Virtual Publication

This Summarized version of Sahih Al-Bukhārī is an English translation of the compilation entitled "At-Tajrid As-Sarih" by Imam Zain-ud-Deen Ahmad bin 'Abdul-

Lateef Az-Zubaidi. The original compilation (in nine volumes) contains more than 7500 Ahadith with repetitions and duplicates. The summarized version (in one volume) is about one quarter the size of the original and contains 2230 Ahadith without repetitions. Also, most of the duplicate Ahadith from different chains (with slight variations) have been removed and only one has been kept. Furthermore, most of the sub-narrators are often omitted when possible and sometimes only the first narrator in each chain is kept. NOTE: The numbering style has been altered slightly

to include both the Summarized and Original versions. So the Hadith numbering of the Summarized version from numbers 1 to 2230 is shown in squared brackets, while the reference to the Original version is shown directly after it by depicting the Volume number it is found in, the Book title of that Volume, and the Hadith number of that specific Book. For example: In the Book of "Fasting (Saum)", you will find the first narration beginning with "[919] Volume 3, Book 31, Hadith 118: Narrated.... etc." This makes an excellent read for the average Muslim who would

like to increase their knowledge and get to know more about the authentic narrations of our beloved Prophet Muhammad, may peace and blessings of Allâh be upon him. IMPORTANT: The blessings which a person confers to the Prophet (s) every time mention is made to him has been omitted throughout this book (i.e. "sallallâhu 'alaihi wasallam" or "peace and blessings of Allâh be upon him."). The reader is humbly requested to do so every time he/she comes across any mention being made to him. Visit our eBook Store at:

Ye Kitab Hazrate Abu Bakr Siddique Radiallah Ta'ala Anho Ki Fazeelat Par Hai.

**Arba'ûn Al-Qudsīyah** Peace Vision

In the summer of 1996, Yusha Evans went on a passage through the Bible and its four Gospel. He scrutinized more than five different religions in search of God and His message. In 1998, he reverted to Islam. He yearned for the truth in life which is to "Worship God alone as one, obey Him and His Messenger to go to Heaven," of which he found through Islam.

Ye Risala Zibah Ke Bayaan Par Hai Jo Ke Bahaar -e- Shariat Se Makhooz Hai

**Islami Aqaid (Roman Urdu)** Abde Mustafa Official

In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurispudent named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled Kitab al-Jihad (The Book of the Jihad), al-Sulami's work both summoned his Muslim brethren to the jihad and instructed them in the manner in

which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of prisoners and plunder, and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy. Al-Sulami's text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami's work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from

Asia Minor whose rhetorical style was highly influential in the development of al-Sulami's work.

Ahle Sunnat Ke Aqaido Mamulaat Par Taqreeban 350 Sawal Jawab Ka Majmua How the Bible Led Me to Islam Abde Mustafa Official

Generally regarded as the single most authentic collection of Ahadith, Sahih Al-Bukhari covers almost all aspects of life in providing proper guidance. This book took over 16 years by Imam Bukhari who before writing any Hadith in this book performed prayers for guidance and when he was sure of the Hadith's authenticity, he wrote it in the book.

The translation of the meanings of Sahih AL-Bukhari Abde Mustafa Official

Sahih Bukhari is a collection of sayings and deeds of Prophet Muhammad (pbuh), also known as the Sunnah. The reports of the Prophet's (saw) sayings and deeds are called ahadeeth. Imam Bukhari lived a couple of centuries after the Prophet's (saw) death and worked extremely hard to collect his ahadeeth. Each report in his collection was checked for compatibility with the Qur'an, and the veracity of the chain of reporters had to be painstakingly established. Bukhari's collection is recognized by the overwhelming majority of the Muslim world to be one of the most authentic collections of the Sunnah of the Prophet (pbuh).
