 The Service

for the Lord's

 the general  
 format or  
 ordering of  
 worship in the  
 Presbyterian  
 Church  
 (U.S.A). The  
 creation of the  
 service for the

was one of the  
 most positive  
 contributions  
 of the Worship  
 Book of 1970.  
 The  
 Presbyterian  
 Supplemental  
 Liturgical  
 Resource  
 (SLT) series  
 includes

liturgies that were used on a trial basis in preparation for the development of the Book of Common Worship. Though superseded by the Book of Common Worship, SLR resources remain valuable, both for the variety of liturgical texts they contain and for the commentary on the text, which contains rich historical, theological, and practical background.

You have an

enemy . . . and he's dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you

in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international

speaking, teaching, and writing ministries, brings her new role from the 2015 film *War Room* into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering

their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. *Fervent* is a hands-on, knees-down, don't-give-up

action guide to practical, purposeful praying.

How does science enhance faith?

Is God relevant in an age of science?

Science and Faith: Student Questions Explored

investigates the relationship between science and Christianity in a series of thoughtful and accessible articles written by

experts. Chosen from InterVarsity's Emerging Scholars Network blog, each chapter addresses common faith- and science-related questions. In part one, Science and Faith delves into why Christians should pursue scientific discovery, as well as the Bible's viewpoint on scientific method and inquiry. Part two begins the conversation on the direct relevance of science to faith and how

Christian scientists can talk to their colleagues about their faith, while part three discusses how conversations about science can take place between Christians. Finally, part four explores the history of science and the church and the question "How can the history of science encourage the church?" While ideal for graduate students who are exploring their faith and their chosen scientific

fields, this book can also be used in church settings or as a personal resource. The book provides questions to launch small group conversation about faith/science, whether you're a science PhD, a ministry leader, or an interested layperson. Since each reading is based on questions from real students, it may also be a resource for Christian faculty teaching the

sciences. Contributors include Ruth Bancewicz, Gerald Rau, Greg Cootsona, Andy Walsh, and more. *Unity in Mission* Lutes Pub More than fifty scholars, under R. C. "A book you  
will want to  
read and read  
again." --  
Eugene  
Peterson  
Afterword by  
Bono. How

can you find a  
more  
transparent,  
resilient, and  
fearless life of  
faith? Open  
and Unafraid  
by David  
Taylor takes  
readers on a  
profound  
journey  
through the  
book of  
Psalms, which  
has been a  
central pillar  
for God's  
people for  
millennia,  
across all  
walks of life  
and cultural  
contexts. In  
reading it, we  
discover that  
we are never  
alone in our  
joys, sorrows,  
angers,  
doubts,  
praises, or

thanksgivings. In it, we learn about prayer and poetry, honesty and community, justice and enemies, life and death, nations and creation. As a professor, pastor, author, and producer of the short film Bono and Eugene Peterson: The Psalms, David Taylor has created an accessible guide to the psalms that resonates deeply with first-time and long-time Bible readers, poets and artists, devout believers and

spiritual seekers alike. Open and Unafraid shows you how to read the psalms in a fresh, life-giving way, and so access the bottomless resources for life and experience the presence of God--in order to deepen discipleship and worship. Endorsements : "David Taylor's take is 'open and unafraid' alright. He really goes there, exposing himself before God in the

most beautiful way. He might have called the book Naked, because if you don't find your own self feeling a little exposed here, it might be time to take some armor off." -- Bono, from the Afterword "A book that you will want to read and read again, and yet again, in order to discover the wisdom of the Psalms that shows us how to walk in the life-giving way of Jesus." -- Eugene Peterson, from the Foreword "A winsome,

accessible  
entry into the  
Book of  
Psalms...Conn  
ects the  
poetry of the  
psalms to  
real-life  
wonders and  
struggles." --  
Walter  
Brueggemann,  
Columbia  
Theological  
Seminary  
"Taylor reads  
these biblical  
prayers with  
Dr. Seuss,  
rappers, and  
other poets,  
along with  
theologians  
and the daily  
news....Guides  
readers in  
tracing out  
patterns of  
holy speech  
that have the  
potential for  
healing our

hearts and our  
communities."  
-- Ellen F.  
Davis, Duke  
Divinity  
School "I have  
always loved  
the psalms--  
for their  
defiant  
devotion, their  
deep joy, and  
their brutal  
yet beautiful  
honesty. And  
after reading  
this fantastic  
book about  
them, I love  
them even  
more." -- Matt  
Redman,  
worship leader  
and song  
writer "In  
these fraught  
and fearsome  
days, we need  
the psalms  
more than  
ever. And we  
need more

faithful artists  
and thinkers  
like David  
Taylor to mine  
the infinite  
gifts the  
psalms offer  
across the  
ages." --
