Given the vital role literary mothers play in books for young readers, it is remarkable how little scholarly attention has been paid to the representation of mothers outside of fairy tales and beyond studies of gender stereotypes.
Plague Birds Humanoids Inc An old-fashioned yet truly original noir tale set in 1920s New York where an unlikely pair of detectives pursue a mysterious killer.	Gilmore, Anna Katrina Gutierrez, Adrienne Kertzer, Kouen Kim, Alexandra Kotanko, Jennifer Mitchell, Mary Jeanette Moran, Julie Pfeiffer, and Donelle Ruwe	Living or dead, present or absent, sadly dysfunctional or merrily adequate, the figure of the mother bears enormous freight across a child's emotional and
Vampirella Strikes Dynamite Entertainment Winner of the Children's Literature Association's 2018 Edited Book Award Contributions by Robin Calland, Lauren		intellectual life. Given the vital role literary mothers play in books for young readers, it is remarkable how little scholarly attention has been paid to the representation of mothers outside of fairy tales and beyond studies of gender stereotypes. This collection of thirteen essays begins to fill a critical gap by bringing together a range of theoretical perspectives

by a rich mix of senior scholars and new voices. Following an introduction in which the coeditors describe key trends in interdisciplinary scholarship, the book's first section focuses on the pedagogical roots of maternal influence in early children's literature. The next section explores the shifting cultural perspectives and subjectivities of the twentieth century. The

third section examines the interplay of fantasy, reality, and the ethical dimensions of literary mothers. The collection ends with readings of postfeminist motherhood, from contemporary realism to dystopian fantasy. The range of critical approaches in this volume will provide multiple inroads for scholars to investigate richer readings of mothers in children's and

young adult literature.

The Literary Gazette

Harper Collins
A New York Times
bestseller!
The Sandman is the universally lauded masterwork following Morpheus, Lord of the Dreaming—a vast hallucinatory landscape housing all the dreams of any and everyone who's ever existed. Regardless of cultures or historical eras, all dreamers visit Morpheus' realm—be

they gods, demons, muses, mythical creatures, or simply humans who teach Morpheus some surprising lessons. In this epic tale, Delirium, youngest of the Endless, prevails upon the Sandman to help her find their errant brother, Destruction. But their quest will lead to a painful reunion between Morpheus and his son, Orpheus. Then, the Sandman and

others are trapped in a mysterious inn while a tempest rages—and all they can do to while away the time is tell the stories of their lives. And when a young woman's baby is stolen, she turns to The Kindly Ones for vengeance—only to set off a series of events that will lead the Sandman to his ultimate fate, and the baby to find a destiny no one could have foretold. This massive hardcover

tome, over 1000 pages, collects the final 38 issues of Neil Gaiman's groundbreaking series. Collects The Sandman #38-75 plus stories from Vertigo Jam #1 and Vertigo: Winter's Edge #3. *Dictionary of the British English Spelling System* Europe Comics In the first book in a brilliant new fantasy series, books that aren't finished by their authors reside

in the Library of the Unwritten in Hell, and it is up to the Librarian to track down any restless characters who emerge from those unfinished stories. Many years ago, Claire was named Head Librarian of the Unwritten Wing-- a neutral space in Hell where all the stories unfinished by their authors reside. Her job consists mainly of repairing and organizing books, but also of keeping an

eye on restless stories that risk materializing as characters and escaping the library. When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel

attacks them, convinced that they hold the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell....and Earth. Muse Little, Brown Books for Young Readers Janey is back, fresh from a dirt nap, and continuing her

cross-country quest with a stop in Motor City. But when a bath in what appears to be an abandoned Detroit warehouse leaves rings in the tub, the meth chef resident cooks up a new drug! Soon chaos erupts in the streets as the new drug has users turning into tweaker zombies. Now Zombie Tramp must face a new monster of her own creation, plus Motor City's own resident bad girl vigilante, Vampblade! In

a final boneyard brawl, Zombie Tramp creates a flesh beast from cemetery inhabitants to do battle with the hulking meth monster and mystical blade-wielding vixen that have plagued her Motown visit. Collects *Zombie Tramp* #9-12.

Athena Apex Publications
The impact of the Oulipo (Ouvroir de Littérature Potentielle), one of the most important groups of experimental writers of the late twentieth

century, is still being felt in contemporary literature, criticism, and theory, both in Europe and the US.

Founded in 1960 and still active today, this Parisian literary workshop has featured among its members such notable writers as Italo Calvino, Georges Perec, and Raymond Queneau, all sharing in its light-hearted, slightly boozy bonhomie, the convivial antithesis of the fractious, volatile

coteries of the early twentieth-century avant-garde. For the last fifty years the Oulipo has undertaken the same simple goal: to investigate the potential of 'constraints' in the production of literature--that is, formal procedures such as anagrams, acrostics, lipograms (texts which exclude a certain letter), and other strange and complex devices. Yet, far from being mere parlour games, these

methods have been frequently used as part of a passionate--though sometimes satirical--involvement with the major intellectual currents of the mid-twentieth century. Structuralism, psychoanalysis, Surrealism, analytic philosophy: all come under discussion in the group's meetings, and all find their way in the group's exercises in ways that, while often ironic, are also highly

informed. Using meeting minutes, correspondence, and other material from the Oulipo archive at the Bibliothèque nationale de France, *The Oulipo and Modern Thought* shows how the group have used constrained writing as means of puckish engagement with the debates of their peers, and how, as the broader intellectual landscape altered, so too would the group's

conception of what constrained writing can achieve. Sugar Vol. 1 Hachette UK Four tales of action and suspense featuring the lovely ladies of the mutant world! First, international superstar Milo Manara joins X-Legend Chris Claremont for a highflying, death-defying, globetrotting adventure! Storm, Psylocke, Shadowcat, Marvel Girl and Rogue save the world and look great doing it! Then,

X-23 has spent her short life being used. But when she confronts a being who can control her life with a mere thought, will X-23 learn how to fight for herself?, Plus: having quit the Dark X-Men, Cloak and Dagger struggle to fit in among the mutants of Utopia. But when a menace targets Cloak, Dagger must make a fateful choice! And Dazzler is attacked by an onslaught of villains from her past -led

by her murderous sister, Mortis! Will Alison Blaire survive this blood-soaked trip down memory lane? COLLECTING: X-Women 1, X-23 1, Cloak & Dagger 1, Dazzler 1 **The Library of the Unwritten** Titan Books (UK) OLYMPIAN GODS. LEGENDARY MONSTERS. NOWHERE TO RUN. An action-packed tale as epic as the legends that spawned it. *The Artistry of Neil Gaiman*

 love, history,
 magic - it's an
 engrossing
 story with
 magnificent
 characters,
 balanced
 perfectly on
 the edge
 between,'
 says DIANA
 GABALDON By
 the fiftieth
 year of his
 reign, Louis
 XIV has made
 France the
 most powerful
 state in the
 western world,
 but the Sun
 King's
 appetite for
 glory knows
 no bounds. In
 a bold stroke,
 he sends his

natural
 philosopher on
 an expedition
 to seek the
 source of
 immortality:
 the mythical
 sea monster.
 For the glory
 of his God, his
 country, and
 his king,
 Father Yves
 de la Croix
 returns with
 his treasures:
 one heavy
 shroud packed
 in ice . . . and
 in a covered
 basin, an
 imprisoned
 sea-creature.
 Marie-Josophe
 de la Croix
 has been
 looking
 forward to
 assisting her
 brother Yves
 in the
 scientific

study of the sea monster, until she makes a discovery that will threaten everything her brother, the court and the King believe. 'The finest alternate history ever, light-hearted and wise - a luminous, radiant novel,' said URSULA K. LE GUIN But in the decadent court of King Louis, where morality is skewed and corruption reigns, will anyone listen to a single voice? Somehow, she must find the

courage to follow her heart and her convictions - even at the cost of changing her life forever. Graphic Novels for Children and Young Adults Univ. Press of Mississippi This book explores representation of child autonomy and self-governance in children's literature. The idea of child rule and child realms is central to children's literature, and childhood is frequently represented

as a state of being, with children seen as aliens in need of passports to Adultland (and vice versa). In a sense all children's literature depends on the idea that children are different, separate, and in command of their own imaginative spaces and places. Although the idea of child rule is a persistent theme in discussions of children's literature (or about children and childhood) the

metaphor itself has never been properly unpacked with critical reference to examples from those many texts that are contingent on the authority and/or power of children. Child governance and autonomy can be seen as natural or perverse; it can be displayed as a threat or as a promise. Accordingly, the "child rule"-motif can be seen in Robinsonades and horror films, in

philosophical treatises and in series fiction. The representation of self-ruling children are manifold and ambivalent, and range from the idyllic to the nightmarish. Contributors to this volume visit a range of texts in which children are, in various ways, empowered, discussing whether childhood itself may be thought of as a nationality, and what that may imply. This collection shows how representation

s of child governance have been used for different ideological, aesthetic, and pedagogical reasons, and will appeal to scholars of children's literature, childhood studies, and cultural studies. [The Gothic in Children's Literature](#) Penguin This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English

language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly

described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables

searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the

strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables. *Olympus Cernunnos* Contributions by Rebecca A. Brown, Justine Gieni, Holly Harper, Emily L. Hiltz, A. Robin Hoffman, Kirsten Kowalewski, Peter C. Kunze, Jorie Lagerwey, Nick Levey, Jessica R. McCort, and Janani Subramanian Dark novels,

shows, and films targeted toward children and young adults are proliferating wildly. It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged, abandoned, and appropriated. Reading in the Dark fills a gap in criticism devoted to children's popular culture by concentrating

on horror, an often-neglected genre. These scholars explore the intersection between horror, popular culture, and children's cultural productions, including picture books, fairy tales, young adult literature, television, and monster movies. Reading in the Dark looks at horror texts for children with deserved respect, weighing the multitude of benefits they can provide

for young readers and viewers. Refusing to write off the horror genre as campy, trite, or deforming, these essays instead recognize many of the texts and films categorized as "scary" as among those most widely consumed by children and young adults. In addition, scholars consider how adult horror has been domesticated by children's literature and culture, with authors and screenwriters

turning that which was once horrifying into safe, funny, and delightful books and films. Scholars likewise examine the impetus behind such re-envisioning of the adult horror novel or film as something appropriate for the young. The collection investigates both the constructive and the troublesome aspects of scary books, movies, and television shows targeted toward

children and young adults. It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas, and it treats as well the readers' experiences of such mechanisms. *Mothers in Children's and Young Adult Literature* Image Comics Glowing red lines split their faces. Shock-red hair and clothes warn people to flee their approach. They are

plague birds, the powerful merging of humans and artificial intelligences who serve as judges and executioners after the collapse of civilization. And the plague birds' judgment is swift and deadly, as Crista discovered as a child when she watched one kill her mother. In a world of gene-modded humans constantly watched over by benevolent AIs, everyone hates and fears the

plague birds. But to save her father and home village, Crista becomes the very creature she fears the most. And her first task as a plague bird is hunting down an ancient group of murderers wielding magic-like powers. As Crista and her AI symbiote travel farther from home than she ever imagined, they are plunged into a strange world where she judges wrongdoers, befriends other

outcasts, and uncovers an extremely personal conspiracy that threatens the lives of millions. *Plague Birds* is a genre-bending mix of science fiction and dark fantasy and the epic story of a young woman who becomes one of the future's most hated creatures, with a killer AI bonded to her very blood. [The Oulipo and Modern Thought Univ. Press of Mississippi](#) With contributions

by Eti Berland, Rebecca A. Brown, Christiane Buuck, Joanna C. Davis-McElligatt, Rachel Dean-Ruzicka, Karly Marie Grice, Mary Beth Hines, Krystal Howard, Aaron Kashtan, Michael L. Kersulov, Catherine Kyle, David E. Low, Anuja Madan, Meghann Meeusen, Rachel L. Rickard, Rebellino, Rebecca Rupert, Cathy Ryan, Joe Sutliff, Sanders, Joseph Michael Sommers, Marni Stanley, Gwen Athene Tarbox, Sarah Thaller, Annette Wannamaker, and Lance Weldy One of the most significant transformations in literature for children and young adults during the last twenty years has been the resurgence of comics. Educators and librarians extol the benefits of comics reading, and increasingly, children's and YA comics and hybrids have won major prizes, including the Printz Award and the National Book Award. Despite the popularity and influence of children's and YA graphic novels, the genre has not received adequate scholarly attention. *Graphic Novels for Children and Young Adults* is the first book to offer a critical examination of children's and YA comics. The anthology is divided into five sections,

structure and narration; transmedia; pedagogy; gender and sexuality; and identity, that reflect crucial issues and recurring topics in comics scholarship during the twenty-first century. The contributors are likewise drawn from a diverse array of disciplines-- English, education, library science, and fine arts. Collectively, they analyze a variety of contemporary comics, including such highly popular series as *Diary of a Wimpy Kid* and *Lumberjanes*; Eisner award-winning graphic novels by Gene Luen Yang, Nate Powell, Mariko Tamaki, and Jillian Tamaki; as well as volumes frequently challenged for use in secondary classrooms, such as Raina Telgemeier's *Drama* and Sherman Alexie's *The Absolutely True Diary of a Part-Time Indian*.
