Fourteen-year-old twins Minty and Jess are inseparable. Maybe they bicker now and then, even crave a bit of space once in a while. But they have a connection. *Unbreakable*. Steadfast. Nothing can

tear them apart. Until a family trip to the coast puts their bond in jeopardy. As Minty tries to rescue her dog from drowning she ends up fighting for her life. Will Minty survive? If she doesn't, how will Jess cope without her? Only the stormy sea has the answer. Minty is a story of love, loss and coming to terms with consequences. It's a spiritual tale that will linger in your mind long after you've read the final word. *Unbreakable* e-artnow sro

The Snow Queen Hal Leonard Corporation  
 In Miel Moreland's heartfelt young adult debut, *It Goes Like This*, four queer teens realize that sometimes you have to risk hitting repeat on heartbreak. Eva, Celeste, Gina, and Steph used to think their friendship was unbreakable. After all, they've been though a lot together, including the astronomical rise of Moonlight Overthrow, the world-famous queer pop band they formed in middle school, never expecting to headline

anything bigger than the county fair. But after a sudden falling out leads to the dissolution of the teens' band, their friendship, and Eva and Celeste's starry-eyed romance, nothing is the same. Gina and Celeste step further into the spotlight, Steph disappears completely, and Eva, heartbroken, takes refuge as a songwriter and secret online fangirl...of her own band. That is, until a storm devastates their hometown, bringing the four ex-best-friends back together. As they prepare for one last show, they'll discover whether growing up always means growing apart. "It Goes Like This was everything my music nerd heart needed AND wanted. Lyrical and heart-

wrenching...beautiful representation, sweetest longing and the pop-star romance of my dreams; Swifties will swoon happily with this story tattooed on their hearts." —Erin Hahn, author of *You'd Be Mine* and *More Than Maybe*

*Staying Strong* Hal Leonard Corporation  
The married couple is still missing. They are still presumed dead. Jack Dorcha, the single greatest entrepreneur in modern Scotland, visits one by one the descendants of the

men who cast him into the sea. Chase, the inimical and crime-writing uncle jounces Wren, the former black-letter law judge, from his doddering Lethe. Chase chisels away at dragooning Wren the second time to re-visit, re-investigate, and re-analyse the suspects. Chase adjures Wren that all of those who may have been implicated be raked over the coals. But this time it is an altogether different ball game. Insidiously the tables are being turned. Wren is vitrified. Wren runs counter to Chase. Wren exacts revenge on Glasson Dorcha by obtruding him to endure the reality of his own perceived sense of imprisonment and mutilation. Wren evens the score with

Belay by foxing to expel him, the tormented worldly-wise employer of judges, his disgracious employer, motionlessly into the nadir of his self-tormented cocoon by envenoming his meal ticket and eviscerating his theorem regarding the concupiscence for the man he loves. He determines to ruin, imprison, or kill Chase, and immolate his own family. He eyeballs Chase with the significant chance that he was the culprit. Wren unglues Chase with his own pharisaical stance on his own ipseity. Finally, Jack Dorcha returns in person to avenge Wren and Chase. Who will win this time? The wrathful retired special adjudicator, the absinthal employer of torture judges, the

inimical crime-writing uncle, the usurious mercenary Jack Dorcha, the now ungovernable gangster in Glasgow, the stochastic new murderer or one of the pertinacious suspects? Falling with Wings: A Mother's Story Simon & Schuster (Piano Vocal). Poison Sourcebooks, Inc. Every day we have a choice on how to navigate our journey. Life is full of change

and it's a personal decision as to whether we adapt, ignore, or resist transition. Each one of us encounters challenges, but it is how we move through them that determines who we become. Lynn Lok-Payne experienced the unimaginable with the unexpected loss of her husband and a house fire just weeks later. In the midst of these life-changing events, one right after another, she began looking for a better way to not only heal, but also find fulfillment once again. *Wake Up! Change Up! Rise Up!* is an inspirational story interwoven with self-help techniques to live a more joyful, meaningful life. In her search for answers, she discovered that by clinging to the old stories we tell

ourselves—like how our titles dictate our lives or how we're not good enough—we diminish our own well-being. Sometimes we are afraid to let these narratives go, because if we did, who would we be? Once she decided to change this internal dialogue, her inner voice became stronger and the number of things to be grateful for began to grow. Lynn found that personal transformation is possible when we allow ourselves to flow through change instead of resist it. We have the inner tools to navigate life's unexpected turns. *Wake Up! Change Up! Rise Up!* inspires us to:

- Accept change and revise outdated beliefs
- Let go of the Blame Shame Game
- Find

healing through gratitude · Cultivate well-being using practical exercises such as affirmations, meditation, and writing · Uncover a more purposeful, happy, and authentic life Lynn's journey illustrates that with time, we can create a more empowering story line and become the next chapter of who we are meant to be. The language we use has the power to change our perspective and when we connect to our personal truth, we can truly thrive. Be the magnet for what you want to appear in your life. You are the solution.

Check out Little Voice on Apple TV+! Little Voice is inspired by a

lost song from Sara Bareilles's first studio album. This updated New York Times bestselling collection of essays by seven-time Grammy nominated singer songwriter Sara Bareilles "resonates with authentic and hard-won truths" (Publishers Weekly)—and features new material on the hit Broadway musical, *Waitress*. Sara Bareilles "pours her heart and soul into these essays" (Associated Press), sharing the joys and the struggles that come with creating great work, all while staying true to yourself. Imbued with humor and marked by Sara's confessional writing style, this essay collection tells the inside story behind some of her most popular songs. Well

known for her chart-topper “Brave,” Sara first broke through in 2007 with her multi-platinum single “Love Song.” She has since released seven albums that have sold millions of copies and spawned several hits. “A breezy, upbeat, and honest reflection of this multitalented artist” (Kirkus Reviews), *Sounds Like Me* reveals Sara Bareilles, the artist—and the woman—on songwriting, soul searching, and what’s discovered along the way.

Ever She’s the girl next door, my best friend, and all I want. If only I could figure out how to tell her. Ever since my dad took a job in Washington D.C., I’m

used to picking up the slack around the house. Between school, taking care of my four sisters, and diving practice, I’m a master at handling whatever life throws at me. Except when it comes to the girl next door. Gwen has been my best friend ever since kindergarten. She’s the jelly to my peanut butter, the frosting to my cake. She’s there for me like no one else. The keeper of my secrets. Except there’s one secret I can’t figure out how to share—I’m hopelessly in love with her. And secrets have a nasty way of multiplying. Just when I need my best friend the most, another guy asks me for advice on how to win Gwen’s heart. How much can one person really handle? After I

had my happily ever, but what actually happens after? Falling in love with my best friend was pretty much the best idea I ever had. Being with Sam makes everything better. Now all we have to do is get into the same college, and the future will be brighter than the sun. Then everything went supernova. A missed period and a positive pregnancy test. Suddenly the clock is ticking on the future. Every possible decision feels wrong. All I want is a way out. For someone—anyone—to take this choice away from me. But when fate takes choice out of the equation, I feel like I've been shredded in pieces. I don't know what to feel, or who to turn to. The only person who might

understand is Sam. But I've never felt further away from the person I love the most. How do you rebuild when you find yourself standing in ruins?

Hey Teammate, We all face obstacles—physical, emotional, between the ears. The good news is that

everything we have fought back against can empower us, IF WE KNOW HOW TO USE IT. My obstacles happen to be anxiety and depression. I call it living in the gray, and I've been mired in it my whole life. To be honest, it sucks. But I have also recently recognized that this same gray that has held me down has also empowered me to make my wildest dreams come true. You have probably overcome many of your own obstacles, but you've been too close to the conflict to clearly see what you've accomplished. We are all UNBREAKABLE, no matter what we do, who we are, or what traumas we may have experienced. We just need to admit that we can't walk this walk

alone. --Jay Glazer  
 After years of rejection but with constant hustle, Jay Glazer has built a career as one of the most iconic sports insiders, earning himself a spot on the Emmy award-winning Fox NFL Sunday, a role as the confidant of coaches and players across the league, and a role as himself alongside Dwayne "The Rock" Johnson on HBO series Ballers. His gym, Unbreakable Performance Center, attracts some of the biggest names in Hollywood, and is the headquarters to the powerful charity MVP (Merging Vets and Players) that Jay founded in 2015. MVP began as a weekly physical and mental health huddle with combat veterans and retired athletes has

expanded to seven locations, helping soldiers and players transition to a new team. In *Unbreakable*, Jay Glazer talks directly to you, his teammates, and shares his truth. All of his success from his screeching-and-swerving joy ride through professional football, the media, the fighting world, Hollywood, the military-warrior community, comes with a side of relentless depression and anxiety. Living in the gray, as Jay calls it, is just a constant for him. And, in order to work through the gray and succeed, Jay has to maintain an *Unbreakable Mindset*. With this book, you can too. · Be of Service—help others and help yourself in the process · Build Your

Team—give support, get support · Never Underestimate the Power of Laughter—never take yourself too seriously · Be Proud of Your Scars—our trauma makes us who we are Throughout *Unbreakable*, Jay will use his stories—featuring some of the biggest, baddest, and most fascinating characters in the public eye today—to show how he walks this walk, has learned that while the gray is very real, it doesn't have to define him. And it doesn't have to define you either.
