Out of the Ashes We Rise Valkyrie Press

Kim Meeder has seen horses go where no one else can tread - stepping through the minefield of a broken child's soul in a dance of trust that only God can understand. From a mistreated horse to an emotionally starved child and back again, a torrent of love washes away their barren places. Kim's ranch is a place where this miracle happens over and over again. It is a place where the impossible flourishes, where dreams survive the inferno of reality - a place where hope rises. Where Wounded Spirits Run Free Follow a horse where no one else can tread, through the minefield of pain that surrounds a broken child's soul. From a mistreated horse to an emotionally starved child and back again, a torrent of love revives their barren places. In the presence of unconditional love, a mute girl speaks for the first time. A defiant teenager teaches a horse to trust again...and opens his own heart to love. A rescued horse gives a dying man his last wish. A battered girl finds love and protection in the friendship of a battered horse... Come visit a place where the impossible flourishes, where dreams survive the inferno of reality—a place where hope rises.

Love Rise Up Thomas Nelson

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even

measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, New York Times–bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

Walk the path of love with one of the warmest, most beloved spiritual leaders of our time, and learn how to put faith into action. As the descendant of slaves and the son of a civil rights activist, Bishop Michael Curry's life illustrates massive changes in our times. Much of the world met Bishop Curry when he delivered his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle at Windsor Castle. Here, he expands on his message of hope in an inspirational road map for living the way of love, illuminated with moving lessons from his own life. Through the prism of his faith, ancestry, and personal journey, *Love Is the Way* shows us how America came this far and, more important, how to go a whole lot further. The way of love is essential for addressing the seemingly insurmountable challenges facing the world today: poverty, racism, selfishness, deep ideological divisions, competing claims to speak for God. This book will lead readers to discover the gifts they need in order to live the way of love: deep reservoirs of hope and resilience, simple wisdom, the discipline of nonviolence, and unshakable regard for human dignity.

Extreme poverty does not have to exist. When Christians accept that fact and start living accordingly, we will find the solution is already within our reach. Worldwide, 18,000 children die from preventable causes every day. If that statistic leaves you feeling

powerless, you are not alone—but you are wrong. If a false sense of powerlessness has lulled you into apathy, it's time to shake off the grogginess of low expectations and get to work. We can make this world a place where kids do not die from easily preventable diseases. In *Hope Rising*, Scott Todd of Compassion International pens a galvanizing, comprehensive vision of the movement that will eradicate extreme global poverty through transformative Christian generosity—and do it within our lifetime. Todd provides riveting evidence to show that we are much closer to that goal than you might think. According to Todd, we live in an historic moment, and chances are you are already part of it. The gospel is already reshaping lives from thoughtless consumption to informed concern. Twenty-first-century Christians are generating multi-continent grassroots movements through communications and travel. Public and private sectors are working together. It's a whole new era of philanthropy, compassion, and justice aimed at eradicating the pandemic of extreme global poverty. This is a future we have the God-given power to create. This is the history we hope to write. As Todd envisions, "The twenty-first-century Christians embraced the entirety of their gospel—the truths it proclaims and the muscles it demands—with a new integrity. They did not deteriorate into humanist liberalism, as some had feared. Nor did they pile works on top of Grace...They simply determined that their world did not need to have children dying of preventable causes such as dirty water."

An unwanted dog. An emotional rescue. Two lives forever changed. Laurie's dreams had been shattered before she came to work at Crystal Peaks Youth Ranch—the ranch of rescued dreams—where broken horses and broken children encounter healing every day. In an attempt to soothe her aching soul, Laurie reached out to save a dog in need. And she soon began to realize that the dog was rescuing her. An inspiring true story told through the engaging voice of Kim Meeder, *Blind Hope* reveals poignant life lessons Laurie experienced from her ailing, yet courageous canine friend. Despite the blindness of her dog—and her own heart—Laurie uncovered what she really needed most: authentic love, unconditional trust, and true acceptance, faults and all. As

Laurie and her dog, Mia, both learned to follow the lead of a master they couldn't see, Laurie discovered the transforming power of God's grace even for imperfect and selfish people—and she experienced a greater love than she had ever known. "Love is a bridge that stands firm through difficulties and connects one heart directly to another, not because of how it looks, but because of what it is." —Kim Meeder, *Blind Hope*

At the height of his show career, a beautiful Appaloosa became injured, and he moved from one owner to the next, ultimately experiencing severe abuse and neglect. A rescue group found Joey nearly dead from starvation—and blind. Then he came to Hope Reins, a ranch dedicated to helping kids who had been abused, emotionally wounded, or unwanted by teaching these children to care for rescued animals.

Love is easy to give when you are getting it back. Are we still called to God's plan of how to love when we are getting none in return? Shauna Shanks's brave journey through obedience reveals the outcome of when we dare to follow God's ludicrous outline for love as described in 1 Corinthians 13. Wrecked with news of her husband's affair and his request for a divorce, Shauna finds herself urgently faced with a decision. Does she give up and divorce her husband and move on, or does she try to fight for her marriage? The former choice seems to contradict God's plan for how to love, such as "love never gives up," "love is patient," and "love is kind." Taking God at His word and assuming the love chapter was really meant to be followed literally word by word, she not only finds herself falling in love with her spouse again, but also falling in love with Jesus, which changes everything. First Corinthians 13 presents an audacious, illogical, and irrational context of how to love, meant to be applied to every marital context not just the fairytale marriage. If God's instructions seem illogical and audacious, you might just expect the same kind of results in return! This book is not air-brushed. It was written in the midst of the author's deepest trauma, and she purposefully did not edit out her mistakes and failures during that season. This book will resonate with women who do not feel like the picture-perfect Christian woman with the fairytale life and marriage. A *Fierce Love* is the story of a train wreck and reaching out to God

not in the calm but in the chaos and finding hope for the future.

Dear you: Whoever you are, However you got here, This is exactly where you are supposed to be. This moment has waited its whole life for you. These are the opening lines of "Today Means Amen," YouTube star Sierra deMulder's immensely powerful and virally popular poem, which lends its title to this collection. Like her fellow Millennial poets Tyler Knot Gregson, Clementine von Radics, and Lang Leav, Sierra has the gift of speaking directly to the reader. "Today Means Amen" has become an anthem of sorts to thousands, who find themselves reflected in its pain, its fierceness, its tenderness — but also in its triumphant culminating refrain: You made it You made it You made it Here. The poems in Sierra's new book explore the rocky terrains of love, family, and womanhood with this same remarkable honesty and generosity. *Today Means Amen* brings this important young poet's work to an even broader audience.

Rooted and Rising is for everyone who worries about the climate crisis and seeks spiritual practices and perspectives to renew their capacity for compassionate, purposeful, and joyful action. Leah Schade and Margaret Bullitt-Jonas gather twenty-one faith leaders, scientists, community organizers, theologians, and grassroots climate activists to offer wisdom for fellow pilgrims grappling with the weight of climate change. Acknowledging the unprecedented nature of our predicament—the fact that climate disruption is unraveling the web of life and threatening the end of human civilization—the authors share their stories of grief and hope, fear and faith. Together, the essays, introductory sections, and discussion questions reveal that our present crisis can elicit a depth of wisdom, insight, and motivation with power to guide us toward a more peaceful, just, and Earth-honoring future. With a foreword by Mary Evelyn Tucker and a special introduction by Bill McKibben, the book presents an interfaith perspective that welcomes and challenges readers of all backgrounds.

Poetry. Introduction by Dale Davis. In *LOVE RISE UP*, readers will find genuine hope and inspired art in these lyrics, a desire to show the humanity behind the struggle for social justice. With courage, foresight, and even a good dose of humor, the poems in this collection address the causes and concerns of generations

past and present, revealing ways to combat adversity with strength and integrity. Beginning with classic poets like Langston Hughes and highly-acclaimed, established poets including Sherman Alexie, Patricia Smith, and Martín Espada, *LOVE RISE UP* also celebrates new, emerging or never before published writers such as Gabriela Erandi Rico, Shirley Geok-lin Lim, and Patricia Jabbeh Wesley. With subjects ranging from the early Civil Rights movement to Occupy Wall Street and beyond, *LOVE RISE UP* offers a vivid portrait of resistance, triumph, compassion, and an eternal belief that our futures can be changed for the better.

"All Souls is the written equivalent of an Irish wake, where revelers dance and sing the dead person's praises. In that same style, the book leavens tragedy with dashes of humor but preserves the heartbreaking details."—The New York Times Book Review A 25th anniversary edition of the National Bestselling memoir, with a new afterword from Michael Patrick MacDonald, takes us deep into the South Boston housing projects during one of the city's most tumultuous times in history and tells the story of his family struggling to overcome the poverty, crime, addiction, and incarceration that overtook the neighborhood. A breakaway bestseller since its first printing, *All Souls* takes us deep into Michael Patrick MacDonald's Southie, the proudly insular neighborhood with the highest concentration of white poverty in America. Rocked by Whitey Bulger's crime schemes and busing riots, MacDonald's Southie is populated by sharply hewn characters. We meet Ma, Michael's mini-skirted, accordion-playing, single mother who endures the deaths of four of her eleven children. And there are Michael's older siblings Davey, sweet artist-dreamer; Kevin, child genius of scam; and Frankie, Golden Gloves boxer and neighborhood hero whose lives are high-wire acts played out in a world of poverty and pride. Nearly suffocated by his grief and his community's code of silence, MacDonald tells his family story here with gritty but moving honesty. *All Souls* is heartbreaking testimony to lives lost too early, and the story of how a place so filled with pain could still be "the best place in the world."

Does the Bible really condemn same-sex relationships? Many Christians wrestle with this question. Here, in his compassionate, cogent book, David Runcorn outlines how someone can support

same-sex relationships on the basis of the Bible, not in spite of it. The Church, in every time and place, finds itself working out the shock and surprise of God's unfolding ways – often scandalized by where holiness, goodness and the life of God are to be found. Runcorn's insightful and moving reflections show how speaking in gospel friendship will help to dispel the anxiety and division that have tended to mark the Church's response to homosexuality. Covering sexual abstinence and celibacy, sexuality and the sacred, he leads us to one powerful conclusion: love means love. 'Brim-full of gentle and clear wisdom. Highly recommended!' PAUL BAYES, Bishop of Liverpool 'Joyful, truthful, scandalously inclusive . . . This book will literally save lives. It opens the door of grace and beckons you in.' NICK BUNDOCK, Rector of St James and Emmanuel, Didsbury 'Liberates us to read our beloved Bible with faithfulness, both to the text and to the fruit of Christ we often see in LGBT+ lives. For a good number of us, it will be met with a cry of "at last!"'. JODY STOWELL, Vicar of St Michael's Harrow and Chair of London Clergy

"The Little Mermaid" takes a twisted turn in this thrilling sequel to villainess origin story *Sea Witch*, as the forces of land and sea clash in an epic battle for freedom, redemption, and true love. Runa will not let her twin sister die. Alia traded her voice to the *Sea Witch* for a shot at happiness with a prince who doesn't love her. And his rejection will literally kill her—unless Runa intervenes. Under the sea, Evie craves her own freedom—but liberation from her role as *Sea Witch* will require an exchange she may not be willing to make. With their hearts' desires at odds, what will Runa and Evie be willing to sacrifice to save their worlds? Told from alternating perspectives, this epic fairy tale retelling is a romantic and heart-wrenching story about the

complications of sisterhood, the uncompromising nature of magic, and the cost of redemption.
