Jesse Ward is back in the newest novel in the Sunday Times and New York Times bestselling This Man series! Life is good for Jesse 'The Lord' Ward. Perfect, actually. He still has the charm, he's in great shape, and he still reduces his wife, Ava, to a pool of desire with a mere look. He's in full control, just how he likes it. But Jesse's perfect world falls apart when a terrible accident lands Ava in hospital with a life-threatening head injury. Devastated and angry, he feels like his entire existence hangs in the balance. He cannot survive without this woman's love. So when she finally comes around, his shaking world begins to level out. But his nightmare doesn't end there. It's only just begun. Because his wife can't remember the last sixteen years of her life. That's all of him. All of their time together. He is a stranger to her. Now Jesse must do whatever it takes to find her memories . . . and help her fall madly, passionately in love with him all over again. Jodi's new novel Gentleman Sinner is now available for pre-order

The Passage Penguin UK

Night time is the right time... Gwendolyn Kidd has met the man of her dreams. He's hot, he's sexy, and what started as a no-names-exchanged night of passion has blossomed into a year and a half-long pleasure fest. Sure, it's a little strange that he only appears in her bed at night, but Gwen is so sure he's the one, she just can't turn him away... Hawk Delgado knows more about Gwen than she could ever imagine. She's gorgeous, headstrong, and skittish about relationships. But Hawk is facing his own demons, demons that keep him from connecting with anyone. Yet when Gwen is drawn into Denver's lethal underground scene, Hawk's protective nature comes out full force. The problem is, when

Gwen gets a dose of Hawk's Alpha attitude in the daylight, she's not so sure he's the one anymore.... 130,000 words.

**MUST HATE DOGS** Do you hate dogs? Only want to talk about yourself? Is having a sense of humor something you've never been accused of? Think eating for pleasure is a complete waste of time? Agree that tipping is for suckers? Then you're the date for me. Dixon Beckett is the kind of guy who loves his mama, treats women right, and never ever wants to fall in love again. That's why he'll do anything to win a bet to be the last single man standing by Christmas. He's got a plan, too. Create the most no-good, horrible, very bad dating profile in existence. Only someone actually responds to his ad... The rules say he has to go on six dates with the first (or in his case, only) person who answers—even if that person is Fiona Hartigan: Hater of dogs, non-lover of any delicious food, and zero sense of humor. But something feels off about this pariah. In fact, Dixon is almost positive Fiona is just pretending to be awful. Pretending to be the most horrible date in existence. And she's most definitely pretending to not be as interested in him as he is in her. The more Dixon Beckett starts to unravel the mystery of why Fiona answered his ad in the first place, the more he starts considering the most vile, awful, terrible idea ever...falling in love. Each book in the Last Man Standing series is **STANDALONE: \* Mama's Boy \* Neanderthal \* Mansplainer**

**A NEW NOVELLA IN THE THIS MAN SERIES!** You don't need to read the series to enjoy this story. But if you're already a Jesse Ward fan, just wait until you see the advice he gives Drew about falling in love. I thought I had control. I was so, so wrong... I don't need a relationship. I have Hux, a decadent club where I quench whatever raw desire I choose. I take pleasure and I give it - no strings attached. So when Raya Rivers comes in asking for someone cold, emotionless, and filthy... well, no man ever takes his wicked pleasure quite the way I do. Only Raya is different. Vulnerable. And carrying some deep sorrow that gets past all my carefully constructed walls and inexplicably makes me care. Now

craving controls me. Ice has given way to red-hot need. But Raya has no idea about my other life - my real life. That I'm daddy to an adorable little girl. My two worlds are about to collide with the force of a supernova. Once Raya knows the truth, will she be able to accept all I am? Includes a special preview of THE FORBIDDEN, a standalone novel coming in August.

Brix has athletic abilities and can heal quickly. Tenner can swim like a fish and can see in the dark and hear from a distance. Seven's skin camouflages to match whatever is around him. Cabot hasn't shown signs of any unusual power—yet. Then one day Birdie finds a map among her father's things that leads to a secret stash. There is also a note: Go to Estero, find your mother, and give her the map. The five have lived their entire lives in isolation. Set sixteen years after the events of *The Exiled Earthborn*, this explosive conclusion of the *Earthborn* trilogy tells the story of two brothers, the sons of Lucas and Asha, tasked with surviving the Xalan war to ensure the continued existence of the human race. Noah, an orphan from Earth's last days who, as a child, was smuggled to safety across the stars, is now nearly a man and a leader to the young enclave of *Earthborn* who reside on Sora. When the tranquility of their settlement is shattered by a shocking assassination attempt, Noah turns to his combative younger brother Erik, Lucas and Asha's only child by blood, for aid. Their journey takes them to the remnants of a dead planet, an outlaw-infested space station, and back to Sora, whose inhabitants are bracing for a final showdown with the bloodthirsty Xalans. They find themselves facing a new evil: the omnipotent Archon, who is somehow controlling the whole of the Xalan horde,

Willow Taylor lives in a castle with large walls and iron fences. But this is no ordinary castle. It's called Heartstone Psychiatric Hospital and it houses forty other patients. It has nurses with mean faces and techs with permanent frowns. It has a man, as well. A man who is cold and distant. Whose voice drips with authority. And whose piercing gray eyes hide secrets, and maybe linger on her face a second too long. Willow isn't supposed to look deep into those eyes. She isn't supposed to try to read his tightly-leashed emotions. Neither is she supposed to touch herself at night, imagining his powerful voice and that cold but beautiful face. No, Willow Taylor shouldn't be attracted to Simon Blackwood at all. Because she's a patient and he's her doctor. Her psychiatrist. The medicine man.
