Logan Bailey, and Meeka Miller devise a plan. Kill Cole. Bury him in the woods behind Meeka's house. Bury him deep, deep in the ground along with four old cell phones, wiped except for their video confession as insurance that no one will ever betray the group. Everything is perfect, until the meme appears. It's a screenshot from their confession... a confession that's supposed to be entombed with Cole forever in the cold Vermont dirt.

*100 Grumpy Animals* Penguin  
 #1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob

laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars\* Stories about dogs The secret to eternal happiness\* \*These are lies. Perhaps I have underestimated my sneakiness!

*The Things They Carried* Summersdale  
 Taking "Gangnam Style" seriously: what Internet memes can tell us about digital culture. In December 2012, the exuberant video "Gangnam Style" became the first YouTube clip to be viewed more than one billion times. Thousands of its viewers responded by creating and posting their own variations of the video—"Mitt Romney Style," "NASA Johnson Style," "Egyptian Style," and many others. "Gangnam Style" (and its attendant parodies, imitations, and derivations) is one of the most famous examples of an Internet meme: a piece of digital content that spreads quickly around the web in various iterations and becomes a shared cultural experience. In this book, Limor Shifman investigates Internet memes and what they tell us about digital culture. Shifman discusses a series of well-known Internet memes—including "Leave Britney Alone," the pepper-spraying cop, LOLCats, Scumbag Steve, and Occupy Wall Street's "We Are the 99 Percent." She offers a novel definition of Internet memes: digital content units with common characteristics, created with awareness of each other, and circulated, imitated, and transformed via the Internet by many users. She differentiates memes from virals; analyzes what makes memes and virals successful; describes popular meme genres; discusses memes as new modes of political participation in democratic and nondemocratic regimes; and examines memes as agents of globalization. Memes, Shifman argues, encapsulate some of the most fundamental aspects of the Internet in general and of the participatory Web 2.0 culture in particular. Internet memes may be entertaining, but in this book Limor Shifman makes a compelling argument for taking them seriously.

*Communicating with Memes* Covenant Books, Inc.  
 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman

Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

*The Memeing of Life* Seven Stories Press  
 Never before has wildlife narration been this bold and this hilarious. More than 40 million people have viewed Randall's honey badger video, "The Crazy Nastyass Honey Badger." "It has no regard for anyone or anything—it just takes what it wants! What a little badass!" When viewing wildlife footage, who hasn't thought at times, "Ewww! What the hell is that?!" Randall thinks it — and says so! In *Honey Badger Don't Care*, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he's not afraid to share. Unlike most nature writers, Randall doesn't deliver the sugarcoated or drab description. He "goes there" and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals.

Designed with callouts, sidebars, and more than fifty photos, *Honey Badger Don't Care* presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don't be stupid—buy this book!  
*The Complete Universe of Memes* John Hunt Publishing  
 The office can be full of highs and lows, trials and tribulations, rewards and reproach. But no matter what – the ability to take the office with a pinch of salt and humour is what one needs. *Dufter Doodles: Funny Office Memes (The Animal Edition)* is a light-hearted way of dealing with life at the office. The book is a compilation of some of the most popular memes, and some entirely new and unseen memes, from the popular Instagram page, 'Dufter Jargon by Akhil Kakkar' (@dufterjargon). This book is a way of sharing a few light-hearted, office-themed moments and making honest and fun storytelling part of the new corporate culture.

*How to Laugh in Ironic Amusement During Your Existential Crisis* Basic Books

This eponymous comic became an instant hit when it went live on The Oatmeal.com and was liked on Facebook by 700,000 fans. Now fans will have a keepsake book of this comic to give and to keep. In *My Dog: The Paradox*, Inman discusses the canine penchant for rolling in horse droppings, chasing large animals four times their size, and acting recklessly enthusiastic through the entirety of their impulsive, lovable lives. Hilarious and heartfelt, *My Dog: The Paradox* eloquently illustrates the complicated relationship between man and dog. We will never know why dogs fear hair dryers, or being baited into staring contests with cats, but as Inman explains, perhaps we love dogs so much “because their lives aren’t lengthy, logical, or deliberate, but an explosive paradox composed of fur, teeth, and enthusiasm.”

*This Book is Not a Bedtime Story* Crown

Welcome reader. Please, make yourself comfortable: pull your chair nearer the fire, put your feet up on the dog, settle your cheeks into the toilet seat. This is *The Memeing of Life*, an exhaustive, exhausting, guide to the world of internet memes. Perhaps you have no idea what a meme is, so have bought this little book to expand your small mind. Possibly you're the sort of friendless berk who is already an expert but has picked the book up in order to poke holes in it. Whoever you are, wherever you're from, you're in the right place: prepare to learn everything you need to know about the greatest thing the internet has to offer – memes! • Intrigued by memes? Wondering what makes them tick, go viral and where they come from? Also in need of a laugh? This is the book for you! • An entertaining journey through the history, highlights and world-wide domination of memes • All the best of glorious memedom included, from Bad Luck Brian to Distracted Boyfriend via Harambe the Gorilla and Hide the Pain Harold. Some topics covered: • Basic memes • Political memes and their agency • Memes as an outlet for despair and anxiety • Animal memes • Sex and love in the world of memes • Schadenfreude in internet humour • Memes and the real world • The dark underbelly of memes • Wholesome memes *Honey Badger Don't Care* Macmillan + ORM Her human name is Eva. There was a time when she had a loving husband and a son, Marco. When she had a wonderful career. But that was before she was infested by Edriss 562. Before the invasion of Earth. Now, Edriss 562 lives in Eva's head and controls her every movement. And through Eva, Edriss has become the highest-ranking general in the Yeerk empire, surpassing even her arch rival, Visser Three. She is Visser One. But it has become known that Visser One's tactics for attaining her current position were less than acceptable -- even to the Yeerks. Now she's on trial for treason. If she's found innocent she'll continue to rule. But if she's found guilty, she'll lose her life -- and possibly the life of her host, Eva. Which will mean that Marco will never, ever see his mother again...

**The Selfish Gene** University of Chicago Press

A controversial 100 thousand word guide into worlds you never thought to explore. Whitling offers straight talk about memetics with a twist: how to recognize your own malignant memes, how to free yourself with evolutionary concepts, relevance of demons and angels, what are your lifetime aims (and why you probably don't know), and what is at stake. To quote from its author: "My mind's filled with open cans of worms so I can induce others to go fishing." A cogent, in-your-face challenge to current perceptions about the universe and Evolution as Creation's first cause. Can he pull this off? Yes! Go with him down many paths to the same destination. The fiery end of human life on earth may not be from bombs or plagues. Learn about what NASA is keeping their eyes on while we distract ourselves with petty jousts. Recent scientific discoveries and theories help you develop a personal lifeplan for an accomplishment-oriented existence you will enjoy. Read it. See for yourself.

**The Truth About Animals** punctum books

Do depictions of crazy cat ladies obscure more sinister structural violence against animals hoarded in factory farms? Highlighting the frequent pathologization of animal lovers and animal rights activists, this book examines how the “madness” of our

relationships with animals intersects with the “madness” of taking animals seriously. The essays collected in this volume argue that “animaladies” are expressive of political and psychological discontent, and the characterization of animal advocacy as mad or “crazy” distracts attention from broader social unease regarding human exploitation of animal life. While allusions to madness are both subtle and overt, they are also very often gendered, thought to be overly sentimental with an added sense that emotions are being directed at the wrong species.

Animaladies are obstacles for the political uptake of interest in animal issues-as the intersections between this volume and established feminist scholarship show, the fear of being labeled unreasonable or mad still has political currency.

**The Electric Meme** HarperCollins

A hilarious, spooky tale by a celebrated author and illustrator This book is NOT a bedtime story. It's scary, strange, and rather gory. Bedtime stories make you sleepy. This book won't. It's much too CREEPY. Except it isn't... This book is told by a group of monsters who think they're very scary, but in fact they're not—they're cute and cuddly. They try their hardest to frighten—in a haunted house, creepy wood, ghostly ship, and darkest dark, but each time they fail! The problem is, these monsters aren't at all scary, they're a bit silly and a bit cuddly. They share the insecurities and worries of us humans and all they want is a good night's sleep.

*Doggos Doing Things* Penguin

From expertly fielding calls at a feline support center, to performing at a cat piano bar, to partying hard at Burning Cat, the cartoons in this collection hilariously show the many ways cats are awesome. Scott Metzger's cat comics often go viral online and this book includes all of the fan favorites, some new cartoons, and a couple of surprises. Being Awesome Is Exhausting is perfect for cat lovers, animal lovers, and people who like to laugh.

**The Best Cat Memes Ever** BRILL

#1 AMAZON BESTSELLER. WARNING: THIS IS NOT A CHILDREN'S BOOK. 100 Grumpy Animals by BeastFlaps. It was only the first week of the new year, and I was already fed up and grumpy. I had a pile of paperwork to sort through, a backlog of work to get done and more than a few bills to pay. I was asked to stop everything and urgently draw a cute greeting card for a friend (as a favour... of course) and before I knew it I had drawn an angry duckling saying QUACK F\*\*\*ING QUACK. It made me laugh out loud and I shared it online. It quickly became apparent that it was making a few other people smile too, and so a promise was made. No matter what else life would bring in 2020, I would set aside enough time each day to draw and post a daily grumpy animal. This book is the unstoppable force of 100 days of grumpy animal drawings.

**Ethics from a Theocentric Perspective: Ethics and theology** Rizzoli Publications

Dive into this book of hilarious and relatable memes as told by the internet's favourite animal: cats! For life's every up and down, there's a meme to capture the feeling – and with their sassy personalities, their endless curiosity and their distinct capacity for being that little bit odd, who better to live these moments with us than our cuddly feline friends? You might not realize it, but some of the everyday moments in our lives are actually universal – and these cats are here to tell it like it is. Have you ever experienced: The awkward moment someone says “Just smile naturally” and you forget what natural is? The moment you accidentally open the front-facing camera and you're confronted with your many chins? The flash of terror when you're home alone and you hear an odd noise? The satisfaction of walking in time to your music? The crushing awkwardness of saying “you too” when a waiter tells you to enjoy your meal? If you answered “yes” to any of the above, then this book is for you! Look no further and dive into this collection, which contains the most hilarious and relatable memes about life, told through the expressive brilliance of cats.

**I Could Pee on This, Too** OUP Oxford

Pop culture emerged in the first decades of the twentieth century as a reaction to the restrictive social traditions of colonial America. It spread quickly and broadly throughout the bustling urban centers of the 1920s—an era when it formed a partnership

with technology and the business world. This coalition gave pop culture its identity, allowing it to thrive and form alliances with artistic and literary movements. But pop culture may have run its course with the rise of meme culture. This publication revisits the social, psychic, and aesthetic roots of pop culture, suggesting that meme culture has fragmented its historical flow, thus threatening to bring about its demise.

**My Dog: The Paradox** Oculus Publishers

From the team behind the super-popular Instagram

@MyTherapistSays comes this humorous guide that chronicles the exhausting task of navigating the daily, anxiety-ridden struggle that we fondly call life. Including hilarious memes MTS is known and loved for, along with checklists, prompts, questions from readers, and more, My Therapist Says is the guide you need to achieve your goals, one wrong turn at a time. Have you ever wanted something, pursued it (albeit not quite as gracefully as you would've hoped), failed, and then genuinely asked yourself the question, “Am I delusional?” Well, that's how I began penning this magnum opus. Like the Buddhist's have their Tripitaka, you have...moi. And my therapist, though it's unlikely she'll admit this in public. On the receiving end of a ghosting session? Needing a way to leave a work function without looking like a buzzkill?

Having a hard time developing amnesia about your last relationship? Fear not, as I cover everything from circumstantial etiquette to blissful delusion when necessary. So, grab a pen, a box of tissues, a glass of wine, and your bestie, because sh\*t is about to get real. And remember, be yourself, be kind, and all that jazz, unless you're a Susan\*. If that's the case, try to be literally anyone else. Ugh, my therapist hates that I wrote that.

\*Susan: Noun and verb. Unpleasant, annoying, and delusional, the Susan is somebody who is literally awful in every way, is liked by no one, but has no clue, no matter how many open clues you give her. If you roll your eyes at this, you're probably a Susan. Uses: Susaning, Susanism. For even more on navigating the mystical tornado of life, get the companion coloring book: My Therapist Says...to Color: Ignore Reality and Color Over 50 Designs Because You Can't Even.

*Glasbergen Cartoons* Rock Point

**Memes and the Future of Pop Culture** Americana eBooks

Based on the runaway web phenomenon (dogshamingdotcom), Dog Shaming features the most hilarious, most shameful, and never-before-seen doggie misdeeds. Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Dog owners everywhere have found their outlet in Dog Shaming, where they can confess their dogs' biggest (and often grossest!) sins, which turn out to be recognizably universal—complete with snapshots of ridiculously cute but shamed pups who don't seem capable of humping humans, pooping on pillows, or snagging steak straight from a grill. So share in the shaming and laugh through your frustration as Dog Shaming reminds us that unconditional love goes both ways.
