BRYCE AYERS

[Albuquerque](#) Soho Press

An informative and entertaining history of "The Duke City" and its inhabitants by a longtime New Mexico reporter.

Albuquerque Sterling Publishing Company, Inc.

Insiders' Guide to Albuquerque is the essential source for in-depth travel and relocation information to one of New Mexico's most colorful cities. Written by a local (and true insider), this guide offers a personal and practical perspective of Albuquerque and its surrounding environs.

Historic Albuquerque Arcadia Publishing

An engaging narrative history of Albuquerque from the Spanish Colonial period to 1846. Written by the foremost historian of colonial and nineteenth-century New Mexico, Marc Simmons brings to life the story of Hispanic Albuquerqueans, showing how they reacted to the challenges of survival on the frontier.

100 Things to Do in Albuquerque Before You Die, 3rd Edition UNM Press

The best way to experience Albuquerque is by hiking it! Get outdoors with local authors and hiking experts David Ryan and Stephen Ausherman with the new full-color edition of 60 Hikes Within 60 Miles: Albuquerque. These trails transport you to scenic overlooks, wildlife hot spots, and historical settings that renew your spirit and recharge your body. Each hike description features key information on length, hiking time, difficulty, configuration, scenery, traffic, trail surface, and accessibility, as well as information on the history and natural history of the area. Detailed trail maps and elevation profiles, along with clear directions to the trailheads and trailhead GPS data, help to ensure that you always know where you are and where you're going. Tips on nearby activities further enhance your enjoyment of every outing. Whether you're a local looking for new places to explore or a visitor to the area, 60 Hikes Within 60 Miles: Albuquerque provides plenty of options for a couple hours or a full day of adventure, all within about an hour from Albuquerque and the surrounding communities.

Albuquerque Museum History Collection: Only in Albuquerque highlights the museum's rich history collection, drawing examples from thirty-five thousand artifacts, works of art, maps, and photographs. The objects range from Hispanic religious art, Native American and Hispanic textiles and jewelry, toys and early computers, to railroad and Route 66 memorabilia. The collection represents the history of New Mexico's central Rio Grande Valley and Greater Albuquerque from before written history through the present. This book is the third in the Albuquerque Museum Collection Series. Previously published books in the series are Casa San Ysidro: The Gutierrez/Minge House in Corrales, New Mexico by Ward Alan Minge, and Albuquerque Museum Photo Archives Collection: Images in Silver compiled by Glenn Fye.

[Visualizing Albuquerque](#) Plains Histories

Albuquerque's early lawless reputation rivaled that of Dodge City and Tombstone. Its red-light district was known as Hell's Half Acre. Brothel owner Lizzy McGrath once had a local church demolished to build her new bordello. Milt Yarberr, the town's first marshal, was hanged for murder. And the controversial Elfego Baca, who had the gall to face Pancho Villa, survived a thirty-six-hour gunfight unscathed. Author Cody Polston presents the tales of those who slipped through the cracks of morality.

ABQ Blues Reedy Press LLC

Explore the most interesting, scenic, and historic places in Albuquerque, New Mexico, via 30 self-

guided walking tours. Basking in an average of 310 days of sunshine per year, Albuquerque is a welcoming environment that offers walkable landscapes ranging from its wilderness edge to its industrial core. Yet, given Burque's history and massive sprawl, navigating it on foot requires some guidance from an expert. That's where Walking Albuquerque by local author and explorer Stephen Ausherman comes in handy. With 30 routes mapped out in the valley, the heights, and beyond, this first-of-its-kind comprehensive guidebook covers the entire city and surrounding areas. Whether strolling down neon-bedazzled avenues, promenading through Victorian neighborhoods, exploring volcanic vistas, or wandering the wooded banks of the Rio Grande, each trek is an enlightening excursion into Albuquerque's deep history and richly diverse culture. You can experience the local art scene, indulge in exotic cuisine, visit sacred places, and enjoy more open space than any other city in America—nearly 3,000 square feet of parkland per person. Inside you'll find: 30 self-guided walking tours of the city National landmarks and famous filming locations Hidden treasures that even locals don't often know about Architecture, trivia, and more If you're looking for a quick workout, a full day's entertainment, or something in between, Walking Albuquerque will get you there. You'll feel as if you're being led by your closest friend. So find a route that appeals to you, and walk Albuquerque!

Meet the spirits who haunt this historic New Mexico city . . . photos included! Old Town Plaza has been the center of Albuquerque community life since the city was founded in 1706 by Gov. Francisco Cuervo y Valdez. Historically known as the crossroads of the Southwest, and reflecting an amalgamation of Spanish, Mexican, and Native American cultures, Old Town Plaza has been home to many of New Mexico's proud ancestors—and still is. Ghosts of Old Town Albuquerque presents the evidence of their specters wandering the shadows, gathered by author Cody Polston, president of the Southwest Ghost Hunter's Association. Having tracked spirits for three decades, including in such landmarks as the Bottger Mansion and Casa de Ruiz, Polston explores the history and mysteries behind many of Old Town Plaza's eerie wraiths.

60 Hikes Within 60 Miles: Albuquerque Arcadia Publishing

Here at last is a book that thoroughly chronicles the city's distinctive mix of landscape, climate, architecture, cultural tradition, and history. Through an engaging text and striking illustrations, Simmons presents the major events and personalities in Albuquerque's past. Albuquerque traces the history of the city from ancient times to the present. The account begins with an overview of the geology and geography of the Middle Rio Grande Valley and then describes the successive waves of settlement by Indians, Spaniards, and post-1846 immigrants. Since its founding in 1706, the city has faced conflict, turmoil, and natural disasters that have challenged but not impeded its steady civic progress. In a compelling blend of the dramatic and the ordinary, Simmons brings to life the characters and incidents that have shaped Albuquerque, capturing for the modern reader what its people have thought, felt, and done throughout the generations. Albuquerque is the product of three centuries of continuous settlement, yet it is one of the West's new boom towns, owing to an eightfold increase in population since 1945 and its location in the mineral-rich Southwest. Thus this book has significance as more than a model of study of a city's growth. By placing Albuquerque in historical and cultural context, it gives residents a valuable perspective on their heritage that will help shape their response to contemporary and future challenges -- Book jacket.

Albuquerque may be (well deservedly) known for Route 66, Breaking Bad, and its famous green chiles. But there's much more to know, and love, about this lively Southwestern city. Whether you're a native Albuquerquean looking to mark another local experience off your "bucket list" or an out-of-towner in search of a few vacation ideas, let this second edition of 100 Things to Do in Albuquerque Before You Die be your guide. The book celebrates the top ways to (re)discover the city, from a trip four thousand feet up an aerial tramway to a public art walk. No Duke City exploration is complete

without getting outdoors, and rewarding yourself with a delicious meal afterwards. This guide includes places to hike, bike, and paddle, and where to dine on dishes prepared by the city's top chefs. Before you head out on your next adventure, check out this revised list featuring seventeen new destinations to see what makes Albuquerque a world unto itself.

Walking Albuquerque University of Arizona Press

Affonso de Albuquerque, 1453-1515, Portuguese conqueror of Goa and Malacca.

Albuquerque's Parks and Open Space Asian Educational Services

Where in Albuquerque can you find accidentally dropped nuclear weapons, Microsoft's first office, or the remains of an amusement park dedicated to comic book character Red Ryder? Why does Albuquerque have a grave for a fictional character and where do people play in a "maggot pit"? Where can you sleep in a spy's former home, spot an "Arroyosaurus," or walk among monumental origami? And where exactly can you eat a seven-pound burrito? You'll find the answers to these questions, and many others, in this guide to the Duke City's overlooked, offbeat, and unknown. Secret Albuquerque profiles the city's best-kept restaurant secrets, most fascinating museums, and oddest works of art. It shines a light on little-known aspects of local culture and reveals the secrets behind beloved Albuquerque landmarks. You'll discover where the Mercury Astronauts received their pre-mission physicals (even female astronauts), learn how a former brothel became a bed-and-brew, and uncover the deed and misdeeds of a famed archaeologist. Written by Burquea and local author Ashley M. Biggers, Secret Albuquerque offers a new way to explore the Duke City. It's your guide to uncovering hidden histories of places you thought you knew and discovering off-the-beaten-path attractions you can visit today.

Albuquerque Reedy Press LLC

Visualizing Albuquerque is a comprehensive overview of twelve thousand years of artistic activity in the central Rio Grande Valley. From sophisticated Paleo-Indian spear points to Pueblo pottery, from the Spanish and American Colonial periods to the city finding its true voice after World War II, Visualizing Albuquerque reveals the vibrant creativity spawned by the encounter with this unique region. While to the north Santa Fe and Taos built reputations largely based on a retrospective nostalgia, Visualizing Albuquerque demonstrates that Albuquerque has often acted as the more vital art center. Throughout the twentieth century the city became a haven for modern artists who looked eagerly forward, rather than toward an idealized, mythic past. Albuquerque's role as a hub for commerce and cutting-edge technology inspired decades of artistic innovation and activity. Artists in Albuquerque continue to directly confront the city's unique factors of geography, ethnicity, and complex history to overcome divisions, and in doing so they discover political, aesthetic, and spiritual solutions to difficult problems in challenging times.

History Lover's Guide to Albuquerque, A Imaginary Lines, Inc.

A hardboiled valentine to the Golden State, That Left Turn at Albuquerque marks the return of noir master Scott Phillips. Douglas Rigby, attorney-at-law, is bankrupt. He's just sunk his last \$200,000—a clandestine "loan" from his last remaining client, former bigshot TV exec Glenn Haskill—into a cocaine deal gone wrong. The lesson? Never trust anyone else with the dirty work.

Desperate to get back on top, Rigby formulates an art forgery scheme involving one of Glenn's priceless paintings, a victimless crime. But for Rigby to pull this one off, he'll need to negotiate a whole cast of players with their own agendas, including his wife, his girlfriend, an embittered art forger, Glenn's resentful nurse, and the man's money-hungry nephew. One misstep, and it all falls apart—will he be able to save his skin? Written with hard-knock sensibility and wicked humor, Scott Phillips's newest novel will cement him as one of the great crime writers of the 21st century.

Albuquerque's North Valley Arcadia Publishing

Updated more than ten years after its initial publication, this impassioned book is more relevant than ever to Albuquerque's future. "Illuminating, provocative. . . . a complex, intelligent study of urbanization through an intimate examination of Albuquerque. . . . an insightful, absorbing book."--El Palacio

Italians in Albuquerque Arcadia Publishing

Imagine a City That Remembers grew out of a series of articles and photographs published in the Albuquerque Tribune in 1998 and 1999. This expanded and updated collection revisits Albuquerque nearly twenty years after the original articles were written. It juxtaposes historic and contemporary photographs of Albuquerque to show diverse moments in the city's history and development. The authors, ardent defenders of the vitality of Albuquerque's past, contend that the city is still small enough to be in touch with its history and argue that what makes Albuquerque a great place is the continued presence of its strong traditions. They further believe that preserving Albuquerque's natural and cultural heritage is critical to the city's future. Throughout, both express a deep understanding for this complicated, beautiful, and often misunderstood place.

That Left Turn at Albuquerque Liverpool University Press

"Investigates the complexities of urban American Indian life in Albuquerque, New Mexico. Examines Indigenous experiences in the city, focusing on identity formation, education, welfare, health care, community organizations, and community efforts to counter colonization"--Provided by publisher.

Historic Photos of Albuquerque Arcadia Publishing

Albuquerque's North Valley provides a unique tapestry of Hispanic, Anglo, and other ethnic groups, rural & urban, historic & modern, old & new architectural styles, and a successful integration of traditional & modern ways of living. This book will to appeal both to readers who have a long history of the North Valley and those who are newcomers

100 Things to Do in Albuquerque Before You Die University of New Mexico Press

"Albuquerque, New Mexico, a city astride a great river, celebrates its tricentennial with thirty of its most colorful citizens sharing in their own words memories of a place and time after the second world war when a modern city's character and landscape were being shaped." "Al Hurricane, Sen. Pete Domenici, Ruben Cobos, Tony Hillerman, Robert Stamm, Jacqueline Baca: the city's artists and business people, writers and journalists, politicians and urban planners, architects and developers, scientists and scholars, leaders of the postwar generation who helped to guide the city's growth and to balance its stubborn anti-urban nature with the high-tech sprawl that defines America's centers."--BOOK JACKET.
