The Legacy Hodder & Stoughton

From a writer whose work has been praised by Junot Díaz as 'Latin American fiction at its pulpy phantasmagorical finest,' *Don't Send Flowers* is a riveting novel centred on Carlos Treviño, a retired police detective in northern Mexico who has to go up against the corruption and widespread violence that caused him to leave the force, when he's hired by a wealthy businessman to find his missing daughter. A seventeen-year-old girl has disappeared after a fight with her boyfriend that was interrupted by armed men, leaving the boyfriend on life support and the girl an apparent kidnap victim. It's a common occurrence in the region-prime narco territory-but the girl's parents are rich and powerful, and determined to find their daughter at any cost. When they call upon Carlos Treviño, he tracks the missing heiress north to the town of La Eternidad, on the Gulf of Mexico not far from the U.S. border-all while constantly attempting to evade detection by La Eternidad's chief of police, Commander Margarito Gonzalez, who is in the pockets of the cartels and has a score to settle with Treviño. A gritty tale of murder and kidnapping, crooked cops and violent gang disputes, *Don't Send Flowers* is an engrossing portrait of contemporary Mexico from one of its most original voices.

The Serpent and the Staff Pan Macmillan

A twist on the classic tale of Alice in Wonderland told through Nicolas Mahler's distinctive graphic novel style. Alice is back in Wonderland. Here she meets the White Rabbit, who leads her down into his rabbit hole in search of an illustrated edition of H. C. Artmann's *Frankenstein* in Sussex. Over the course of the novel, Alice repeatedly runs into the Rabbit, who quotes freely from other literary works by the likes of Herman Melville and E. M. Cioran. Unlike in Lewis Carroll's classic, Alice is not traveling the Wonderland we know. Rather, in Nicolas Mahler's whimsical graphic novel retelling, she is in a house deep beneath the ground. On subsequent floors, she encounters the famous creations of Lewis Carroll: the Hookah-Smoking Caterpillar, the Cheshire Cat, the Mock Turtle, and many others. One after the other, these creatures address the terrors of childhood and youth. It is only when Alice reaches the ground floor of the house that we arrive at the inevitable climax: face to face with *Frankenstein's* Monster.
