A Court of Wings and Ruin Penguin

The stunning conclusion to Sarah Glenn Marsh's Reign of the Fallen duology, now including an exclusive prequel to the series, Rise of the Sparrow. The Dead must stay buried. Karthia is nothing like it used to be. The kingdom's borders are open for the first time in nearly three hundred years, and raising the dead has been outlawed. Odessa is determined to explore the world beyond Karthia's waters, hoping to heal a heart broken in more ways than she can count. But with Meredy joining the ocean voyage, vanquishing her sorrow will be a difficult task. Despite the daily reminder of the history they share, Odessa and Meredy are fascinated when their journey takes them to a land where the Dead rule the night and dragons roam the streets. Odessa can't help being mesmerized by the new magic--and by the girl at her side. But just as she and Meredy are beginning to explore the new world, a terrifying development in Karthia summons them home at once. Growing

political unrest on top of threats from foreign invaders means Odessa and Meredy are thrust back into the lives they tried to leave behind while specters from their past haunt their tenuous relationship. Gathering a force big enough to ward off enemies seems impossible, until one of Queen Valoria's mages creates a weapon that could make them invincible. As danger continues to mount inside the palace, Odessa fears that without the Dead, even the greatest invention won't be enough to save them. In this enthralling, heartrending sequel to Reign of the Fallen, Odessa faces the fight of her life as the boundaries between the Dead and the living are challenged in a way more gruesome than ever before.

Enter Faerie in this epic fantasy filled with fast-paced adventure, forced proximity enemies to lovers, and a magical book that thinks for itself. She vowed she'd never return to Faerie...but vows were made to be broken. As a human girl, Chloe is perfectly happy being back in the mortal realm where she belongs. She's even become the town apothecary. When a fae from her past shows up begging her to return to Faerie, she utterly refuses. But then she finds out an angry group of mortals are using iron to hold an entire castle full of fae hostage. And of course, the hostages include Chloe's older sister and her sister's beloved. Reluctantly, Chloe packs a bag for what is supposed to be a short trip to Faerie. But the mortals are more powerful than she expected. They have weapons, flames, and revenge to fuel them. They won't stop until they control every court in Faerie. With the help of a new and mysterious magic and a devastatingly handsome fae companion, Chloe has to save Faerie before her sister and the other fae are killed. Flame and Crystal Thorns is the first book in a new YA fae fantasy series. This is a spin off of The Fae of Bitter Thorn series by Kay L. Moody. It features a few appearances and minor spoilers from The Fae of Bitter Thorn, but it also stands alone as its own series. It can be read without any prior knowledge or reading of The Fae of Bitter Thorn.

Winter War Awakening (Blood Rose Rebellion, Book 3) Houghton Mifflin Harcourt

Avalon is under seige by the warlord Rhita Gawr, now a wrathful dragon, who is bent on destroying it. Three unlikely heroes—Tamwyn, Elli, and Scree—are Avalon's only hope. To succeed they must overcome enormous obstacles, both in the world around them and deep within themselves. But once they do, their success is only the beginning. Everything culminates in three great battles: one deep underground, one on the muddy plains, and one high among the stars. But will there be triumph for Avalon's survival?

Crown of Crystal Flame Disney Press

Praise for *Shadows of the Dark Crystal*: "With deft nods to the original *Dark Crystal* movie and a passionate attention to detail, the author has fashioned an impressive prequel. Fans (who will instantly recognize certain elements) and newcomers alike will find themselves immersed in a new narrative, with new protagonists and dangers to face. Readers who crave otherworld fantasy such as Jaleigh Johnson's *The Mark of the Dragonfly* and Paul Durham's *The Luck Uglies* will enjoy discovering this new series." —School Library Journal "While young readers probably won't have seen the film, the books might lead them to it; even if they don't have that point of reference, Henson's world is richly imagined here, and it will be well worth the projected four books to explore the landscape, characters, and storylines." —The Bulletin of the Center for Children's Books "Characters and situations are compelling, and this first of a planned four-volume series aptly sets the stage and the conflict and tugs strongly on the heartstrings, setting readers up for more great adventures" —Booklist Before you watch the upcoming Netflix series, read the original novels from J. M. Lee (*The Dark Crystal: Age of Resistance*) that intertwine with the events of the series. Jim Henson's *The Dark Crystal: Shadows of the Dark Crystal* is set years before the events of the classic film and follows the journey of a young Gelfling woman who leaves her secluded home to uncover the truth surrounding the disappearance of her brother who has been accused of treason by the sinister Skeksis Lords.

Pale Fire Cambridge University Press

The American poet John Shade is dead. His last poem, 'Pale Fire', is put into a book, together with a preface, a lengthy commentary and notes by Shade's editor, Charles Kinbote. Known on campus as the 'Great Beaver', Kinbote is haughty, inquisitive, intolerant, but is he also mad, bad - and even dangerous? As his wildly eccentric annotations slide into the personal and the fantastical, Kinbote reveals perhaps more than he should be. Nabokov's darkly witty, richly inventive masterpiece is a suspenseful whodunit, a story of one-upmanship and dubious penmanship, and a glorious literary conundrum.

How Do I Feel? Simon and Schuster

Meet the extraordinary cast of creatures from Jim Henson's *The Dark Crystal: Age of Resistance*. This exclusive character guide, featuring stunning full-color photos from the show, will have you feeling as knowledgeable about the world of Thra and its inhabitants as the wise and all-knowing Aughra.

Tides of the Dark Crystal #3 Simon and Schuster

Join Jen, Kira, and Fizzgig from Jim Henson's beloved cult-classic film *The Dark Crystal* before their fateful meeting. Here, they each embark on new side-adventures that will transform the life of one little bird after the cruel Skeksis set forth a series of events that ripple across the land.

The Gate: The Dark Inside HarperCollins

The World of *The Dark Crystal* invites fans to delve into the creation and lore of the Jim Henson classic through the evocative illustrations of Brian Froud, concept designer on the original film. Since its original release in 1982, Jim Henson's brilliant film *The Dark Crystal* has gone on to become a beloved cult classic. *The World of Dark Crystal*—the original companion art book to the film—was created by Henson and internationally renowned artist Brian Froud to showcase the gorgeous conceptual artwork created for the film and delve deeper into the lore that underpins Thra, the

magical world at the heart of the film. Now, for the first time in over a decade, *The World of Dark Crystal* is back in print, featuring an abundance of striking art and all of the bonus material from the 2003 Collector's Edition. Also included in this exclusive volume is a fascinating essay by Froud on the creative process behind the making of the film and a facsimile of a booklet presented to the film's early backers—a gorgeous overview of the story so rare only a few original copies exist.

Beautiful, imaginative, and powerful, *The World of The Dark Crystal* celebrates the landmark fantasy film that continues to win new fans more than three decades after its release.

Gathering Darkness Bloomsbury Publishing USA

Two assassins will risk absolutely everything—even their own divinity—to save the people and the country they love in this lush historical fantasy from New York Times bestselling author Robin LaFevers. Set in the world of the beloved *His Fair Assassin* series, this smart, sensational follow up to *Courting Darkness* is perfect for fans of Leigh Bardugo and Holly Black. When you count Death as a friend, who can stand as your enemy? Sybella, novitiate of the convent of Saint Mortain and Death's vengeance on earth, is still reeling from her God's own passing, and along with him a guiding hand in her bloody work. But with her sisters on the run from their evil brother and under the watchful eye of her one true friend (and love) at court, the soldier known as Beast, Sybella stands alone as the Duchess of Brittany's protector. After months of seeking her out, Sybella has finally made contact with a fellow novitiate of the convent, Genevieve, a mole in the French court. But Sybella, having already drawn the ire of the French regent, may not be able to depend on her sister and ally as much as she hoped. Still, Death always finds a way, even if it's not what one expects. No one can be trusted and the wolves are always waiting in this thrilling conclusion to the *Courting Darkness* duology, set in the world of Robin's beloved *His Fair Assassin* trilogy.

Song of the Dark Crystal #2 Insight Editions

Before you watch the upcoming Netflix series, read the original novels from J. M. Lee (*The Dark Crystal: Age of Resistance*) that intertwine with the events of the series. Kylan of Sami Thicket is a skilled song teller, but singing the tales of long-gone heroes won't help his friends as they journey into dangerous, unknown lands. After uncovering the betrayal of the Skeksis Lords, he and his friend Naia are on the run, pursued by the Skeksis's underlings and outcast even among their fellow Gelfling. But Kylan knows the truth must be told, no matter how difficult the telling. Maybe there's use for a song teller after all . . . Jim Henson's *The Dark Crystal* is one of the most beloved and enduring fantasy stories of the past thirty years. This series of young adult novels will both please the diehard fans and bring new fans in to the world of *The Dark Crystal*.

People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine.
