Toward a Christian Marriage InterVarsity Press

Dr. Randy Stinson and Dr. Timothy Paul Jones have been the primary architects of the theological foundations for what has become known as “family-equipping ministry”—a recognition that the generations need one another and that parents have an inherent responsibility for the discipleship of their children.

Living the New Testament Moody Publishers

How do the Old and New Testaments relate to each other? What is the relationship among the biblical covenants? In this volume in IVP Academic's Spectrum series, readers will find four contributors who explore these complex questions, each

making a case for their own view and responding to the others' views to offer an animated yet irenic discussion on the continuity of Scripture. *Covenantal and Dispensational Theologies* Moody Publishers
Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary Doctrine isn't just for theologians—it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as

God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

Handbook of Evangelical

Theology Moody Publishers

Using the insights of process theology, Gnuse explores the Old Testament beginning with the categories of classic Old Testament theology: revelation, suffering, creation, covenant, justice, law, and salvation.

New Dictionary of

Theology Crossway
The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study. It introduces the reader to the five dimensions that provide a comprehensive view of theology: biblical, systematic, historical, dogmatic and contemporary. The apostle Paul wrote that all Scripture is 'profitable for teaching' (2 Tim. 3:16), that Timothy should 'pay close attention to...your teaching' (1 Tim. 4:16), and that leaders should 'be able both to exhort in sound doctrine and to refute those who contradict' (Titus 1:9). When he wrote these statements, Paul was referring to theology. Beyond giving basic

definitions and general descriptions, author Paul Enns summarized the substantial features of theology. In this way, he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher. There are fifty-five informative charts located at strategic points throughout the book.

The Moody Bible Commentary Moody Publishers

No previous knowledge of theology demanded, this volume is written in an essentially readable way and is the perfect core to the library of anyone who loves to learn."This wide-ranging, well-directed, sharp-sighted textbook is his magnum opus. This one stands high as a

demonstration of the biblical rationality of the Reformed faith." J. I.

Introducing Christian Doctrine Focus Publishing (MN)

Some people make theology complicated. Here's what you need to know. Theology can be intimidating, full of big words and lofty ideas. Yet theological terms aren't just for professors to argue about in the ivory tower. These powerful words have important meanings for the everyday Christian, too. They aren't reserved for academic theologians. These terms belong to you! In *50 Most Important Theological Terms*, Moody professors David Finkbeiner and Brian Tucker offer helpful explanations of the -isms and -ologies

of Bible doctrine that you've heard of but aren't sure what they mean. Beyond mere explanations, the authors help you understand why these terms matter, not just for classroom textbooks but for the book of real life. You'll learn about questions like: How is Jesus fully God and fully human at the same time? By what means was sin passed to everyone from Adam? Do humans have only a body and soul, or a body, soul, and spirit? Is repentance from sin part of saving faith? And much more . . . Despite what you may have heard, theology actually is relevant. Don't miss out on the meanings of theological terms. Get the answers from experts and let your

confusion turn to understanding.

Pocket Dictionary of Theological Terms

Baker Academic

The perfect companion to theological studies, this dictionary provides three hundred-plus definitions, including both English and foreign terms. A must-have for every theological reader.

50 Most Important Theological Terms

Temple University Press

In *The End of Religion*, Bruxy Cavey shares that relationship has no room for religion. Believers and seekers alike will discover anew the wondrous promise found in our savior. And Christ's eternal call to walk in love and freedom will resonate with readers of all ages and denominations.

The Heart of

Addiction The Moody Handbook of Theology The great Christian doctrines are worth thinking through for ourselves. That's why Gordon Lewis has provided this concise and complete survey of the major truths of the Christian faith. But rather than just telling us what he has discovered in Scripture, he offers a theological workbook that helps us explore the evidence itself and to draw our own conclusions. He has organized the material around the main themes of God, Christ, the Holy Spirit, humanity, creation, the church, and the end times. This unique text has been used by students of the Bible over the last three decades in the classroom, in the home

and in the church. Its enduring quality continues to make it a valuable tool for all who want to develop a systematic theology for themselves. Of Lewis's six published books, his *Decide for Yourself: A Theological Workbook* has been the most versatile. It has been used in informal neighborhood and college Bible studies, church education classes, youth groups, Bible schools, colleges, and seminaries, and extension courses in theological education. It has been translated into Arabic, Chinese, French, Lithuanian, Spanish and Vietnamese. Chapters 1-3 are updated to interact with the postmodernist views of human language.

 Substance abusers, addicts with a physical dependency, and those who cannot stop some type of pleasurable activity can gain insights and practical help from the hopeful message from the Bible regarding addictive thoughts and behavior.

Christian Theology
 Baker Books
 Christians in the twenty-first century need encouragement and inspiration to lead lives that honor God. When faith is weak or the pressures of the world seem overwhelming, remembering the great men and women of the past can inspire us to renewed strength and purpose. Our spiritual struggles are not new, and the stories of those

who have gone before us can help lead the way to our own victories. *50 People Every Christian Should Know* gives a glimpse into the lives of such people as Charles H. Spurgeon, G. Campbell Morgan, A. W. Tozer, Fanny Crosby, Amy Carmichael, Jonathan Edwards, James Hudson Taylor, and many more. Combining the stories of fifty of these faithful men and women, beloved author Warren W. Wiersbe offers today's readers inspiration and encouragement in life's uncertain journey.

Sharpening the Focus of the Church

In the chaos that is Latin American politics, what role does the Catholic church play with regard to its clergy and its members? How does the church function in Latin America on an everyday, practical level? And how successful has the church been intervening in political matters despite the fact that Latin American countries are essentially Catholic nations? Philip Berryman addresses these timely and challenging issues in this comprehensive. Unlike journalistic accounts, which all too frequently portray liberation theology as an exotic brew of Marxism and Christianity or as a movement of rebel

priests bent on challenging church authority, this book aims to get beyond these cliches, to explain exactly what liberation theology is, how it arose, how it works in practice, and its implications. The book also examines how liberation theology functions at the village or barrio level, the political impact of liberation theology, and the major objections to it posed by critics, concluding with a tentative assessment of the future of liberation theology. Author note: Phillip Berryman was a pastoral worker in a barrio in Panama during 1965-73. From 1976 to 1980, he served as a representative for the American Friends Service Committee in

Central America. In 1980, he returned from Guatemala to the United States and now lives in Philadelphia.

The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of *The Moody Handbook of Theology*. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters

on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what Christians believe. *The Moody Handbook of Theology* is a concise doctrinal reference tool for newcomers and seasoned veterans alike.
