A Tamil Hand-book Chanda Books

This alphabet book is meant to introduce the Tamil (Tamizh) alphabet to children in the U.S. and other countries who are more comfortable with English. This book is divided into seven sections. In the first section, the alphabet chart of Tamil is provided. In the second section, the vowels of Tamil are introduced. In the third

section, the consonants of Tamil are introduced. In the fourth section, the Grantha consonants, letters borrowed from Sanskrit in Tamil, are introduced. In second through fourth sections, each letter is introduced by means of a picture of a Tamil word containing the letter. A reasonable approximation to pronouncing the letter and the word in English is given. The English translation of the word and the name of the letter is also provided. In the fifth section, the form of different consonants when they are combined with different vowels are shown. In the sixth section, the basic Tamil numbers are introduced. The final section provides a simple overview of some rules for Tamil pronunciation.

Trace and Learn Writing Gujarati Alphabet, Vowel and Number Workbook

This is the first book in the series "India for Kids Activity Workbook". The series provides an introduction to a young modern country which has a very ancient culture and heritage. Each book in the series consists of an initial section that gives a broad overview of one aspect of India, followed by an activity section - which consists of puzzles, games and others activities which help to remember some key facts. This first book provides an overview to the states of modern India, beginning with a broad overview of the national symbols of India and a brief history of the formation of the states. This is followed by an overview of the key aspects of each modern state, and a brief description of the Union Territories. The last part of the book consists of activities like cross-word puzzles, matching activities and quizzes.

My First Telugu Alphabets Picture Book with English Translations

This activity book is one of a series of activity books designed to teach the Tamil (Tamizh) language to children located in English speaking countries. The objective of this activity book is to improve the vocabulary of a student who has already learnt the Tamil script. The approach uses puzzles, mazes and exercises which require the student to recognize different words in the language. Sample puzzles included in this book include finding words in a maze, matching pictures to the corresponding words, arranging words in a staircase, and filling in circles containing words and pictures. These puzzles and activities increase the vocabulary of a student in a fun way.
