We have just come back from our first trip to Euro Disney and found this absolutely invaluable. We packed our day from start to finish, avoiding the queues as much as possible, thanks to the tricks and tips in this book. We felt quite smug as we chatted to various families during the course of our stay, who seemed to have been unable to get Fastpasses for Ratatouille (which is amazing by the way!)

and Crush's Coaster (totally awesome dude!) etc. It gives you advice on where best to watch the Disney Magic show from, the price guides for the restaurants, up-to-date info on the current scheduled ride closures for maintenance. 100% worth the investment." - Amazon.co.uk Customer * "A brilliant book. A must have if you are planning a trip to Disneyland Paris. It was our bible while we were there and we carried it with us everywhere." - Genvi * "We went last year and we are going again this year. I wish I had read this before. Essential reading before your magical trip!" - Busymum
