SHARP JAZMYN

Democracia y tradición en la teoría y práctica educativa del siglo XXI

Archaeopress Publishing Ltd

This publication is intended to serve a principal purpose of providing a compact summary and analysis of factual material on farm-mortgage credit heretofore available only in scattered sources. At the same time it is intended to orient the major current problems and public issues in the farm-mortgage credit field.

La poche de Saint-Nazaire, du 4 août 1944 au 11 mai 1945 Gyldendal A/S

This book explores Ginzburg's Jewishness in her autobiographical writings and traces the shift in her self-representation. It brings together substantial historical background on the period surrounding the Racial Laws, when Natalia Ginzburg and other Italian Jews were forced to confront the significance of their Jewishness. It highlights the reactions by Jews and non-Jews to the growing anti-Semitism of the times. In this context, moral identity is also discussed as a facet of Primo Levi and Giorgio Bassani's Jewish identity.

Merchant Vessels of the United States ... (including Yachts) Cambridge Scholars Publishing

Inside the rich looking covers, this guide portrays more than 250 hotels, inns, and

resorts, including grand city hotels, posadas occupying former monasteries, and Moorish fantasies by the sea. In these, Americans will discover mostly Europeans among their fellow guests, not Americans.

Farm-mortgage Credit Facilities in the United States

Troubador Publishing Ltd

This is the first practical archaeological study of Irish Iron Age ironery. The horse and associated equipment were very much at the heart of the social changes set in motion by contact with the Roman Empire; the examination of the snaffles and bosals allows us to bring the people of the Late Iron Age in Ireland into focus.

¿Qué fines debe perseguir una educación para la ciudadanía en las democracias actuales? ¿Qué y de qué manera pueden aportar las emergentes propuestas de educación del carácter, las tradiciones culturales de cada sociedad o las distintas religiones a la formación humana en un contexto plural como el que se presume en democracia? ¿Qué podemos aprender mediante una mirada retrospectiva sobre una legislación educativa, como la ley del 70, a camino entre la dictadura y la democracia? ¿Acaso puede ser la tecnología algo más que una amenaza para la convivencia democrática y el ejercicio de la ciudadanía, y percibirse

como una verdadera oportunidad pedagógica? ¿Qué estamos haciendo en las aulas para promover la reflexión y las prácticas democráticas? En un momento crucial como el actual, en el que se cuestiona la calidad misma de las democracias contemporáneas, con nuevas claves de interpretación y categorías de análisis como la postdemocracia, la democracia iliberal o la recesión democrática, resulta necesario plantearse la perenne encrucijada entre democracia y educación, y afrontar sus cuestiones más esenciales sin temor a la controversia como corresponde al pensamiento pedagógico y, más concretamente, a la teoría de la educación. El libro ofrece al lector un conjunto de capítulos que abordan tales discusiones de manera directa, ocupándose no solo de aspectos circunstanciales y condicionantes, sino también de aquellos eminentemente esenciales, para un debate abierto e irrenunciable tanto de una educación como de una democracia que aspiren a estar a la altura de nuestro tiempo.

Les oeuvres trad. en françois par Madame Dacier Philadelphia : Carey & Hart

Este texto está específicamente pensado como manual de uso en la asignatura «Educación social e intercultural», de carácter troncal en ambos grados de Magisterio en Educación Infantil y Educación Primaria de la Universidad de Zaragoza. No obstante, siendo una introducción general a algunos de los interrogantes y problemas fundamentales de la pedagogía social que considero de especial relevancia en la formación de los futuros maestros de infantil y primaria, puede ser también de interés para la formación de profesores de secundaria, pedagogos, educadores

sociales y otras profesiones relacionadas con la educación.

Essai Sur La Musique Ancienne Et Moderne Prensas de la Universidad de Zaragoza

This collection of essays surveys some of the artistic productions by female figures who stood at the forefront of Italian modernity in the fields of literature, photography, and even the theatre, in order to explore how artistic engagement in women informed their views on, and reactions to the challenges of a changing society and a 'disinhibiting' intellectual landscape. However, one other objective takes on a central role in this volume: that of opening a window on the re-definition of the subjectivity of the self that occurred during an intriguing and still not fully studied period of artistic and societal changes. In particular, the present volume aims to define a female Italian Modernism which can be seen as complementary, and not necessarily in opposition, to its male counterpart.

Paradise lost, books I-II. v.2. Paradise lost (cont.)
