**The Old Man and the Boy** Macmillan

Wolves invade the seaside resort town of Santa Vavara in Eastern Europe, killing thousands of people, but no one will talk of it except a Latin professor known as the Old Man. Narrated by a French journalist. By the author of *Desire in Language*.

**Old Man Country** New York : Holt, Rinehart and Winston

DigiCat Publishing presents to you this special edition of "The Old Man and the Sea" by Ernest Hemingway. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Old Man on a Bike** Harper Collins

A newly translated collection of fiction by the influential Italian modernist, continuing on his landmark work *Zeno's Conscience*. *A Very Old Man* collects five linked stories, parts of an unfinished novel that the great Trieste Italo Svevo wrote at the end of his life, after the international success

of *Zeno's Conscience* in 1923. Here Svevo revisits with new vigor and agility themes that fascinated him from the start—aging, deceit, and self-deception, as well as the fragility, fecklessness, and plain foolishness of the bourgeois paterfamilias—even as memories of the recent, terrible slaughter of World War I and the contemporary rise of Italian fascism also cast a shadow over the book's pages. It opens with "The Contract," in which Zeno's manager, the hardheaded young Olivi, expresses, like the war veterans who were Mussolini's early followers, a sense of entitlement born of fighting in the trenches. Zeno, by contrast, embodies the confusion and paralysis of the more decorous, although sleepy, way of life associated with the onetime Austro-Hungarian Empire which for so long ruled over Trieste but has now been swept away. As always, Svevo is attracted to the theme of how people fail to fit in. It is they, he suggests, who offer a recognizably human countenance in a world ravaged by the ambitions and fantasies of its true believers.

**The Old Man and the Sea** DigiCat

A story full of wit, satire and insight.

*Wolverine: Old Man Logan Vol. 9* Prospect Park Books

A fascinating account of how the Mississippi River shaped America In *Old Man River*, Paul Schneider tells the story of the river at the center of America's rich history—the Mississippi. Some fifteen thousand years ago, the majestic river provided Paleolithic humans with the routes by which early man began to explore the continent's interior. Since then, the river has been the site of historical significance, from the arrival of Spanish and

French explorers in the 16th century to the Civil War. George Washington fought his first battle near the river, and Ulysses S. Grant and William T. Sherman both came to President Lincoln's attention after their spectacular victories on the lower Mississippi. In the 19th century, home-grown folk heroes such as Daniel Boone and the half-alligator, half-horse, Mike Fink, were creatures of the river. Mark Twain and Herman Melville led their characters down its stream in *The Adventures of Huckleberry Finn* and *The Confidence-Man*. A conduit of real-life American prowess, the Mississippi is also a river of stories and myth. Schneider traces the history of the Mississippi from its origins in the deep geologic past to the present. Though the busiest waterway on the planet today, the Mississippi remains a paradox—a devastated product of American ingenuity, and a magnificent natural wonder.

**A Very Old Man** University of Chicago Press

"We live in a time of change, an era where old men can maintain health but find dignity in frailty. *Old Man Country* helps readers see and imagine this change for themselves. The book follows the journey of a writer in search of wisdom, as he narrates encounters with twelve distinguished American men over 80 -- including Paul Volcker, the former head of the Federal Reserve, and Denton Cooley, the world's most famous heart surgeon. In these and other intimate conversations, the book explores and honors the particular way that each man faces the challenges of living a good old age"--

**The Old Man** New York Review of Books

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

*This Old Man* Hueber Verlag

For forty years Charles Alavoine has sleepwalked through his life. Growing up as a good boy in the grip of a domineering mother, he trains as a doctor, marries, opens a medical practice in a quiet country town, and settles into an existence of impeccable bourgeois conformity. And yet at unguarded moments this model family man is haunted by a sense of emptiness and futility. Then, one night, laden with Christmas presents, he meets Martine. It is time for the sleeper to awake.

**The Human Division** Hassell Street Press

Following the events of *The Last Colony*, John Scalzi tells the story of the fight to maintain the unity of the human race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being published online from January to April 2013 as a three-month digital serial, *The Human Division* will appear as a full-length novel of the *Old Man's War* universe, plus—for the first time in print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization. *Old Man's War Series #1 Old Man's War #2 The Ghost Brigades #3 The Last Colony #4 Zoe's Tale #5 The Human Division #6 The End of All Things* Short fiction: "After the Coup" Other Tor Books *The Android's Dream Agent to the Stars Your Hate Mail Will Be Graded Fuzzy Nation Redshirts Lock In The Collapsing Empire* (forthcoming) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Old Man* Anchor

From the #1 New York Times bestselling author of *Killers of the Flower Moon*, a mesmerizing collection of true-crime stories that includes "The Old Man and the Gun"—the inspiration for the movie starring Robert Redford and Sissy Spacek, along with two other riveting tales. "The Old Man and the Gun" is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. "True Crime" follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And "The Chameleon" recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been called a "worthy heir to Truman Capote" and "simply the best narrative nonfiction writer working today," as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world. Look for David Grann's latest bestselling book, *The Wager!*

**The Old Man who Does as He Pleases** Columbia University Press

On October 16, 1859, John Brown led a historic attack on the Harper's Ferry Armory. Nelson narrates the incredible events that unfolded that day and explodes the conventional dismissal of John Brown as a fanatic, presenting him as a revolutionary who, at the cost of his own life, helped bring an end to slavery. This book is a biography of John Brown.

last quarter of an average lifetime. Adopting this code delivers the reader and his inner disciple a mechanism to exact swift changes to living and dealing with the challenges that ageing inevitably presents.

**The Old Man** Michael O'Mara Books

Recalls the beautiful and tender relationship between a boy and his remarkable grandfather.

*An Apprenticeship or The Book of Pleasures* New York Review of Books

This volume presents a comprehensive statement in defense of the doctrine known as classical, hedonistic, utilitarianism. It is presented as a viable alternative in the search for a moral theory and the claim is defended that we need such a theory. Torbjörn Tännsjö challenges the assumption that hedonistic utilitarianism is at variance with common sense morality particularly as viewed through the perspective of the modern feminist moral critique.

**Old Man River** Vintage

Now in paperback, a romantic love story by the great Brazilian writer Lóri, a primary school teacher, is isolated and nervous, comfortable with children but unable to connect to adults. When she meets Ulisses, a professor of philosophy, an opportunity opens: a chance to escape the shipwreck of introspection and embrace the love, including the sexual love, of a man. Her attempt, as Sheila Heti writes in her afterword, is not only "to love and to be loved," but also "to be worthy of life itself." Published in 1968, *An Apprenticeship* is Clarice Lispector's attempt to reinvent herself following the exhausting effort of her metaphysical masterpiece *The Passion According to G. H.* Here, in this unconventional love story, she explores the ways in which people try to bridge the gaps between them, and the result, unusual in her work, surprised many readers and became a bestseller. Some appreciated its accessibility; others denounced it as sexist or superficial. To both admirers and critics, the olympian Clarice gave a typically elliptical answer: "I humanized myself," she said. "The book reflects that."

**The Old Man and the Cat** Xlibris Corporation

"It was the best of times, it was the worst of times" begins one chapter of critically acclaimed Lee Siegel's new novel, *Love and the Incredibly Old Man*. "In the beginning" starts another. What else can a novelist do when hired as a ghostwriter by an elderly, irascible, conquistador-costumed man claiming to be the 540-year-old Juan Ponce de León? The fantastic life of that legendary explorer—inventor of rum, cigars, Coca-Cola, and popcorn—is the frame for Siegel's fourth chronicle of love, lies, luck, loss, and labia. Summoned with cold hard cash and a pinch of flattery, a professor and novelist named Lee Siegel finds himself in Eagle Springs, Florida, attempting to give form to the life of the man who, contrary to popular and historical opinion, did indeed find the Fountain of Youth. Spending humid days listening to the romantic ramblings of the old man and sleepless nights doubting yet trying to craft these reminiscences into a narrative that will satisfy the literary aspirations of his subject, Siegel the ghostwriter spins an improbable tale filled with Native Americans, insatiable monarchs, philandering cantors, deliriously passionate nuns, delicate actresses, androgynous artists, and deceptions small and large. For de León, and for Siegel too, centuries of conquest and colonialism, fortune and identity, are all refracted through the memories of the conquistador's lovers, each and every one of them adored "more than any other woman ever." Comic, melancholic, lusty, and fully engaged with the act of invention, whether in love or on the page, *Love and the Incredibly Old Man* continues the real Lee Siegel's exuberant exploration of that sentiment which Ponce de León confesses has "transported me to the most joyous heights, plunged me to the most dismal depths, and dropped me willy-nilly and dumbfounded at all places in between."

Part Hemingway, part Cormac McCarthy's *The Road*, a suspenseful odyssey into the dark heart of the post-apocalyptic American Southwest. Forty years after the destruction of civilization, human beings are reduced to salvaging the ruins of a broken world. One survivor's most prized possession is Hemingway's classic *The Old Man and the Sea*. With the words of the novel echoing across the wasteland, a living victim of the Nuclear Holocaust journeys into the unknown to break a curse. What follows is an incredible tale of grit and endurance. A lone traveler must survive the desert wilderness and mankind gone savage to discover the truth of Hemingway's classic tale of man versus nature. Now with a new introduction by author Nick Cole.

THE GLOBAL BESTSELLER Sitting quietly in his room in an old people's home, Allan Karlsson is waiting for a party he doesn't want to begin. His one-hundredth birthday party to be precise. The Mayor will be there. The press will be there. But, as it turns out, Allan will not . . . Escaping (in his slippers) through his bedroom window, into the flowerbed, Allan makes his getaway. And so begins his picaresque and unlikely journey involving criminals, several murders, a suitcase full of cash, and incompetent police. As his escapades unfold, Allan's earlier life is revealed. A life in which - remarkably - he played a key role behind the scenes in some of the momentous events of the twentieth century. Translated by Roy Bradbury.
