Following a brutal civil war, Osten Ard has been crushed under the rule of the two villainous High Kings. A single hope remains: if the rebels can find the three swords of legend - Memory, Sorrow and Thorn - they might be able to bring the Storm King and evil King Elias down. Once but a humble kitchen-boy, Simon is now Simon Snowlock, dragonslayer and bearer of the mythical sword Thorn. But Simon is more alone than ever before: his friends have been imprisoned and his liege lord, Prince Josua, has been exiled. And the Storm King may also be in possession of one of the swords... A single chance remains: if Simon can deliver Thorn to Joshua and lead his followers to the Stone of Farewell, the rebels

may be able to muster the forces necessary to rise up against Elias and the Storm King. But no one knows where the Stone of Farewell is. Or, indeed, what it is... In *STONE OF FAREWELL*, Tad Williams sets his characters against impossible odds - and proves that the beloved, internationally-bestselling *DRAGONBONE CHAIR* was no fluke, but one of the greatest fantasy novels of all time.

Stone of Farewell Simon and Schuster

Despite his youth, Declan Idrys knows of the evils of the world. He knows of the bastards and brigands who plague the King's lands, of the monsters skulking in the wooded depths of the realm. Together with his companion, Ryn - a beast of rather peculiar talent - he has spent the last decade of his life beneath the bloody banners of a half-dozen mercenary guilds, hunting precisely such festering wickedness within the borders of Viridian. Unfortunately, fate is quick to pull on the leash of its favorite children. When one particularly troubling contract goes sideways, Declan and Ryn find themselves thrust into a war thought legend and long-ended, a conflict so old it is synonymous with a time in which dragons still ruled the western skies. Now, as dead men rise from their graves and the terrible beasts of the northern ranges descend into the kingdom with an appetite for savagery and flesh, Declan is faced with a profane choice. He can turn, can flee an ancient rising horror that would see the realms of man left as shattered death and wind-blown ash. Or, Declan can face this mounting threat, can come to terms with the fact that his oldest

friend might just be more than he appears, and learn to wield an ageless power all his own. Centuries pass, after all, but the Blood of Kings does not fade...

A Mark of Kings Orbit

Nazareth has been cruel to my mother, more cruel than any village ever was. All the village says that my blood father is not the man who married my mother. They have shamed her on the matter all my life. Every woman asks which man of the village is my blood father. Every man scowls and says he was not the one my mother seduced. My mother will not tell who is my blood father. My mother will not speak on the matter. My mother bears her shame in silence. Some righteous man, a prophet, said a word over me when I was a babe in arms. He told how I will redeem Israel when I grow to be a man. Now I have grown to be a man, but I do not know how to redeem Israel. The scriptures do not explain the matter. My people say that the man who redeems Israel must take up the sword and throw off our enemy, Rome, which we call the Great Satan. My family says I must take up the sword. Only I am no man of the sword. I wish with all my heart to

redeem Israel, but HaShem, the God of our fathers, must tell me how. Lately, there came a new prophet to Israel, who immerses for repentance at the river Jordan. I went to ask the prophet how I should redeem Israel. He said I am to smite the four Powers. I asked what are the four Powers. He could not say, but he said HaShem will reveal the matter to me. I wish HaShem will reveal the matter, only I am not a prophet. Not yet. But I will be. Here is what I know. Every hour of every day, I feel the Presence of HaShem. I do not know why I should feel the Presence always. My mother does not. My village does not. Even the prophet of HaShem does not. I think the Presence will teach me the way to redeem Israel. But I am afraid to redeem Israel. To redeem Israel is to leave my mother to the scorn of the village. The rage of the village. My mother begs and cries on me to make a justice for her. To make a justice on the village. I do not know how to make a justice on the village. I do not know how to redeem Israel. But HaShem will show me the way. I will learn how to be a prophet of HaShem. I will learn how to redeem Israel. I will learn how to make a justice for my mother. I will smite the first Power. Or I will die in the trying.
