HARPER MIDDLETON

Rescue Zondervan

On Style brings together today's top up-and-coming interior designers who together reflect the future of decorating, illustrated with never-before-published photos of each designer's work. The world is changing, and interior design is changing along with it. Today's designers are presenting a fresh take on decorating, and they are connecting directly with their audience over social media. In his follow-up to *Interior Design Master Class*, editor Carl Dellatore turns his curatorial eye toward this next generation of decorators, culling fifty of the top designers working in America today. *On Style* provides an intimate view into the personalities, inspirations, and aesthetics of these members of the new guard. Each profile spotlights a never-before-seen project, as well as each designer's story and influences, and of course, their advice for achieving great style. The group hails from across the country, from Seattle to Los Angeles, Houston to New York. It includes best-selling authors like Paloma Contreras; Elle Decor's 2018 A-Listers like Nick Olsen, Charlie Ferrer, and Bennett Leifer; members of distinguished firms like Cullman & Kravis and McMillen Inc.; and protégés of famous decorators such as Bunny Williams, Jamie Drake, and Miles Redd. This fascinating cross section of talent results in a book that readers will want to return to again and again for ideas and inspiration.

Git in Practice Lark Books (NC)

From the authors who created the One Word movement, impacting schools, businesses, and sports teams around the world, comes a charming fable that can be read and shared by everyone. If you could choose only one word to help you have your best year ever, what would it be? Love? Fun? Believe? Brave? It's probably different for everyone. How you find your word is just as important as the word itself. And once you know your word, what do you do with it? In *One Word for Kids*, bestselling author Jon Gordon—along with coauthors Dan Britton and Jimmy Page—asks these questions to children and adults of all ages, teaching an important life lesson in the process. This engaging, fully illustrated fable follows Stevie, a young boy falling asleep on the first day of school. His teacher gives the class an assignment: to find the one word that will help them have their best year ever. To discover their one word, they must look inside themselves, look up, and look out. At home, Stevie is upset because he can't find his word. After his dad offers some helpful advice, Stevie excitedly begins the quest for his word. His search helps him discover a lot about himself, what he loves, and what is important to him. An easy read with a powerful message, *One Word for Kids* appeals to readers of all ages and is an ideal entry point into discussing a valuable lesson in a fun and engaging way.

Multiple Streams of Inspiration 3 Writer's Digest Books

From New York Times bestselling author Jennifer A. Nielsen comes a thrilling World War II story of espionage and intrigue, as one girl races to crack a coded message to save her father and the French resistance. Six hundred and fifty-seven days ago, Meg Kenyon's father left their home in France to fight for the Allies in World War II, and that was the last time Meg saw him. Recently, she heard he was being held prisoner by the Nazis, a terrible sentence from which Meg fears he'll never return. All she has left of him are the codes he placed in a jar for her to decipher, an affectionate game the two of them shared. But the codes are running low, and soon there'll be nothing left of Papa for Meg to hold on to at all. Suddenly, an impossible chance to save her father falls into Meg's lap. After following a trail of blood in the snow, Meggie finds an injured British spy hiding in her

grandmother's barn. Captain Stewart tells her that a family of German refugees must be guided across Nazi-occupied France to neutral Spain, whereupon one of them has promised to free Meg's father. Captain Stewart was meant to take that family on their journey, but too injured to complete the task himself, he offers it to Meg, along with a final code from Papa to help complete the mission - perhaps the most important, and most difficult, riddle she's received yet. As the Nazis flood Meg's village in fierce pursuit, she accepts the duty and begins the trek across France. Leading strangers through treacherous territory, Meg faces danger and uncertainty at every turn, all the while struggling to crack her father's code. The message, as she unravels it, reveals secrets costly enough to risk the mission and even her own life. Can Meg solve the puzzle, rescue the family, and save her father?

In Awe John Wiley & Sons

The One Year Book of Encouragement is a collection of insights from assorted Christian authors, past and present—from Oswald Chambers and Philip Yancey to John Calvin and John Wesley. Draw encouragement every day from the wisdom of the ages with this *One Year Book*—it's bound to be a classic!

Where Women Create Corwin Press

Summary Git in Practice is a collection of 66 tested techniques that will optimize the way you and your team manage your development projects. The book begins with a brief reminder of the core version control concepts you need when using Git and moves on to the high-value features you may not have explored yet. Then, you'll dig into cookbook-style techniques like history visualization, advanced branching and rewriting history each presented in a problem-solution-discussion format. Finally you'll work out how to use Git to its full potential through configuration, team workflows, submodules and using GitHub pull requests effectively. Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications. About the Technology Git is a source control system, but it's a lot more than just that. For teams working in today's agile, continuous delivery environments, Git is a strategic advantage. Built with a decentralized structure that's perfect for a distributed team, Git manages branching, committing, complex merges, and task switching with minimal ceremony so you can concentrate on your code. About the Book *Git in Practice* is a collection of battle-tested techniques designed to optimize the way you and your team manage development projects. After a brief overview of Git's core features, this practical guide moves quickly to high-value topics like history visualization, advanced branching and rewriting, optimized configuration, team workflows, submodules, and how to use GitHub pull requests. Written in an easy-to-follow Problem/Solution/Discussion format with numerous diagrams and examples, it skips the theory and gets right to the nitty-gritty tasks that will transform the way you work. Written for developers familiar with version control and ready for the good stuff in Git. What's Inside Team interaction strategies and techniques Replacing bad habits with good practices Juggling complex configurations Rewriting history and disaster recovery About the Author Mike McQuaid is a software engineer at GitHub. He's contributed to Qt and the Linux kernel, and he maintains the Git-based Homebrew project. Table of Contents PART 1 INTRODUCTION TO GIT Local Git Remote Git PART 2 GIT ESSENTIALS Filesystem interactions History visualization Advanced branching Rewriting history and disaster recovery PART 3 ADVANCED GIT Personalizing Git Vendoring dependencies as submodules Working with Subversion GitHub pull requests Hosting a repository PART 4 GIT BEST PRACTICES Creating a clean history Merging vs. rebasing Recommended team workflows

A Maryknoll Book of Inspiration Hay House, Inc

If you're living a perfect, charmed life . . . well, then this book isn't for you. But if, like the rest of us, you are at times broken, confused, lonely, or scared—if you're struggling with problems that you think "good Christians" don't have—then welcome, girlfriend, and pull up a chair! This quirky, friendly, and gut-honest devotional comes straight from the heart of Ellen Miller (CEO, marketing executive, mom, and unapologetic "glorious mess"). Despite the serious struggles she's faced, Ellen

today lives a life of profound joy, and *The One Year Book of Inspiration for Girlfriends* contains 365 days' worth of the principles and philosophies that have gotten her there. There's no subject she's afraid to tackle! Her quick, daily doses of encouragement will make you laugh, give you something to look forward to, help you to stay (somewhat!) sane . . . and remind you that you're never alone.

All Groan Up Rethinking Schools

"A funny, seasoned take on dashed illusions."—O Magazine "I love everything Meredith Maran writes. She is insightful, funny, and human, and the things she writes about matter to me deeply. Her memoir, *The New Old Me*, is a book I don't just want to read—I need to read it. So does everyone else who's getting older and wants to live fully, with immediacy and enjoyment, which is to say, everyone."—Anne Lamott, author of *Hallelujah Anyway* For readers of Anne Lamott, Abigail Thomas, and Ayelet Waldman comes one woman's lusty, kickass, post-divorce memoir of starting over at 60 in youth-obsessed, beauty-obsessed Hollywood. After the death of her best friend, the loss of her life's savings, and the collapse of her once-happy marriage, Meredith Maran leaves her San Francisco freelance writer's life for a 9-to-5 job in Los Angeles. Determined to rebuild not only her savings but also herself while relishing the joys of life in La-La land, Maran writes "a poignant story, a funny story, a moving story, and above all an American story of what it means to be a woman of a certain age in our time" (Christina Baker Kline, number-one New York Times bestselling author of *Orphan Train*). Praise for *The New Old Me*: "High time we had a book that celebrates becoming an elder! Meredith Maran writes of the difficulties of loss and change and aging, but makes it clear that getting on can be more interesting, more fun, and a lot more exciting than youth."—Abigail Thomas, author of the New York Times bestseller *What Comes Next* and *How to Like It* "By turns poignant and funny, the book not only shows how one feisty woman coped with a 'Plan B life' she didn't want or expect with a little help from her friends. It also celebrates how she transformed uncertainty into a glorious opportunity for continued late-life personal growth. A spirited and moving memoir about how 'it's never too late to try something new.'"—Kirkus

Color and Frame 3 in 1 Animals Citadel Press

The #1 New York Times best-selling author of *The Power of Intention* "What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life."— Dr. Wayne W. Dyer In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition—we can choose—so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences—it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration—your ultimate calling.

Hope Nation White Owl

New Inspiration takes all the best elements of the original course and adds some exciting new characteristics perfect for motivating and challenging teenage students.

New Inspiration Level 1. Student's Book Crown Currency

Most of us live our lives by accident - we live as it happens. Fulfilment comes when we live our lives on purpose. 'What are you going to do with your life? What are you doing with your life now?' 'Do you have goals? A vision? A clear sense of why you do what you do?' Almost everyone knows someone who has grappled with at least one of these questions. The answers can often seem elusive or uncertain. Though there are many paths to follow into the unknown future, there is one way that dramatically increases the chances we will enjoy the journey. To travel with someone we trust. We can try to build a successful career or a happy life alone, but why would we? Together is better. This unique and delightful little book makes the point that together is better in a quite unexpected way. Simon Sinek, bestselling author of *Start With Why* and *Leaders Eat Last*, blends the wisdom he has gathered from around the world with a heartwarming, richly illustrated original fable. Working hard for something we don't care about is called stress. Working hard for something we love is called passion.

One Word for Kids Publications International, Limited

Illuminate your education path with uplifting lessons and mindful living practices. It takes courage, positivity, and passion to thrive as a teacher. This vivid and inspirational guide offers educators practical wisdom and strategies to promote their wellbeing and balance. Carol Pelletier Radford shares 10 important lessons she has learned in a long career as an educator that can help you build a fulfilling and lifelong career in education. In each lesson, readers will find: • Stories of resilience from classroom teachers • Self-care tips and assessments • Podcasts with inspiring teachers and leaders who have lived out the 10 lessons • Reading plans for teachers, teacher teams, and mentor/mentee pairs • Ways to dive deeper with additional companion website resources Teaching With Light equips courageous teachers with the tools they need to take care of themselves so they

can serve their students, step into leadership, and contribute to the education profession.

Artist's Little Book of Inspiration Thomas Nelson

Task-based teaching has created enormous interest among teachers in recent years. But how does the idea of designing tasks (e.g. discussions, problems, games) that encourage learners to use real language work in practice? This book explains the basic principles behind task-based learning and teaching and gives practical examples of how to make it work in different teaching situations.

New Inspiration Harry N. Abrams

All Groan Up: Searching for Self, Faith, and A Freaking Job! is the story of the GenY/Millennial generation told through the individual story of author Paul Angone. It's a story of struggle, hope, failure, and doubts in the twilight zone of growing up and being grown, connecting with his twentysomething post-college audience with raw honesty, humor, and hope.

Together is Better Simon and Schuster

Unleash your creativity and learn a whole variety of hand embroidery techniques with Clare Albans from Hello! Hooray!. The *Modern Embroidery Handbook* is a perfect guide for stitchers of all levels, and is something you'll want to pick up from your bookshelf to refer to time and again. Inspired by vintage sewing companions, the follow up to colorful *Fun Embroidery* contains step-by-step instructions for 72 different hand embroidery stitches, plus a large-scale sampler, alongside 20 brand new projects. Start with the basic ones most commonly found in embroidery designs, before experimenting with stitches for borders and edging, decorative stitches and motifs, as well as textural stitches and knots. The 20 modern projects give you an opportunity to try out all the stitches, and each one includes full step-by-step instructions, beautiful photos, and templates for you to create them yourself at home. The *Modern Embroidery Handbook* will encourage and inspire you to go beyond the embroidery hoop, get out of your comfort zone and be bold in trying different techniques. If you've ever wanted to experiment with watercolors on fabric, stitch unique customised pieces to wear or use in your home, or even to create 3D effects with hand embroidery, then look no further. This colorful and informative book will give you the confidence to experiment and help you to find joy in taking time out to be creative!

Writer's Little Instruction Book - Inspiration & Motivation Wipf and Stock Publishers

In the #1 New York Times bestseller, *The World Needs Who You Were Made to Be*, Joanna Gaines celebrates how creativity and acceptance can come together to make for a bright and beautiful adventure. The book, illustrated by Julianna Swaney, follows a group of children as they each build their very own hot-air balloons. As the kids work together, leaning into their own skills and processes, we discover that the same is true for life—it's more beautiful and vibrant when our differences are celebrated. Together with Joanna, you and your kids will take a journey of growth and imagination as you learn in full color to: Celebrate every child's one-of-a-kind strengths and differences Embrace teamwork Share our talents and abilities to make everything more beautiful Lend a helping hand and do our best to show kindness and take care of one another *The World Needs Who You Were Made to Be* is a vibrant picture book perfect for: Ages 4-8 Grandparents, parents, teachers, and librarians Classroom story times and discussions about diversity and being a good human being Households that enjoy watching Chip and Joanna on Magnolia Network and HGTV's *Fixer Upper* With plenty of pink, a bounty of blue, orange and green and yellow too, this vibrant hot-air balloon adventure celebrates every child and teaches kids that we are in this together. "You're one of a kind, and it's so clear to see: The world needs who you were made to be." [New Inspiration Level 3 Student's Book](#) John Wiley & Sons

★ "This amazing outpouring of strength and honesty offers inspirational personal accounts for every reader who wonders what to do when everything seems impossible." --Booklist, starred review A 2019 Texas Topaz Reading List Selection A Junior Library Guild Selection Hope is a decision, but it is a hard one to recognize in the face of oppression, belittlement, alienation, and defeat. To help embolden hope, here is a powerhouse collection of essays and personal stories that speak directly to teens and all YA readers. Featuring Angie Thomas, Marie Lu, Nicola Yoon, David Levithan, Libba Bray, Jason Reynolds, Renée Ahdieh, and many more! "The hope of a secure and livable world lies with disciplined nonconformists who are dedicated to justice, peace and brotherhood."--Rev. Martin Luther King, Jr. We all experience moments when we struggle to understand the state of the world, when we feel powerless and--in some cases--even hopeless. The teens of today are the caretakers of tomorrow, and yet it's difficult for many to find joy or comfort in such a turbulent society. But in trying times, words are power. Some of today's most influential young adult authors come together in this highly personal collection of essays and original stories that offer moments of light in the darkness, and show that hope is a decision we all can make. Like a modern day Chicken Soup for the Teenage Soul or *Don't Sweat the Small Stuff for Teens*, *Hope Nation* acknowledges the pain and offers words of encouragement. Authors include: Atia Abawi, Renee Ahdieh, Libba Bray, Howard Bryant, Ally Carter, Ally Condie, Christina Diaz Gonzales, Gayle Forman, Romina Garber, I. W. Gregario, Kate Hart, Bendan Kiely, David Levithan, Alex London, Marie Lu, Julie Murphy, Jason Reynolds, Aisha Saeed, Nic Stone, Angie Thomas, Jenny Torres Sanchez, Jeff Zentner, and Nicola Yoon. Praise for *Hope Nation*: "A salve when days are bleak."--Kirkus Reviews "An important and inspiring read for thoughtful teens."--School Library Journal
