All About Bears (Pre-reader): National Geographic Readers Penguin

"Relevant images match informative text in this introduction to Shetland ponies. Intended for students in kindergarten through third grade"--

[The Shetland Pony](#) Bellwether Media

Ponies is replete with brilliant photographs and catchy content that will both teach and entertain. Children will be captivated as they watch a brand new baby foal walk within minutes of being born then quickly turn into one of the most graceful animals on Earth. Like all of our level 1 readers written by skilled children's books authors, this title invites kids to learn more about their favorite topics in a familiar format that instills success. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

[Pandas](#) ABDO

Entertaining and informative, this exploration of one of the most beloved animals of young children includes breeds of ponies, how to care for them, what is needed to ride them and more.

[National Geographic Kids Ponies and Horses Sticker Activity Book](#) Lerner Publishing Group

In *Show Horses*, young children will read thrilling narratives of highly skilled horses and their riders competing in national and international events of prowess. *Show Horses* details the different breeds of horses suited for various competitive events, and explains how horses and riders working together will win such competitions as dressage, jumping, and three-day eventing. Students also will learn how horses are selected for shows as they follow them through training to their first day in the show ring before an audience. Action photos and a rich narrative text emphasize the unique relationship forged between a horse and rider that produces a winning team.

Show Horses National Geographic Books

Take a tour around the world to meet all kinds of bears in this delightful pre-reader. Kids love bears and in this book they'll be introduced to them all: Grizzly, polar, sun, sloth, black, and brown. Great full-colour photos reveal details about how and where they live. Perfect for beginning and young readers, National Geographic Pre-readers include simple, expert-vetted text and large, engaging photos on every page. A vocabulary tree at the beginning of the book introduces kids to key words in concept groups, helping kids make connections between words. Plus, a wrap-up activity gives kids a chance to use what they've learned, while expanding their understanding of the world.
