Millions of readers worldwide have fallen for the sexy, hilarious love stories of Christina Lauren's New York Times and #1 international best selling Beautiful series. Discover the first three novels—Beautiful Bastard, Beautiful Stranger, and Beautiful Player—from the author duo Kirkus Reviews calls “the It Girls of Romance.” Beautiful Bastard: Whip-smart, ambitious intern Chloe Mills is so tempting that her completely infuriating and utterly irresistible boss Bennett Ryan is willing to bend the office rules—or outright smash them—if it means he can have her—all

over the office. Beautiful Stranger: All of New York City knows Max Stella loves women. Despite pulling in plenty of lovers with his Wall Street bad boy charm, it's not until finance whiz Sara Dillon—and the wild photos she lets him take of her—that the expat Brit really thought of keeping someone around. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private. Beautiful Player: Lectured by her brother for neglecting her social life in favor of grad school, bookish Hanna Bergstrom challenges her brother's best friend, unapologetic playboy Will Sumner, to turn her into a sultry siren. It's not long before the innocently seductive pupil is teaching the venture capitalist a thing or two he can't forget. But now that Sara's discovered the power of her own sex appeal, it's up to Will to prove he's the only

man she'll ever need.

THE INSTANT NEW YORK TIMES BESTSELLER One Christmas wish, two brothers, and a lifetime of hope are on the line for hapless Maelyn Jones in *In a Holiday*, the quintessential holiday romantic novel by Christina Lauren, the New York Times bestselling author of *The Unhoneymooners*. It's the most wonderful time of the year...but not for Maelyn Jones. She's living with her parents, hates her going-nowhere job, and has just made a romantic error of epic proportions. But perhaps worst of all, this is the last Christmas Mae will be at her favorite place in the world—the snowy Utah cabin where she and her family have spent every holiday since she was born, along with two other beloved families. Mentally melting down as she drives away from the cabin for the final time, Mae throws out what she thinks is a simple plea to the universe: Please. Show me what will make me happy. The next thing she knows, tires screech and metal collides, everything goes black. But when Mae gasps awake...she's on an airplane bound for Utah, where she begins the same holiday all over again. With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop—and finally get her true love under the mistletoe. Jam-packed with yuletide cheer, an unforgettable cast of characters, and Christina Lauren's trademark "downright hilarious" (Helen Hoang, author of *The Bride Test*) hijinks, this swoon-worthy romantic read will make you believe in the power of wishes and the magic of the holidays.

Beautiful Stranger Simon and Schuster

The sequel to *Sweet Filthy Boy*, from the New York Times

bestselling author of *The Unhoneymooners*, a story of friends, love, and lust. Despite their rowdy hookups, Harlow and Finn don't even like each other...which would explain why their marriage lasted only twelve hours. He needs to be in charge and takes whatever he wants. She lives by the Want-something-done? Do-it-yourself mantra. Maybe she's too similar to the rugged fisherman—or just what he needs.

**The House** Hodgkin and Blount

**Smooth as Silk** Simon and Schuster

From subway to Broadway to happily ever after. Modern love in all its thrill, hilarity, and uncertainty has never been so compulsively readable as in New York Times bestselling author Christina Lauren's *Roomies*. Marriages of convenience are so...inconvenient. For months Holland Bakker has invented excuses to descend into the subway station near her apartment, drawn to the captivating music performed by her street musician crush. Lacking the nerve to actually talk to the gorgeous stranger, fate steps in one night in the form of a drunken attacker. Calvin Mcloughlin rescues her, but quickly disappears when the police start asking questions. Using the only resource she has to pay the brilliant musician back, Holland gets Calvin an audition with her uncle, Broadway's hottest musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway—until his reason for disappearing earlier becomes clear: he's in the country

illegally, his student visa having expired years ago. Seeing that her uncle needs Calvin as much as Calvin needs him, a wild idea takes hold of her. Impulsively, she marries the Irishman, her infatuation a secret only to him. As their relationship evolves and Calvin becomes the darling of Broadway—in the middle of the theatrics and the acting-not-acting—will Holland and Calvin realize that they both stopped pretending a long time ago?

The Beautiful Bastard series continues in this new novella—back when not being able to stand each other also meant not being able to keep their hands of each other, neither Bennett nor Chloe could have seen this day coming. One beautiful bastard of a groom. The most beautiful bitch of a bride. A panty-ripping office hook-up turned true love everlasting. Wedding bells can't chime soon enough for Chloe Mills and Bennett Ryan. Chloe, exasperated and stressed by all the last-minute to-dos, is on the verge of saying "I do" to eloping. For his part, Bennett's so

worried about being distracted by Chloe's body that he makes a no-sex-until-the-wedding-night rule that only seems to be making things worse by continually backfiring on him. As their crazy families descend for the big day- only a few of them actually trying to be helpful- the fiery lovers are about to test whether the couple that argues together can keep it together long enough to exchange rings, and not just heated words.

Picking up where *Beautiful Bastard* left off, Chloe Mills and Bennett Ryan continue their steamy, combative relationship in this new novella. Just when Chloe's career starts to take off, Bennett wishes it would all slow down long enough to spend a wild night alone with his intern-cum-girlfriend. Preferably one in which he can show her he's still the boss. After her continued refusals to take time off with him, Bennett can finally no longer take no for an answer. And so the couple find themselves with two plane tickets, one French villa, and a surprising conversation that, predictably, leaves them wrestling under the covers. **Twice in a Blue Moon** Hachette UK

The New York Times bestselling author of *The Unhoneymooners* returns with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of *The Rosie Project* and *One Plus One*. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father's never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn't "father material" before Juno was even born. Jess holds her loved ones close, but working constantly to stay afloat is hard...and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that's predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: GeneticAlly's founder, Dr. River Pena. This is one number she can't wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we'll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the

“Diamond” pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, *The Soulmate Equation* proves that the delicate balance between fate and choice can never be calculated.
